Private Placement Transactions

On January 3, 2018, we completed a private placement transaction whereby we sold to an individual investor, William J. Villari (“Villari”), pursuant to a Stock Purchase Agreement dated as of December 29, 2017, 114,285 shares of our common stock. The shares were sold to Villari in partial payment for shares of the voting common stock and non-voting common stock of US Premium Finance Holding Company, a Florida corporation (“USPF”), owned by Villari, representing 25.01% of the issued and outstanding shares of capital stock of USPF. In connection with this transaction, we entered into a Registration Rights Agreement with Villari, dated as of January 3, 2018 (the “Villari Registration Rights Agreement”), pursuant to which we agreed to file with the SEC by February 20, 2018 the registration statement of which this prospectus forms a part to register the resale or other disposition of the shares of common stock sold in the January 3, 2018 private placement. Pursuant to the Villari Registration Rights Agreement, we are also required to use our commercially reasonable efforts to cause the registration statement to be declared effective by the SEC as soon as practicable after filing, and to keep the registration statement continuously effective under the Securities Act of 1933, as amended (the “Securities Act”), until the earlier of: (i) the date that all shares covered by the registration statement have been publicly sold; (ii) the date that the shares covered by the registration statement may be sold to the public under Rule 144 under the Securities Act without volume limitations; and (iii) January 3, 2020.

Recent Developments

Financial Results for 2017

On January 26, 2018, Ameris announced preliminary, unaudited earnings and operating results for the quarter and twelve months ended December 31, 2017. Ameris reported net income of \$73.5 million, or \$1.98 per diluted share, for the year ended December 31, 2017, compared with \$72.1 million, or \$2.08 per diluted share, for 2016. The financial results include a charge of \$13.4 million to income tax expense related to the valuation of Ameris’s deferred tax asset, due to the recent tax legislation that reduces the future corporate tax rate for Ameris.

Ameris reported adjusted operating net income of \$92.3 million, or \$2.48 per diluted share, for the year ended December 31, 2017, compared with \$80.6 million, or \$2.32 per diluted share, for 2016. Adjusted operating net income for the fourth quarter of 2017 was \$23.6 million, or \$0.63 per diluted share, compared with \$22.2 million, or \$0.63 per diluted share, for the same quarter of 2016. For the year ended December 31, 2017, Ameris’s adjusted operating return on average assets was 1.26%, compared with 1.31% for 2016. For the fourth quarter of 2017, Ameris’s adjusted operating return on average assets was 1.20%, compared with 1.34% in the same quarter of 2016.

Reconciliation of Non-GAAP Financial Measures. This “Financial Results for 2017” contains certain financial information determined by methods other than in accordance with generally accepted accounting principles in the United States (“GAAP”). Ameris’s management uses these non-GAAP measures in its analysis of Ameris’s performance. These measures are useful when evaluating the underlying performance and efficiency of Ameris’s operations and balance sheet. Ameris’s management believes that these non-GAAP measures provide a greater understanding of ongoing operations, enhance comparability of results with prior periods and demonstrate the effects of significant gains and charges in the current period. Ameris’s management believes that investors may use these non-GAAP financial measures to evaluate Ameris’s financial performance without the impact of unusual items that may obscure trends in Ameris’s underlying performance. These disclosures should not be viewed as a substitute for financial measures determined in accordance with GAAP, nor are they necessarily comparable to non-GAAP performance measures that may be presented by other companies.

TABLE OF CONTENTS

Increase in Net Interest Income. Net interest income on a tax-equivalent basis increased 19.4% in 2017 to \$267.1 million, up from \$223.6 million for 2016. Growth in earning assets from internal sources contributed to the increase. Average earning assets increased 20.7% in 2017 to \$6.76 billion, compared with \$5.60 billion for 2016. Although Ameris's net interest income increased, net interest margin for 2017, including accretion, declined to 3.95%, compared with 3.99% for 2016. Yields on earning assets in 2017 were 4.46%, compared with 4.35% in 2016. Accretion income for 2017 decreased to \$10.6 million, or 2.9% of total revenue, compared with \$14.1 million, or 4.3%, respectively, for 2016. Excluding the effect of accretion, Ameris's margin for 2017 was 3.79%, compared with 3.74% for 2016. Yields on all loans, excluding the effect of accretion, increased to 4.63% in 2017, compared with 4.50% in 2016.

Ameris's net interest margin was 3.94% for the fourth quarter of 2017, down slightly from 3.95% reported for both the third quarter of 2017 and for the fourth quarter of 2016. Accretion income for the fourth quarter of 2017 decreased to \$2.2 million, compared with \$2.7 million for the third quarter of 2017, and from \$3.4 million reported for the fourth quarter of 2016. Excluding the effect of accretion, Ameris's margin for the fourth quarter of 2017 was 3.82%, an improvement compared with 3.80% for the third quarter of 2017 and 3.73% for the fourth quarter of 2016.

Yields on all loans, excluding the effect of accretion, increased to 4.70% during the fourth quarter of 2017, compared with 4.65% in the third quarter of 2017. Loan production in the banking division during the fourth quarter of 2017 totaled \$419.8 million, with weighted average yields of 4.89%, compared with \$409.2 million and 4.74%, respectively, in the third quarter of 2017 and \$498.7 million and 4.37%, respectively, in the fourth quarter of 2016. Loan production in the lines of business (to include retail mortgage, warehouse lending, Small Business Administration ("SBA") and premium finance) amounted to an additional \$1.5 billion during the fourth quarter of 2017, compared with \$1.3 billion during the fourth quarter of 2016.

Total interest expense for 2017 was \$34.2 million, compared with \$19.7 million for 2016. Deposit costs increased during 2017 to 0.34%, compared with 0.24% for 2016. Noninterest-bearing deposits represented 28.6% of the total average deposits for 2017, compared with 29.1% for 2016.

Noninterest Income. Noninterest income decreased 1.3% in 2017 to \$104.5 million, compared with \$105.8 million for 2016, the result of flat mortgage and service charges during 2017. Noninterest retail mortgage revenues were essentially flat during the year at \$48.5 million despite an increase in mortgage volume of approximately \$93.7 million, or 6.7%. Gain on sale margins tightened during 2017, as they moved from 3.36% in the fourth quarter of 2016 to 3.17% in the fourth quarter of 2017 because of more industry focus on purchase business and higher rates to borrowers. Ameris increased volume sufficient to make up for the tighter gains on sale, but late season hiring of mortgage bankers impacted profitability which increased by only 10.8%. During 2017, Ameris originated approximately \$547 million of government loans with only 11.9% being Ameris's own Government National Mortgage Association securities.

Service charges for the year were also flat, coming in at \$42.1 million, compared with \$42.7 million for 2016.

Declining counts of consumer oriented accounts with the associated balances and revenues were offset by larger commercial accounts, generally with enough balances to offset the analysis charges.

Revenues from Ameris's warehouse lending division decreased slightly during the year, from \$7.8 million for 2016 to \$7.6 million for 2017, while net income for the division increased 4.8%, from \$4.1 million for 2016 to \$4.3 million for 2017. Net income for Ameris's retail mortgage division was \$2.2 million for the fourth quarter of 2017, compared with \$3.0 million in the third quarter of 2017 and \$1.9 million for the fourth quarter of 2016. Net income for Ameris's warehouse lending division was \$1.4 million for the fourth quarter of 2017, compared with \$1.1 million for the third quarter of 2017 and \$904,000 for the fourth quarter of 2016.

Revenues from Ameris's SBA division continued to increase during 2017, rising from \$8.9 million for 2016 to \$10.0 million for 2017. Net income for the division increased to \$3.9 million for 2017, compared with \$2.8 million for 2016.

TABLE OF CONTENTS

Noninterest Expense. Noninterest expense increased \$16.1 million, or 7.5%, to \$231.9 million for the year ended December 31, 2017, compared with \$215.8 million for the year 2016. However, Ameris incurred various expenses related to the new premium finance division that was added late in 2016, compliance-related charges due to exiting the consent order issued to Ameris Bank by the FDIC associated with certain deficiencies in Ameris Bank's Anti-Money Laundering and Bank Secrecy Act compliance program, losses on the sale of bank premises, merger-related charges and Hurricane Irma expenses. Excluding these amounts, expenses in 2017 increased by only \$7.5 million, or 3.7%, compared with 2016 levels. Growth of noninterest expense in the retail mortgage, warehouse lending and SBA lines of business account for 41% of that increase, leaving core bank noninterest expense increasing only \$4.4 million, or 2.8%. The following table shows the detail of these charges and analysis:

Total loans, including loans held for sale, purchased loans and purchased loan pools, were \$6.24 billion at the end of 2017, compared with \$5.37 billion at the end of 2016. Organic growth in loans totaled \$941.0 million, or 20.3%, during 2017, compared with \$660.4 million, or 20.8%, in 2016. As expected, loan growth rates in the fourth quarter of 2017 slowed to 10.1% on an annualized basis, compared with 12.1% on an annualized basis in the same quarter of 2016.

During the quarter, Ameris sold or reclassified to loans held for sale approximately \$119.5 million of mortgage loans from purchased loan pools, reducing the investment in purchased loan pools to \$328.2 million, down 42% compared with the same period in the year ago period.

Deposits increased \$1.05 billion during 2017 to end the year at \$6.63 billion, from \$5.58 billion at the end of 2016. Non-rate sensitive deposits grew \$342.4 million, or 10.8%, to \$3.52 billion at December 31, 2017, compared with \$3.17 billion at the end of 2016. These funds represented 53.1% of Ameris's total deposits at the end of 2017, compared with 56.9% at the end of 2016.

TABLE OF CONTENTS

Growth in deposits at the end of the year, along with Ameris's sale of mortgage loans from purchased loan pools lowered the loan to deposit ratio from 101.0% at the end of the third quarter of 2017 to 91.3% at December 31, 2017. Stockholders' equity at December 31, 2017 totaled \$804.5 million, an increase of \$158.0 million, or 24.4%, from December 31, 2016. The increase in stockholders' equity was the result of the issuance of shares of Ameris common stock in a public offering in the first quarter of 2017, plus earnings of \$73.5 million during 2017, offset by dividends paid to shareholders of \$14.9 million. Tangible book value per share was \$17.86 at the end of 2017, up 23.9% from \$14.42 at the end of 2016. Tangible common equity as a percentage of tangible assets was 8.62% at the end of 2017, compared with 7.46% at the end of 2016.

RISK FACTORS

Investing in our securities involves risks. You should carefully review the risks and uncertainties described under “Risk Factors” contained in our most recent Annual Report on Form 10-K, and any updates in our Quarterly Reports on Form 10-Q, together with all of the other information appearing in this prospectus or incorporated by reference into this prospectus and any prospectus supplement, in light of your particular investment objectives and financial circumstances. The risks so described are not the only risks we face. There may be other unknown or unpredictable economic, business, competitive, regulatory or other factors that could have material adverse effects on our future results. Past financial performance may not be a reliable indicator of future performance and historical trends should not be used to anticipate results or trends in future periods. Our business, financial condition and results of operations could be materially adversely affected by any of these risks. In that event, the market price of our securities could decline and you could lose all or part of your investment. You should carefully consider all of the information set forth in this prospectus, any prospectus supplement and the documents incorporated by reference herein and therein before making an investment decision.

SPECIAL NOTE REGARDING FORWARD-LOOKING STATEMENTS

This prospectus contains or incorporates by reference forward-looking statements within the meaning of Section 27A of the Securities Act, Section 21E of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and the Private Securities Litigation Reform Act of 1995. These forward-looking statements represent plans, estimates, objectives, goals, guidelines, expectations, intentions, projections and statements of our beliefs concerning future events, business plans, objectives, expected operating results and the assumptions upon which those statements are based. Forward-looking statements include, without limitation, any statement that may predict, forecast, indicate or imply future results, performance or achievements, and are typically identified with words such as “may,” “could,” “should,” “will,” “would,” “believe,” “anticipate,” “estimate,” “expect,” “intend,” “plan,” “project,” “is confident that,” and similar expressions. These forward-looking statements are intended to identify these forward-looking statements. These forward-looking statements involve risk and uncertainty and a variety of factors, which are in many instances beyond our control and could cause our actual results and experience to differ materially from the anticipated results or other expectations expressed in these forward-looking statements. We assume no obligation to update or revise forward-looking statements. In addition to the risks discussed in this prospectus under “Risk Factors,” the following are important factors and risks that, in our view, could cause actual results to differ materially from those discussed in the forward-looking statements:

- the risks of any acquisitions, mergers or divestitures which we may undertake in the future, including, without limitation, the related time and costs of implementing such transactions, integrating operations as part of these transactions and possible failures to achieve expected gains, revenue growth, expense savings and/or other results from such transactions;
- the effects of future economic, business and market conditions and changes, including seasonality;
- legislative and regulatory changes, including changes in banking, securities and tax laws, regulations and policies and their application by our regulators;
- changes in accounting rules, practices and interpretations;
- the risks of changes in interest rates on the levels, composition and costs of deposits, loan demand, and the values and liquidity of loan collateral, securities and interest-sensitive assets and liabilities;
-

changes in borrower credit risks and payment behaviors;

- changes in the availability and cost of credit and capital in the financial markets;

- changes in the prices, values and sales volumes of residential and commercial real estate;

- the effects of concentrations in our loan portfolio;

- our ability to resolve nonperforming assets;

- the failure of assumptions and estimates underlying the establishment of reserves for possible loan losses and other estimates and valuations;
- changes in technology or products that may be more difficult, costly or less effective than anticipated; and
- the effects of war or other conflicts, acts of terrorism, hurricanes, floods, tornados or other catastrophic events that may affect economic conditions.

Further information on other factors that could affect us is included in the SEC filings incorporated by reference into this prospectus under “Incorporation of Certain Information by Reference,” all of which are accessible on the SEC’s website at www.sec.gov. See also “Risk Factors.”

Forward-looking statements should not be viewed as predictions and should not be the primary basis upon which investors evaluate us. If one or more of the factors affecting our forward-looking information and statements proves incorrect, then our actual results, performance or achievements could differ materially from those expressed in, or implied by, forward-looking information and statements contained in this prospectus and in the information incorporated by reference herein. Therefore, we caution you not to place undue reliance on our forward-looking information and statements.

USE OF PROCEEDS

We will not receive any proceeds from the sale by the selling shareholders of the shares of common stock registered hereby. The selling shareholders will receive all of the net proceeds from the sales of such shares.

SELLING SHAREHOLDERS

The following table identifies the selling shareholders and indicates certain information known to us with respect to: (i) the number of shares of common stock beneficially owned by the selling shareholders prior to the offering; and (ii) the number of shares and percentage of common stock to be beneficially owned by the selling shareholders after completion of the offering.

The table below has been prepared based upon the information furnished to us by the selling shareholders. We do not know when or in what amounts the selling shareholders may sell or otherwise dispose of the shares of common stock covered hereby. As a result, we cannot estimate the number of shares that will be held by the selling shareholders after completion of the offering. However, for purposes of this table, we have assumed that all of the shares of common stock covered by this prospectus will be sold by the selling shareholders.

We are filing the registration statement of which this prospectus forms a part to fulfill a contractual obligation to the selling shareholders under the Registration Rights Agreements entered into in connection with the private placement transactions. See “Prospectus Summary — Private Placement Transactions.”

any shares of common stock that such selling shareholder has the right to acquire within 60 days of February 12, 2018. PLAN OF DISTRIBUTION

We are registering the common stock issued to the selling shareholders to permit the resale of the common stock from time to time after the date of this prospectus. We will not receive any of the proceeds from the sale by the selling shareholders of the common stock. We will bear all fees and expenses incident to our obligation to register the common stock.

The selling shareholders may sell all or a portion of the common stock beneficially owned by them and offered hereby from time to time directly or through one or more underwriters, broker-dealers or agents. If the common stock is sold through underwriters or broker-dealers, the selling shareholders will be responsible for underwriting discounts or commissions or agent's commissions. The common stock may be sold on any national securities exchange or quotation service on which the securities may be listed or quoted at the time of sale, in the over-the-counter market or in transactions otherwise than on these exchanges or systems or in the over the-counter market and in one or more transactions at fixed prices, at prevailing market prices at the time of the sale, at varying prices determined at the time of sale or at negotiated prices. These sales may be effected in transactions, which may involve crosses or block transactions. The selling shareholders may use any one or more of the following methods when selling the common stock:

- ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;
- block trades in which the broker-dealer will attempt to sell the shares as agent but may position and resell a portion of the block as principal to facilitate the transaction;
- purchases by a broker-dealer as principal and resale by the broker-dealer for its account;
- an exchange distribution in accordance with the rules of the applicable exchange;
- privately negotiated transactions;
-

settlement of short sales entered into after the effective date of the registration statement of which this prospectus is a part;

- broker-dealers may agree with the selling shareholders to sell a specified number of such securities at a stipulated price per share;
- through the writing or settlement of options or other hedging transactions, whether such options are listed on an options exchange or otherwise;
- a combination of any such methods of sale; and
- any other method permitted pursuant to applicable law.

TABLE OF CONTENTS

The selling shareholders also may resell all or a portion of the common stock in open market transactions in reliance upon Rule 144 under the Securities Act, as permitted by that rule, or Section 4(a)(1) under the Securities Act, if available, rather than under this prospectus, provided that they meet the criteria and conform to the requirements of those provisions.

Broker-dealers engaged by the selling shareholders may arrange for other broker-dealers to participate in sales. If the selling shareholders effect such transactions by selling common stock to or through underwriters, broker-dealers or agents, such underwriters, broker-dealers or agents may receive commissions in the form of discounts, concessions or commissions from the selling shareholders or commissions from purchasers of the common stock for whom they may act as agent or to whom they may sell as principal. Such commissions will be in amounts to be negotiated, subject to FINRA Rule 2121.

In connection with sales of the common stock or otherwise, the selling shareholders may enter into hedging transactions with broker-dealers or other financial institutions, which may in turn engage in short sales of the common stock in the course of hedging in positions they assume. The selling shareholders may also sell common stock short and if such short sale shall take place after the date that this registration statement is declared effective by the SEC, the selling shareholders may deliver the common stock covered by this prospectus to close out short positions and to return borrowed shares in connection with such short sales. The selling shareholders may also loan or pledge common stock to broker-dealers that in turn may sell such shares, to the extent permitted by applicable law. The selling shareholders may also enter into option or other transactions with broker-dealers or other financial institutions or the creation of one or more derivative securities which require the delivery to such broker-dealer or other financial institution of shares offered by this prospectus, which shares such broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction). Notwithstanding the foregoing, the selling shareholders have been advised that they may not use shares registered on this registration statement to cover short sales of the common stock made prior to the date the registration statement, of which this prospectus forms a part, has been declared effective by the SEC.

The selling shareholders may, from time to time, pledge or grant a security interest in some or all of the common stock owned by them and, if the selling shareholders default in the performance of their secured obligations, the pledgees or secured parties may offer and sell the common stock from time to time pursuant to this prospectus or any amendment to this prospectus under Rule 424(b)(3) under the Securities Act or other applicable provision of the Securities Act amending, if necessary, the list of selling shareholders to include the pledgee, transferee or other successors in interest as selling shareholders under this prospectus. The selling shareholders also may transfer and donate the common stock in other circumstances, in which case the transferees, donees, pledgees or other successors in interest will be the selling beneficial owners for purposes of this prospectus.

To the extent required by the Securities Act and the rules and regulations thereunder, the selling shareholders and any broker-dealer or agents participating in the distribution of the common stock may be deemed to be “underwriters” within the meaning of Section 2(11) of the Securities Act in connection with such sales. In such event, any commissions paid, or any discounts or concessions allowed to, any such broker-dealer or agent and any profit on the resale of the shares purchased by them may be deemed to be underwriting commissions or discounts under the Securities Act. A selling shareholder who is an “underwriter” within the meaning of Section 2(11) of the Securities Act will be subject to the applicable prospectus delivery requirements of the Securities Act and may be subject to certain statutory liabilities of, including, but not limited to, Sections 11, 12 and 17 of the Securities Act and Rule 10b-5 under the Exchange Act. Each selling shareholder has informed us that it is not a registered broker-dealer and does not have any written or oral agreement or understanding, directly or indirectly, with any person to distribute the common stock. Upon our notification in writing by the selling shareholders that any material arrangement has been entered into with a broker-dealer for the sale of common stock through a block trade, special offering, exchange distribution or secondary distribution or a purchase by a broker or dealer, a supplement to this prospectus will be filed, if required, pursuant to Rule 424(b) under the Securities Act, disclosing (i) the name of the participating broker-dealer(s), (ii) the number of shares involved, (iii) the price at which such

the shares of common stock were sold, (iv) the commissions paid or discounts or concessions allowed to such broker-dealer(s), where applicable, (v) that such broker-dealer(s) did not conduct any investigation to verify the information set out or incorporated by reference in this prospectus, and (vi) other facts material to the transaction. Under the securities laws of some states, the common stock may be sold in such states only through registered or licensed brokers or dealers. In addition, in some states the common stock may not be sold unless such shares have been registered or qualified for sale in such state or an exemption from registration or qualification is available and is complied with.

There can be no assurance that the selling shareholders will sell any or all of the common stock registered pursuant to the registration statement, of which this prospectus forms a part.

Each selling shareholder and any other person participating in such distribution will be subject to applicable provisions of the Exchange Act and the rules and regulations thereunder, including, without limitation, to the extent applicable, Regulation M of the Exchange Act, which may limit the timing of purchases and sales of any of the common stock by the selling shareholder and any other participating person. To the extent applicable, Regulation M may also restrict the ability of any person engaged in the distribution of the common stock to engage in market-making activities with respect to the common stock. All of the foregoing may affect the marketability of the common stock and the ability of any person or entity to engage in market-making activities with respect to the common stock.

We will pay all expenses of the registration of the common stock pursuant to the Registration Rights Agreements, including, without limitation, SEC filing fees and expenses of compliance with state securities or “blue sky” laws; provided, however, that each selling shareholder will pay all underwriting discounts and selling commissions, if any, and any related legal expenses incurred by it. We will indemnify the selling shareholders against certain liabilities, including some liabilities under the Securities Act, in accordance with the Registration Rights Agreements, or the selling shareholders will be entitled to contribution. We may be indemnified by the selling shareholders against civil liabilities, including liabilities under the Securities Act, that may arise from any written information furnished to us by the selling shareholders specifically for use in this prospectus, in accordance with the Registration Rights Agreements, or we may be entitled to contribution.

DESCRIPTION OF CAPITAL STOCK

The following summary does not describe every aspect of our capital stock and is qualified in its entirety by reference to the relevant sections of our articles of incorporation, as amended, which are filed as an exhibit to the registration statement of which this prospectus forms a part.

General

As of February 12, 2018, our authorized capital stock consisted of:

- 100,000,000 shares of common stock, par value \$1.00 per share, 38,208,129 of which were outstanding; and
- 5,000,000 shares of preferred stock, of which 52,000 have been designated as Fixed Rate Cumulative Preferred Stock, Series A, all of which have been repurchased and redeemed pursuant to the terms of such series and have been cancelled and are no longer outstanding.

Common Stock

Voting Rights. Each holder of the common stock is entitled to one vote per share held on any matter submitted to a vote of shareholders. There are no cumulative voting rights in the election of directors.

Dividends. Holders of the common stock are entitled to receive dividends only if, as and when declared by the our board of directors out of funds legally available, subject to certain restrictions imposed by state and federal laws and the preferential dividend rights of any preferred stock then outstanding.

TABLE OF CONTENTS

No Preemptive or Conversion Rights. Holders of the common stock do not have preemptive rights to purchase additional shares of any class of capital stock, nor do they have conversion or redemption rights.

Calls and Assessments. All of the issued and outstanding shares of the common stock are fully paid and non-assessable.

Liquidation Rights. In the event of the liquidation, dissolution or winding up of us, the holders of the common stock (and the holders of any class or series of stock entitled to participate with the common stock in the distribution of assets) shall be entitled to receive, in cash or in kind, our assets available for distribution remaining after payment or provision for payment of our debts and liabilities and distributions or provision for distributions to holders of the preferred stock having preference over the common stock.

Preferred Stock

Our board of directors may, from time to time, issue shares of the authorized, undesignated preferred stock in one or more classes or series without shareholder approval. In connection with any such issuance, our board of directors may by resolution determine the designation, preferences, limitations, conversion rights, cumulative, relative, participating, optional or other rights, including voting rights, qualifications, limitations or restrictions, of such shares of preferred stock.

Certain Provisions of Our Articles of Incorporation and Bylaws and the GBCC

Our articles of incorporation and bylaws contain provisions that could make more difficult an acquisition of us by means of a tender offer, a proxy contest or otherwise. These provisions are expected to discourage specific types of coercive takeover practices and inadequate takeover bids as well as to encourage persons seeking to acquire control to first negotiate with our board of directors. Although these provisions may have the effect of delaying, deferring or preventing a change in control, we believe that the benefits of increased protection through the potential ability to negotiate with the proponent of an unfriendly or unsolicited proposal to acquire or restructure us outweighs the disadvantages of discouraging these proposals because, among other things, negotiation of such proposals could result in an improvement of their terms.

The Georgia Business Corporation Code (the “GBCC”) also provides additional provisions which, if adopted by our board of directors, would further inhibit certain unsolicited acquisition proposals.

Classified Board of Directors. Our bylaws provide that our board of directors shall consist of not less than seven and not more than 15 members. Our bylaws provide for a classified board of directors, divided into three classes, with each class consisting as nearly as possible of one-third of the total number of directors, and with shareholders electing one class each year for a three-year term. Between shareholders’ meetings, only our board of directors is permitted to appoint new directors to fill vacancies or newly created directorships so that no more than the number of directors in any given class could be replaced each year and it would take three successive annual meetings to replace all directors.

Shareholder Action Through Written Consent. Our bylaws only provide for shareholder action by written consent in lieu of a meeting if all shareholders entitled to vote on such action sign such consent.

Nominations to Board of Directors. Our articles of incorporation and bylaws provide that nominations for the election of directors may be made by our board of directors or any committee appointed by our board of directors or by any shareholder entitled to vote generally in the election of directors. Our bylaws establish an advance notice procedure for shareholder nominations to our board of directors. A shareholder may only make a nomination to our board of directors if he or she complies with the advance notice and other procedural requirements of our bylaws and is entitled to vote on such nomination at the meeting.

Removal of Directors; Board of Directors Vacancies. Our articles of incorporation provide that members of our board of directors may only be removed for cause and then only with a vote of at least a majority of the outstanding shares entitled to vote in the election of directors. Our bylaws further provide that only our board of directors may fill vacant directorships. These provisions would prevent a shareholder from gaining control of our board of directors by removing incumbent directors and filling the resulting vacancies with such shareholder’s own nominees.

TABLE OF CONTENTS

Authorized But Unissued Stock. The authorized but unissued shares of the common stock and preferred stock are available for future issuance without shareholder approval. These additional shares may be used for a variety of corporate purposes, including future public offerings to raise additional capital, corporate acquisitions and employee benefit plans. The existence of authorized but unissued and unreserved shares of the common stock and preferred stock may enable our board of directors to issue shares to persons friendly to current management, which could render more difficult or discourage any attempt to obtain control of us by means of a proxy contest, tender offer, merger or otherwise, and thereby protect the continuity of our management.

Georgia “Fair Price” Statute. Sections 14-2-1110 through 14-2-1113 of the GBCC (the “Fair Price Statute”), generally restrict a company from entering into certain Business Combinations (as defined in the GBCC) with an interested shareholder unless:

- the transaction is unanimously approved by the continuing directors who must constitute at least three members of the board of directors at the time of such approval; or

- the transaction is recommended by at least two-thirds (2/3) of the continuing directors and approved by a majority of the shareholders excluding the interested shareholder.

Georgia “Business Combination” Statute. Sections 14-2-1131 through 14-2-1133 of the GBCC (the “Business Combination Statute”), generally restrict a company from entering into certain business combinations (as defined in the GBCC) with an interested shareholder for a period of five (5) years after the date on which such shareholder became an interested shareholder unless:

- the transaction is approved by the board of directors of the company prior to the date the person became an interested shareholder;

- the interested shareholder acquires at least 90% of the company’s voting stock in the same transaction (calculated pursuant to GBCC Section 14-2-1132) in which such person became an interested shareholder; or

- subsequent to becoming an interested shareholder, the shareholder acquires at least 90% (calculated pursuant to GBCC Section 14-2-1132) of the company’s voting stock and the business combination is approved by the holders of a majority of the voting stock entitled to vote on the matter (excluding the stock held by the interested shareholder and certain other persons pursuant to GBCC Section 14-2-1132).

The GBCC provides that the restrictions set forth in the Fair Price Statute and the Business Combination Statute will not apply unless the bylaws of the corporation specifically provide that these provisions of the GBCC are applicable to the corporation (and in certain other situations). We have not elected to be covered by such statutes, but we could do so by action of our board of directors, without a vote by shareholders except as may be prohibited by law, at any time.

Item 15.

Indemnification of Directors and Officers.

Subsection (a) of Section 14-2-851 of the GBCC provides that a corporation may indemnify an individual who is party to a proceeding because he or she is or was a director against liability incurred in the proceeding if: (1) such individual conducted himself or herself in good faith; and (2) such individual reasonably believed (A) in the case of conduct in his or her official capacity, that such conduct was in the best interests of the corporation, (B) in all other cases, that such conduct was at least not opposed to the best interests of the corporation, and (C) in the case of any criminal proceeding, that the individual had no reasonable cause to believe that such conduct was unlawful.

Subsection (d) of Section 14-2-851 of the GBCC provides that a corporation may not indemnify a director in connection with a proceeding by or in the right of the corporation, except for reasonable expenses incurred in connection with the proceeding if it is determined that the director has met the relevant standard of conduct, or in connection with any proceeding with respect to conduct for which he or she was adjudged liable on the basis that personal benefit was improperly received by him or her, whether or not involving action in his or her official capacity. Notwithstanding the foregoing, pursuant to Section 14-2-854 of the GBCC, a court may order a corporation to indemnify a director if such court determines, in view of all the relevant circumstances, that it is fair and reasonable to indemnify or advance expenses to the director, even if the director has not met the relevant standard of conduct set forth in subsections (a) and (b) of Section 14-2-851 of the GBCC, failed to comply with Section 14-2-853 of the GBCC, or was adjudged liable in a proceeding referred to in paragraph (1) or (2) of subsection (d) of Section 14-2-851 of the GBCC but if the director was adjudged so liable, the indemnification shall be limited to reasonable expenses incurred in connection with the proceeding.

Section 14-2-852 of the GBCC provides that a corporation shall indemnify a director who was wholly successful, on the merits or otherwise, in the defense of any proceeding to which he or she was a party because he or she was a director of the corporation against reasonable expenses incurred by the director in connection with the proceeding. Section 14-2-857 of the GBCC provides that a corporation may indemnify and advance expenses to an officer of the corporation who is a party to a proceeding because he or she is an officer of the corporation to the same extent as a director. If the officer is not a director (or if the officer is a director but the sole basis on which he or she is made a party to the proceeding is an act or omission solely as an officer), the corporation may also indemnify and advance expenses to such officer to such further extent as may be provided by the articles of incorporation or the bylaws of the corporation, by a resolution of the board of directors of the corporation, or by contract, except for liability arising out of conduct that constitutes: (1) the appropriation, in violation of their duties, of any business opportunity of the corporation; (2) acts or omissions which involve intentional misconduct or a knowing violation of law; (3) the types of liability set forth in Section 14-2-832 of the GBCC; or (4) receipt of an improper personal benefit. An officer of a corporation who is not a director is entitled to mandatory indemnification under Section 14-2-852 of the GBCC and may apply to a court under Section 14-2-854 of the GBCC for indemnification or advances, in each case to the same extent to which a director may be entitled to indemnification under those provisions. Finally, a corporation may also indemnify an employee or agent who is not a director to the extent, consistent with public policy, that may be

provided by its articles of incorporation or bylaws, by general or specific action by its board of directors or by contract.

TABLE OF CONTENTS

Article XI of the articles of incorporation, as amended, of the Registrant provides that, except as may be limited by the GBCC or any successor law, no director shall be personally liable to the Registrant or any of its shareholders for monetary damages for breach of his or her duty of care or other duty as a director.

Article VII of the amended and restated bylaws of the Registrant provides that every person (and the heirs and legal representatives of such person) who is or was a director or officer of the Registrant or any other corporation of which he or she served as such at the request of the Registrant and of which the Registrant directly or indirectly is a shareholder or creditor, or in which or in the stocks, bonds, securities or other obligations of which the Registrant is in any way interested, may be indemnified for any liability and expense resulting from any threatened, pending or completed action, suit or proceeding, civil, criminal, administrative or investigative or derivative or otherwise, or in connection with any appeal relating thereto, in which he or she may become involved, as a party or prospective party or otherwise, by reason of any action taken or not taken in his or her capacity as a director or officer or as a member of any committee appointed by the board of directors of the Registrant to act for, in the interest of, or on behalf of the Registrant, whether or not he or she continues to be a director or officer at the time such liability or expense is incurred; provided such person acted in good faith and (i) reasonably believed, in the case of conduct in the person's official capacity, that the conduct was in the Registrant's best interests; (ii) reasonably believed, in all other cases, that the conduct was at least not opposed to the Registrant's best interests; and (iii) in the case of a criminal action or proceeding, did not have reasonable cause to believe that his or her conduct was unlawful. The termination of any claim, action, suit or proceeding, by judgment, order, compromise, settlement (with or without court approval) or conviction or upon a plea of guilty or of nolo contendere, or its equivalent, does not create a presumption that a director or officer did not meet the standards of conduct set forth in the amended and restated bylaws. Expenses incurred with respect to any claim, action, suit or proceeding of the character described in Article VII of the bylaws of the Registrant may be advanced by the Registrant prior to the final disposition thereof upon receipt of any undertaking by or on behalf of the recipient to repay such amount, unless it is ultimately determined that he or she is entitled to indemnification under the bylaws.

Notwithstanding the foregoing, Article VII of the Registrant's bylaws provides that no officer or director who was or is a party to any action or suit by or in the right of the Registrant to procure a judgment in its favor by reason of the fact that he or she is or was an officer or director of the Registrant or such other corporation can be indemnified in respect of any claim, issue or matter as to which such person is adjudged to be liable for negligence or misconduct in the performance of his or her duty to the Registrant, unless the court in which such action or suit was brought determines that, despite the adjudication of liability and in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses as the court deems proper.

Article VII of the Registrant's bylaws further provides that every person (and the heirs and legal representatives of such person) referred to above who has been wholly successful, on the merits or otherwise, with the respect to such claim, action, suit or proceeding is entitled to indemnification as of right without any further action or approval by the board of directors of the Registrant, and any indemnification otherwise pursuant to the bylaws of the Registrant will be made at the discretion of the Registrant, but only pursuant to a determination made in the manner set forth in Section 14-2-855 of the GBCC that indemnification is permissible in the circumstances. Section 14-2-855 of the GBCC provides that indemnification may be made where the person to be indemnified has met the relevant standard of conduct described above as determined by a majority vote of a quorum consisting of disinterested directors of the board of directors, by duly selected independent legal counsel or by a majority vote of the disinterested shareholders. The board of directors also may designate a special committee of two or more disinterested directors to make this determination.

The rights of indemnification provided in Article VII of the Registrant's bylaws are in addition to: (1) any rights to which any director or officer may otherwise be entitled under any bylaw, agreement, vote of shareholders or otherwise; and (2) the power of the Registrant to purchase and maintain insurance on behalf of any director or officer against any liability asserted against him or her and incurred by him or her in such capacity, or arising out of his or her status as such, regardless of whether the Registrant would have the power to indemnify against such liability under the amended and restated bylaws or otherwise.

TABLE OF CONTENTS

The Registrant's bylaws further provide that any amendment to Article VII thereof that limits or otherwise adversely affects the right of indemnification, advancement of expenses or other rights of any indemnified person thereunder shall, as to such indemnified person, apply only to proceedings based on actions, events or omissions occurring after such amendment and after delivery of notice of such amendment to the indemnified person so affected. Any indemnified person shall, as to any proceeding based on actions, events or omissions occurring prior to the date of receipt of such notice, be entitled to the right of indemnification, advancement of expenses and other rights under Article VII as in effect prior to such amendment.

Exhibits.

A list of exhibits filed herewith is contained in the exhibit index that immediately precedes such exhibits and is incorporated herein by reference.

Item 17.

Undertakings.

(a)

The undersigned registrant hereby undertakes:

(1)

To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i)

To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii)

To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Securities and Exchange Commission (the "Commission") pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii)

To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i) through (a)(1)(iii), above, do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act, that are incorporated by reference in this registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2)

That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3)

To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4)

That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i)

Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the Registration Statement; and

(ii)

Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the Registration Statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the Registration Statement relating to the securities in the Registration Statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the Registration Statement or made in a document incorporated or deemed incorporated by reference into the Registration Statement or prospectus that is part of the Registration Statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the Registration Statement or prospectus that was part of the Registration Statement or made in any such document immediately prior to such effective date.

(5)

That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities: The undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i)

Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii)

Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii)

The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv)

Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

For purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in

connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
