Item 9. Regulation FD Disclosure

On July 28, 2004, the U.S. Food and Drug Administration (FDA) commenced a re-audit of the Company's Monrovia, California manufacturing facility. The audit has continued since that date. On Friday, August 13, 2004, the Company was notified by the FDA audit team that, due to scheduling conflicts, the audit would be partially interrupted over the next two weeks and, accordingly, would not be concluded until later than anticipated. At this time, no definitive date has been provided by the FDA for completion of the audit. The Company is committed to working closely with the FDA in a constructive manner and to returning to compliance with the FDA guidelines.

The information in this Current Report on Form 8-K will not be treated as "filed" for the purposes of Section 18 of the Securities Exchange Act of 1934 (the "Exchange Act") or otherwise subject to the liabilities of that section. This information will not be incorporated by reference into a filing under the Securities Act of 1933, or into another filing under the Exchange Act, unless that filing expressly refers to specific information in Item 9 of this Current Report.
