Explanation of Responses:

* If the form is filed by more than one reporting person, *see* Instruction 5(b)(v).

** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. *See* 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

(1) The Convertible Note will be automatically converted into shares of Common Stock on December 8, 2012 (the "Conversion Date"), which is the 30th day after announcement by Catalyst Pharmaceutical Partners, Inc. (the "Issuer") of top-line data from the Issuer's Phase II(b) clinical trial evaluating the use of CPP-109 (the Issuer's formulation of vigabatrin, a GABA aminotransferase inhibitor) for the treatment of cocaine addiction.

The number of shares issuable upon conversion of the Convertible Note is calculated by dividing the aggregate principal amount of the note, \$5,000,000 by the "Conversion Price" in effect on the Conversion Date. The Conversion Price is the dollar weighted average price of the Common Stock for the 15 business day period prior to the Conversion Date, multiplied by 0.9; provided, however, that the

(2) Conversion price shall not be less than \$0.75 per share or more than \$2.50 per share. Accordingly, the number of shares beneficially owned by BioMarin Pharmaceutical Inc. may fluctuate from time to time based on the underlying trading price and volume of the Issuer's Common Stock. The number of shares reflected in the table were calculated based on the Conversion Price of \$0.75 in effect at the close of trading on November 9, 2012.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *See* Instruction 6 for procedure.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
