**Item 8.01 Other Events**

On September 8, 2004, ABX Air issued a press release providing that it will be operating seven additional regional hub locations for DHL. A copy of the press release is furnished herewith as Exhibit 99(a).

Except for historical information contained therein, the matters discussed in the press release contain forward-looking statements that involve risks and uncertainties. ABX Air's actual results may differ materially from the results discussed in the forward-looking statements. There are a number of important factors that could cause the actual results of the Company to differ materially from those indicated by such forward-looking statements, including, but not limited to, the possibility that DHL may subsequently determine to forego or delay opening one or more of the additional regional hubs or to award the staffing and management of one or more of the additional regional hubs to another party. These factors are contained from time to time in ABX Air's filings with the U.S. Securities and Exchange Commission, including our Annual Report on Form 10-K for the year ended 2003, and our Quarterly Report on Form 10-Q for the periods ended March 31st and June 30th, 2004. Readers should carefully review the press release and should not place undue reliance on our forward-looking statements. These forward-looking statements were based on information, plans and estimates as of the date of the press release. We undertake no obligation to update any forward-looking statements to reflect changes in underlying assumptions or factors, new information, future events or other changes.
