3. PROPOSED AMENDMENTS TO THE ARTICLES OF ASSOCIATION

Pursuant to the plan for the adjustment to the rural telecommunications management mechanism approved by the State Council in 2002, for the purposes of paying the consideration to People's Government of Fujian Province for acquiring the rural telecommunications assets in Fujian, China, China Telecommunications Corporation entered into a share transfer agreement with Fujian State-Owned Assets Investment Holdings Co., Ltd., an entity duly authorized by the People's Government of Fujian Province to hold the relevant shares, and agreed to transfer its 969,317,182 ordinary shares in the Company to Fujian State-Owned Assets Investment Holdings Co., Ltd. Such share transfer will affect the capital structure of the Company and paragraph 2 of Article 21 of the Articles of Association will need to be amended.

In addition, due to the proposed increase in the number of independent Directors, paragraph 1 of Article 94 of the Articles of Association will need to be amended.

The Board of Directors proposes to make amendments to the Articles of Association accordingly. A full text of the Proposed Amendments is set out in the notice of the EGM set out in the Appendix 1 to this circular. According to the Articles of Association and the relevant laws and regulations, the Proposed Amendments are subject to the approval of the Shareholders by way of special resolutions at the EGM. Further, the Proposed Amendments will become effective after the relevant procedures for the approval and/or registration or filing in the PRC have been completed.
