2014 ANNUAL MEETING OF STOCKHOLDERS

PROCEDURAL MATTERS

This proxy statement and the enclosed form of proxy are furnished in connection with solicitation of proxies by our board of directors for use at the annual meeting of stockholders (the Annual Meeting) to be held on May 16, 2014, and any postponements, adjournments or continuations thereof. The Annual Meeting will be held at the Marriott San Mateo Hotel, located at 1770 South Amphlett Boulevard, San Mateo, California 94402, on Friday, May 16, 2014 at 10:00 a.m. PDT. This proxy statement, the accompanying form of proxy card and our 2013 annual report are first being mailed on or about April 10, 2014 to all stockholders entitled to vote at the Annual Meeting. We use the terms RingCentral, the Company, we, our and us in this proxy statement to refer to RingCentral, Inc., a Delaware corporation. RingCentral's principal executive offices are located at 1400 Fashion Island Blvd., 7th Floor, San Mateo, California 94404.

The information provided in the question and answer format below is for your convenience only and is merely a summary of the information contained in this proxy statement. You should read this entire proxy statement carefully.

What matters am I voting on?

You will be voting on:

the election of two Class I directors to hold office until the 2017 annual meeting of stockholders or until their successors are duly elected and qualified;

a proposal to ratify the appointment of KPMG LLP as our independent registered public accounting firm for the year ending December 31, 2014; and

any other business that may properly come before the meeting.

How does the board of directors recommend I vote on these proposals?

The board of directors recommends a vote:

FOR the nominees for election as Class I directors;

FOR the ratification of the appointment of KPMG LLP as our independent registered public accounting firm for the year ending December 31, 2014;

Table of Contents

Will there be any other items of business on the agenda?

If any other items of business or other matters are properly brought before the Annual Meeting, your proxy gives discretionary authority to the persons named on the proxy card with respect to those items of business or other matters. The persons named in the proxy card intend to vote the proxy in accordance with their best judgment. Our board of directors does not intend to bring any other matters to be voted on at the Annual Meeting, and we are not currently aware of any matters that may be properly presented by others for action at the Annual Meeting.

Who is entitled to vote?

Holders of our Class A common stock and Class B common stock, as of the close of business on April 4, 2014, the record date, may vote at the Annual Meeting. We refer to the Class A common stock and the Class B common stock collectively as the common stock in this proxy statement. As of the record date, we had 28,013,633 shares of Class A common stock outstanding and 38,949,990 shares of Class B common stock outstanding. In deciding all matters at the Annual Meeting, each holder of our Class A common stock will be entitled to one (1) vote for each share of Class A common stock held on the record date, and each holder of Class B common stock will be entitled to ten (10) votes for each share of Class B common stock held as of the record date. The Class A common stock and Class B common stock will vote as a single class on all matters described in this proxy statement for which your vote is being solicited. No shares of our preferred stock were outstanding as of the record date. We do not have cumulative voting rights for the election of directors.

Registered Stockholders. If your shares are registered directly in your name with our transfer agent, you are considered the stockholder of record with respect to those shares, and this proxy statement was provided to you directly by us. As the stockholder of record, you have the right to grant your voting proxy directly to the individuals listed on the proxy card or to vote in person at the Annual Meeting.

Street Name Stockholders. If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name, and the proxy statement was forwarded to you by your broker or nominee, who is considered the stockholder of record with respect to those shares. As the beneficial owner, you have the right to direct your broker or nominee how to vote your shares. Beneficial owners are also invited to attend the Annual Meeting. However, since a beneficial owner is not the stockholder of record, you may not vote your shares in person at the Annual Meeting unless you follow your broker's procedures for obtaining a legal proxy. If you request a printed copy of the proxy materials by mail, your broker or nominee will provide a voting instruction card for you to use.

How do I vote?

There are four ways to vote:

by Internet at www.investorvote.com/RNG, 24 hours a day, seven days a week, until 11:59 p.m. on May 15, 2014 (have your proxy card in hand when you visit the website);

by toll-free telephone at 1-800-652-VOTE (8683) (have your proxy card in hand when you call);

Edgar Filing: RingCentral Inc - Form DEF 14A

by completing and mailing your proxy card, which shall be received by us no later than May 14, 2014 (if you received printed proxy materials); or

by written ballot at the Annual Meeting.

Table of Contents

Can I change my vote?

Yes. You can change your vote or revoke your proxy any time before the Annual Meeting by:

entering a new vote by Internet or by telephone;

returning a later-dated proxy card;

notifying the Corporate Secretary of RingCentral, Inc., in writing, at the address listed on the front page; or

completing a written ballot in person at the Annual Meeting.

What is the effect of giving a proxy?

Proxies are solicited by and on behalf of our board of directors. The persons named in the proxy have been designated as proxies by our board of directors. When proxies are properly dated, executed and returned, the shares represented by such proxies will be voted at the Annual Meeting in accordance with the instruction of the stockholder. If no specific instructions are given, however, the shares will be voted in accordance with the recommendations of our board of directors as described above. If any matters not described in the proxy statement are properly presented at the Annual Meeting, the proxy holders will use their own judgment to determine how to vote your shares. If the Annual Meeting is postponed or adjourned, the proxy holders can vote your shares on the new meeting date as well, unless you have properly revoked your proxy instructions, as described above.

What is a quorum?

A quorum is the minimum number of shares required to be present at the annual meeting for the meeting to be properly held under our bylaws and Delaware law. The presence, in person or by proxy, of a majority of all issued and outstanding shares of common stock entitled to vote at the meeting will constitute a quorum at the meeting. A proxy submitted by a stockholder may indicate that all or a portion of the shares represented by the proxy are not being voted (stockholder withholding) with respect to a particular matter. Similarly, a broker may not be permitted to vote stock (broker non-vote) held in street name on a particular matter in the absence of instructions from the beneficial owner of the stock. See *How may my brokerage firm or other intermediary vote my shares if I fail to provide timely directions?* The shares subject to a proxy that are not being voted on a particular matter because of either stockholder withholding or broker non-vote will count for purposes of determining the presence of a quorum. Abstentions are also counted in the determination of a quorum. If there is no quorum, a majority of the shares present at the Annual Meeting may adjourn the meeting to a later date.

How many votes are needed for approval of each matter?

Proposal One: The election of directors requires a plurality vote of the shares of common stock voted at the meeting. Plurality means that the individuals who receive the largest number of votes cast for are

elected as directors. As a result, any shares not voted for a particular nominee (whether as a result of a stockholder abstention or a broker non-vote) will not be counted in such nominee's favor and will have no effect on the outcome of the election. You may vote for or withhold on each of the nominations for election as a director.

Proposal Two: The ratification of the appointment of KPMG LLP must receive the affirmative vote of a majority of the shares present in person or by proxy at the meeting and entitled to vote

Table of Contents

thereon to be approved. Abstentions are considered votes cast and, thus, will have the same effect as a vote against the proposal. Broker non-votes will have no effect on the outcome of this proposal.

How are proxies solicited for the Annual Meeting?

The board of directors is soliciting proxies for use at the Annual Meeting. All expenses associated with this solicitation will be borne by us. We will reimburse brokers or other nominees for reasonable expenses that they incur in sending these proxy materials to you if a broker or other nominee holds your shares.

How may my brokerage firm or other intermediary vote my shares if I fail to provide timely directions?

Brokerage firms and other intermediaries holding shares of common stock in street name for customers are generally required to vote such shares in the manner directed by their customers. In the absence of timely directions, your broker will have discretion to vote your shares on our sole routine matter the proposal to ratify the appointment of KPMG LLP. Your broker will not have discretion to vote on the non-routine election of directors absent direction from you.

Is my vote confidential?

Proxy instructions, ballots, and voting tabulations that identify individual stockholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within RingCentral or to third parties, except as necessary to meet applicable legal requirements, to allow for the tabulation of votes and certification of the vote, or to facilitate a successful proxy solicitation.

Will members of the board of directors attend the Annual Meeting?

We encourage, but do not require, our board members to attend the Annual Meeting. Those that do attend will be available to answer appropriate questions from stockholders.

Where can I find the voting results of the Annual Meeting?

We will announce preliminary voting results at the Annual Meeting. We will also disclose voting results on a Current Report on Form 8-K that we will file with the SEC within four business days after the Annual Meeting. If final voting results are not available to us in time to file a Current Report on Form 8-K, we will file a Current Report on Form 8-K to publish preliminary results and will provide the final results in an amendment to the Form 8-K as soon as they become available.

I share an address with another stockholder, and we received only one paper copy of the proxy materials. How may I obtain an additional copy of the proxy materials?

We have adopted a procedure called householding, which the SEC has approved. Under this procedure, we deliver a single copy of the proxy materials and 2013 annual report to multiple stockholders who share the same address unless we received contrary instructions from one or more of the stockholders. This procedure reduces our printing costs, mailing costs, and fees. Stockholders who participate in householding will continue to be able to access and receive separate proxy cards. Upon written or oral request, we will deliver promptly a separate copy of the proxy materials and 2013 annual report to any stockholder at a shared address to which we delivered a single copy of any of these documents. To receive a separate copy, or, if you are receiving multiple copies, to request that RingCentral only send a single copy of the proxy materials and 2013 annual report, stockholders may contact us as follows:

Stockholder Proposals

Stockholders may present proper proposals for inclusion in our proxy statement and for consideration at the next annual meeting of stockholders by submitting their proposals in writing to our Corporate Secretary in a timely manner. For a stockholder proposal to be considered for inclusion in our proxy statement for our 2015 annual meeting of stockholders, our Corporate Secretary must receive the written proposal at our principal executive offices not later than December 6, 2014. In addition, stockholder proposals must comply with the requirements of Rule 14a-8 regarding the inclusion of stockholder proposals in company-sponsored proxy materials. Proposals should be addressed to:

RingCentral, Inc.

Attention: Corporate Secretary

1400 Fashion Island Blvd. 7th floor

San Mateo, California 94404

Email: ir@ringcentral.com

Our bylaws also establish an advance notice procedure for stockholders who wish to present a proposal before an annual meeting of stockholders but do not intend for the proposal to be included in our proxy statement. Our bylaws provide that the only business that may be conducted at an annual meeting is business that is (i) specified in our proxy materials with respect to such meeting, (ii) otherwise properly brought before the meeting by or at the direction of our board of directors, or (iii) properly brought before the meeting by a stockholder of record entitled to vote at the annual meeting who has delivered timely written notice to our Corporate Secretary, which notice must contain the information specified in our bylaws. To be timely for our 2015 annual meeting of stockholders, our Corporate Secretary must receive the written notice at our principal executive offices:

not earlier than January 25, 2015; and

not later than the close of business on February 24, 2015.

In the event that we hold our 2015 annual meeting of stockholders more than 30 days before or more than 60 days after the one-year anniversary date of the 2014 annual meeting, then notice of a stockholder proposal that is not intended to be included in our proxy statement must be received no earlier than the close of business on the 120th day before such annual meeting and no later than the close of business on the later of the following two dates:

the 90th day prior to such annual meeting; or

the 10th day following the day on which public announcement of the date of such meeting is first made.

Table of Contents

If a stockholder who has notified us of his or her intention to present a proposal at an annual meeting does not appear to present his or her proposal at such meeting, we are not required to present the proposal for a vote at such meeting.

Nomination of Director Candidates

You may propose director candidates for consideration by our nominating and corporate governance committee. Any such recommendations should include the nominee's name and qualifications for membership on our board of directors and should be directed to the Corporate Secretary of RingCentral at the address set forth above. For additional information regarding stockholder recommendations for director candidates, see Board of Directors and Corporate Governance Stockholder Recommendations for Nominations to the Board of Directors.

In addition, our bylaws permit stockholders to nominate directors for election at an annual meeting of stockholders. To nominate a director, the stockholder must provide the information required by our bylaws. In addition, the stockholder must give timely notice to our Corporate Secretary in accordance with our bylaws, which, in general, require that the notice be received by our Corporate Secretary within the time period described above under Stockholder Proposals for stockholder proposals that are not intended to be included in our proxy statement.

Availability of Bylaws

A copy of our bylaws may be obtained by accessing RingCentral's filings on the SEC's website at www.sec.gov. You may also contact our Corporate Secretary at our principal executive offices for a copy of the relevant bylaw provisions regarding the requirements for making stockholder proposals and nominating director candidates.

Table of Contents**PROPOSAL ONE****ELECTION OF DIRECTORS****General**

Our business affairs are managed under the direction of our board of directors, which is currently composed of six members. Five of our directors are independent within the meaning of the listing rules of the New York Stock Exchange, or NYSE. Our board of directors is divided into three staggered classes of directors. At each annual meeting of stockholders, a class of directors will be elected for a three-year term to succeed the same class whose term is then expiring.

Each director's term continues until the election and qualification of his or her successor, or his or her earlier death, resignation, or removal. Any increase or decrease in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of one-third of the directors. This classification of our board of directors may have the effect of delaying or preventing changes in control of our company.

The following table sets forth the names and certain other information for each of the nominees for election as a director and for each of the continuing members of the board of directors as of March 31, 2014.

Director Independence

Under the rules of the NYSE, independent directors must comprise a majority of a listed company's board of directors within a specified period of the completion of its initial public offering. In addition, the rules of the NYSE require that, subject to specified exceptions, each member of a listed company's audit, compensation and nominating and corporate governance committees be independent. Under the rules of the NYSE, a director is independent only if our board of directors makes an affirmative determination that the director has no material relationship with us.

Our board of directors undertook a review of its composition, the composition of its committees and the independence of each director. The determination of our board of directors was based upon information requested from and provided by each director concerning his background, employment and affiliations, including family relationships. In making this determination, our board of directors considered the relationships that each non-employee director has with us and all other facts and circumstances our board of directors deemed relevant in determining their independence, including the beneficial ownership of our capital stock by each non-employee director. Our board of directors has determined that all of the members of our board of directors, except our chief executive officer, Vladimir Shmunis, are independent directors as defined in the applicable NYSE rules.

Leadership Structure

Mr. Shmunis currently serves as both Chairman of our board of directors and Chief Executive Officer. Our board of directors believes that the current board leadership structure, coupled with a strong emphasis on board independence, provides effective independent oversight of management while allowing the board and management to benefit from Mr. Shmunis' leadership, company specific experience and years of experience as an executive in the technology industry. Serving on our board of directors and as Chief Executive Officer since our founding in 1999, Mr. Shmunis is best positioned to identify strategic priorities, lead critical discussion and execute our strategy and business plans.

Mr. Shmunis possesses detailed in-depth knowledge of the issues, opportunities, and challenges facing us. Independent directors and management sometimes have different perspectives and roles in strategy development. Our independent directors bring experience, oversight and expertise from outside of our company, while the Chief Executive Officer brings company specific experience and expertise. The board of directors believes that Mr. Shmunis combined role enables strong leadership, creates clear accountability, and enhances our ability to communicate our message and strategy clearly and consistently to stockholders.

Table of Contents

Lead Independent Director

Our corporate governance guidelines provide that one of our independent directors should serve as a lead independent director at any time when the Chairman is not independent. Because our Chief Executive Officer, Mr. Shmunis, is our Chairman, our board of directors has appointed Mr. Leone to serve as our lead independent director. In addition, from time to time, our lead independent director, Mr. Leone will preside over periodic meetings of our independent directors, serve as a liaison between our Chairman and the independent directors and perform such additional duties as our board of directors may otherwise determine and delegate.

Considerations in Evaluating Director Nominees

The nominating and corporate governance committee uses a variety of methods for identifying and evaluating director nominees. In its evaluation of directors candidates, the nominating and corporate governance committee will consider the current size and composition of the board of directors and the needs of the board of directors and the respective committees of the board of directors. Some of the qualifications that the nominating and corporate governance committee considers include, without limitation, issues of character, integrity, judgment, diversity of experience, independence, area of expertise, corporate experience, length of service, potential conflicts of interest and other commitments. The nominating and corporate governance committee requires the following minimum qualifications to be satisfied by any nominee for a position on our board of directors, (1) the highest personal and professional ethics and integrity, (2) proven achievement and competence in the nominee's field and the ability to exercise sound business judgment, (3) skills that are complementary to those of the existing members of our board of directors, (4) the ability to assist and support management and make significant contributions to the company's success, and (5) an understanding of the fiduciary responsibilities that are required of a member of our board of directors, and the commitment of time and energy necessary to diligently carry out those responsibilities. Other than the foregoing, there are no stated minimum criteria for director nominees, although the nominating and corporate governance committee may also consider such other factors as it may deem, from time to time, are in our and our stockholders' best interests. The nominating and corporate governance committee may also take such measures that it considers appropriate in connection with its evaluation of a director candidate, including candidate interviews, inquiry of the person or persons making the recommendation or nomination, engagement of an outside search firm to gather additional information, or reliance on the knowledge of the members of the nominating and corporate governance committee, the board of directors or management.

Although the board of directors does not maintain a specific policy with respect to board diversity, the board of directors believes that the board should be a diverse body, and the nominating and corporate governance committee considers a broad range of backgrounds and experiences. In making determinations regarding nominations of directors, the nominating and corporate governance committee may take into account the benefits of diverse viewpoints. The nominating and corporate governance committee also considers these and other factors as it oversees the annual board of director and committee evaluations. After completing its review and evaluation of director candidates, the nominating and corporate governance committee recommends to the full board of directors the director nominees for selection.

Stockholder Recommendations for Nominations to the Board of Directors

The nominating and corporate governance committee will consider candidates for director recommended by stockholders holding at least one percent (1%) of the fully diluted capitalization of the company continuously for at least twelve (12) months prior to the date of the submission of the recommendation, so long as such recommendations comply with the certificate of incorporation and bylaws of our company and applicable laws, rules and regulations, including those promulgated by the SEC. The committee will evaluate such recommendations in accordance with its charter, our bylaws, our policies and procedures for director candidates, as well as the regular nominee criteria described above. This process is designed to ensure that the board of directors includes members with diverse backgrounds, skills and experience, including appropriate financial and other expertise relevant to our business. Eligible stockholders wishing to recommend a candidate for nomination should contact our General Counsel or our Legal Department in writing. Such recommendations must include the information about the candidate, relevant qualifications, a signed letter from the candidate confirming willingness to serve, a statement of support by the recommending stockholder, information regarding any relationships between the candidate and the company and evidence of the recommending stockholder's ownership of company stock. The committee has discretion to decide which individuals to recommend for nomination as directors.

Table of Contents

A stockholder of record can nominate a candidate directly for election to the board of directors by complying with the procedures in Section 2.4 of our bylaws. Any eligible stockholder who wishes to submit a nomination should review the requirements in the bylaws on nominations by stockholders. Any nomination should be sent in writing to the company, attention of the Secretary, General Counsel or the Legal Department, at RingCentral, Inc., 1400 Fashion Island Blvd., 7th Floor, San Mateo, California 94404. Notice must be received by us no earlier than January 25, 2015 and no later than February 24, 2015 for our 2015 meeting. The notice must state the information required by Section 2.4(ii)(b) of our bylaws and otherwise must comply with applicable federal and state law. The Secretary of the Company will provide a copy of the Amended and Restated Bylaws upon request in writing from a stockholder.

This procedure does not apply to stockholder proposals submitted pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, as amended.

We also have reimbursed our directors for expenses associated with attending meetings of our board of directors and committees of our board of directors.

In September 2013, our board of directors, after reviewing data provided by our independent compensation consulting firm, Compensia, Inc., or Compensia, regarding practices at comparable companies, adopted a compensation program for non-employee directors to attract, retain and reward its qualified directors and align the financial interests of the non-employee directors with those of our stockholders. RATIFICATION OF APPOINTMENT OF

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The audit committee of the board of directors has appointed KPMG LLP (KPMG), independent registered public accountants, to audit our financial statements for the year ending December 31, 2014. During the year ended December 31, 2013, KPMG served as our independent registered public accounting firm.

Notwithstanding its selection and even if our stockholders ratify the selection, our audit committee, in its discretion, may appoint another independent registered public accounting firm at any time during the year if the audit committee believes that such a change would be in the best interests of RingCentral and its stockholders. At the Annual Meeting, the stockholders are being asked to ratify the appointment of KPMG as our independent registered public accounting firm for the year ending December 31, 2014. Our audit committee is submitting the selection of KPMG to our stockholders because we value our stockholders views on our independent registered public accounting firm and as a matter of good corporate governance. Representatives of KPMG will be present at the Annual Meeting, and they will have an opportunity to make statements and will be available to respond to appropriate questions from stockholders.

If the stockholders do not ratify the appointment of KPMG, the board of directors may reconsider the appointment.

The following table presents fees for professional audit services and other services rendered to our company by KPMG for the years ended December 31, 2012 and 2013.

Audit Committee Policy on Pre-Approval of Audit and Permissible Non-Audit Services of Independent Registered Public Accounting Firm

Consistent with requirements of the SEC and the Public Company Oversight Board, or PCAOB, regarding auditor independence, our audit committee is responsible for the appointment, compensation and oversight of the work of our independent registered public accounting firm. In recognition of this responsibility, our audit committee has established a policy for the pre-approval of all audit and permissible non-audit services provided by the independent registered public accounting firm. These services may include audit services, audit-related services and other services.

Table of Contents

All non-audit services were pre-approved by our Audit Committee, which concluded that the provision of such services by KPMG, was compatible with the maintenance of that firm's independence in the conduct of its auditing functions. The Audit Committee's pre-approval policy provides for the pre-approval of audit, audit-related and tax services specifically described by the Audit Committee on an annual basis, and unless a type of service is pre-approved under the policy, it will require separate pre-approval by the Audit Committee if it is to be provided by the independent registered public accounting firm. The policy authorizes the Audit Committee to delegate to one or more of its members pre-approval authority with respect to permitted services.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF KPMG LLP.

REPORT OF THE AUDIT COMMITTEE

The audit committee is a committee of the board of directors comprised solely of independent directors as required by the listing standards of the New York Stock Exchange and rules of the SEC. The audit committee operates under a written charter approved by the board of directors, which is available on the Investor Relations portion of our web site at *ir.ringcentral.com*. The composition of the audit committee, the attributes of its members and the responsibilities of the audit committee, as reflected in its charter, are intended to be in accordance with applicable requirements for corporate audit committees. The audit committee reviews and assesses the adequacy of its charter and the audit committee's performance on an annual basis.

With respect to the company's financial reporting process, the management of the company is responsible for (1) establishing and maintaining internal controls and (2) preparing the company's consolidated financial statements. Our independent registered public accounting firm, KPMG, is responsible for auditing these financial statements. It is the responsibility of the audit committee to oversee these activities. It is not the responsibility of the audit committee to prepare or certify our financial statements or guarantee the audits or reports of the independent auditors. These are the fundamental responsibilities of management and our independent registered public accounting firm. In the performance of its oversight function, the audit committee has:

reviewed and discussed the audited financial statements with management and KPMG;

discussed with KPMG the matters required to be discussed by the statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1. AU section 380), and as adopted by the Public Company Accounting Oversight Board in Rule 3200T; and

received the written disclosures and the letter from KPMG required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the audit committee concerning independence, and has discussed with KPMG its independence.

Based on the audit committee's review and discussions with management and KPMG, the audit committee recommended to the board of directors that the Company's audited financial statements be included in the Company's annual report on Form 10-K for the year ended December 31, 2013 filed with the Securities and Exchange Commission on February 26, 2014.

Compensation of Directors and Executive Officers

We are committed to providing appropriate cash and equity incentives to our management, our other key employees and our directors and intend to compensate our executive officers and directors in a manner consistent with a group of public companies that our compensation committee determines is appropriate for compensation-setting purposes. Our compensation committee, in consultation with Compensia, the compensation committee's independent compensation advisor, has reviewed the compensation arrangements, including salary, bonus and equity compensation, of our executive officers and directors from time to time, and makes adjustments, as it believes appropriate.

Non-Equity Incentive Plan Compensation

In February 2013, our board of directors, in consultation with our CEO and management team, approved a fiscal 2013 bonus opportunity under the Bonus Plan for making cash performance incentive awards to our executive officers, including our named executive officers.

For each quarter of fiscal 2013, the bonus pool under the Bonus Plan would fund based on our achievement against quarterly target levels of the following performance objectives (weighted 50% each): (i) revenues, and (ii) operating income (operating loss). In June 2013, our board of directors amended the Bonus Plan with respect to the last two quarters of fiscal 2013, such that target levels for revenues and operating income (operating loss) for the last two quarters of fiscal 2013 were to be based on the amended operating plan for fiscal 2013 that our board of directors approved in June 2013. The bonus pool under the Bonus Plan funds for each of these quarters based on our achievement against quarterly target levels of the following performance objectives (weighted 50% each): (i) revenues, and (ii) operating income (loss).

For the bonus pool under the Bonus Plan to fund for a given quarter, we had to achieve at least 90% of the quarterly revenue target and no more than 125% of the negative operating income (operating loss) target. The bonus pool would fund at up to 120% of target levels for achievement of 120% of target revenues and 83.3% of target operating loss. If the achievement percentage of any of the performance objectives exceeded these levels, our board of directors reserved the discretion to adjust the bonus pool upwards.

Following the end of the first two quarters, our board of directors reviewed, and following the end of the last two quarters, the compensation committee of our board of directors reviewed, our financial performance against the approved performance objectives under the Bonus Plan and approved cash payments for each of our named executive officers that were equal to the following percentages of his quarterly target incentive compensation amounts: 93.4% (first quarter), 100.3% (second quarter), 102.55% (third quarter) and 101.44% (fourth quarter).

The total cash incentive payments paid to our named executive officers for fiscal 2013 are described in the Non-Equity Incentive Compensation column of the 2013 Summary Compensation Table.

Executive Employment Arrangements***Vladimir Shmunis***

We entered into an employment letter with Vladimir G. Shmunis, our Chief Executive Officer, dated September 13, 2013. Mr. Shmunis' current base salary is \$475,000, and he is eligible to earn an annual incentive bonus of up to 75% of his base salary for the current fiscal year. The employment letter with Mr. Shmunis provides for a three-year employment term, and may be extended by mutual agreement at the end of the term, but either we or Mr. Shmunis may terminate the employment relationship with us at any time.

In addition, Mr. Shmunis is entitled under his employment letter to the following severance and change of control benefits upon certain qualifying terminations.

If prior to the period beginning three months prior to and ending 12 months after a change of control (such period, the Change of Control Period), Mr. Shmunis employment is terminated without cause (excluding by reason of death or disability) or he resigns for good reason (as such terms are defined in his change of control and severance agreement), he will be eligible to receive the following benefits if he timely signs and does not revoke a release of claims:

continued payment of base salary for a period of 12 months; and

Table of Contents

payment by us for up to 12 months of COBRA premiums to continue health insurance coverage for him and his eligible dependents, or taxable monthly payments for the equivalent period in the event payment for COBRA premiums would violate applicable law.

If, within the Change of Control Period, his employment is terminated without cause (excluding by reason of death or disability) or he resigns for good reason, he will be entitled to the following benefits if he timely signs a release of claims:

a lump sum payment equal to (x) 18 months of his annual base salary, plus (y) 1.5x the greater of his target annual bonus for the year of the change of control or the year of his termination;

payment by us for up to 18 months of COBRA premiums to continue health insurance coverage for him and his eligible dependents, or taxable monthly payments for the equivalent period in the event payment for COBRA premiums would violate applicable law; and

100% accelerated vesting of all outstanding equity awards.

In the event any of the amounts provided for under this letter or otherwise payable to Mr. Shmunis would constitute parachute payments within the meaning of Section 280G of the Internal Revenue Code and could be subject to the related excise tax, Mr. Shmunis would be entitled to receive either full payment of benefits under this letter or such lesser amount which would result in no portion of the benefits being subject to the excise tax, whichever results in the greater amount of after-tax benefits to Mr. Shmunis. The letter does not require us to provide any tax gross-up payments.

David Berman

We entered into an executive employment offer letter with David Berman, our President, dated June 10, 2013. The executive employment offer letter has no specific term and provides for at-will employment. Mr. Berman's current base salary is \$320,000, and he is eligible to earn an annual incentive bonus of up to 75% of his base salary for the current fiscal year.

On June 12, 2013, Mr. Berman was granted an option to purchase 768,000 shares of our Class B common stock at an exercise price of \$10.42 per share, which vests over four years, with 25% vesting on the one-year anniversary of the vesting commencement date, and the remaining shares subject to the option vesting in equal monthly installments thereafter, subject to his continuous service with us through each vesting date.

In addition, under the terms of his offer letter and option agreement, in the event that we terminate Mr. Berman within 60 days prior to a change in control (as such term is defined in his offer letter or option agreement) or he is not hired by the surviving or successor entity or within 12 months after the change in control, Mr. Berman is terminated by the successor or surviving entity without cause, death or disability, or he resigns for good reason (as such terms are defined in his offer letter and option agreement), and subject to his signing and not revoking a release of claims against us, then 50% of the then unvested shares subject to his options and other equity awards will immediately vest in full on the termination date and be exercisable for 90 days after his termination date.

Table of Contents

In the event we terminate Mr. Berman's employment without cause or he voluntarily terminates for good reason (as such terms are defined in his offer letter), he is eligible to receive (i) severance equal to his base salary multiplied by the number of full months of his employment from his start date to his termination date up to a maximum of six months, payable in equal semi-monthly installments and (ii) payment by us of COBRA premiums for a number of months equal to the number of full months of his employment from his start date to his termination date up to a maximum of six months, to continue health insurance coverage for him and his eligible dependents, subject to his signing our standard separation and release agreement.

Both options were granted to Mr. Hosein with an exercise price equal to \$12.86 per share.

In addition, under the terms of his offer letter and option agreement, in the event that we terminate Mr. Hosein within 60 days prior to a change in control (as such term is defined in his offer letter or option agreement) or he is not hired by the surviving or successor entity or within 12 months after the change in control, Mr. Hosein is terminated by the successor or surviving entity without cause, death or disability, or he resigns for good reason (as such terms are defined in his offer letter and option agreement), and subject to his signing and not revoking a release of claims against us, then 50% of the then unvested shares subject to his options and other equity awards will immediately vest in full on the termination date and be exercisable for 90 days after his termination date.

In the event we terminate Mr. Hosein's employment without cause or he voluntarily terminates for good reason (as such terms are defined in his offer letter), he is eligible to receive (i) severance equal to 12 months of his base salary, payable in equal semi-monthly installments and (ii) payment by us for up to nine months of COBRA premiums to continue health insurance coverage for him and his eligible dependents, subject to his signing our standard separation and release agreement.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

In addition to the compensation arrangements, including employment, termination of employment and change in control arrangements discussed above in the sections titled Board of Directors and Corporate Governance Non-Employee Director Compensation and Executive Compensation, the following is a description of each transaction since January 1, 2013 and each currently proposed transaction in which:

we have been or are to be a participant;

the amount involved exceeded or exceeds \$120,000; and

any of our directors, executive officers, or holders of more than 5% of our capital stock, or any immediate family member of, or person sharing the household with, any of these individuals, had or will have a direct or indirect material interest.

Investor Rights Agreement

We are party to an investor rights agreement which provides, among other things, that certain holders of our common stock, including stockholders affiliated with some of our directors, have the right to request that we file a registration statement or request that their shares be covered by a registration statement that we are otherwise filing.

Limitation of Officer and Director Liability and Indemnification Arrangements

Our certificate of incorporation and bylaws each provide that we will indemnify our directors and officers, and may indemnify our employees and other agents, to the fullest extent permitted by the Delaware General Corporation Law, which prohibits our certificate of incorporation from limiting the liability of our directors for the following:

any breach of the director's duty of loyalty to us or to our stockholders;

acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law;

unlawful payment of dividends or unlawful stock repurchases or redemptions; or

any transaction from which the director derived an improper personal benefit.

If Delaware law is amended to authorize corporate action further eliminating or limiting the personal liability of a director, then the liability of our directors will be eliminated or limited to the fullest extent permitted by Delaware law, as so amended. Our certificate of incorporation will not eliminate a director's duty of care and, in appropriate circumstances, equitable remedies, such as injunctive or other forms of non-monetary relief, remain available under Delaware law. This provision also does not affect a director's responsibilities under any other laws, such as the federal

securities laws or other state or federal laws. Under our bylaws, we will also be empowered to purchase insurance on behalf of any person whom we are required or permitted to indemnify.

In addition to the indemnification required in our certificate of incorporation and bylaws, we have entered into indemnification agreements with each of our current directors and executive officers. These agreements provide for the indemnification of our directors and executive officers for certain expenses and

liabilities incurred in connection with any action, suit, proceeding or alternative dispute resolution mechanism, or hearing, inquiry or investigation that may lead to the foregoing, to which they are a party, or are threatened to be made a party, by reason of the fact that they are or were a director, officer, employee, agent or fiduciary of our company, or any of our subsidiaries, by reason of any action or inaction by them while serving as an officer, director, agent or fiduciary, or by reason of the fact that they were serving at our request as a director, officer, employee, agent or fiduciary of another entity. Under the indemnification agreements, indemnification will only be provided in situations where the indemnified parties acted in good faith and in a manner they reasonably believed to be in or not opposed to our best interest, and, with respect to any criminal action or proceeding, to situations where they had no reasonable cause to believe the conduct was unlawful. In the case of an action or proceeding by or in the right of our company or any of our subsidiaries, no indemnification will be provided for any claim where a court determines that the indemnified party is prohibited from receiving indemnification. We believe that these bylaw provisions and indemnification agreements are necessary to attract and retain qualified persons as directors and officers. We also maintain directors' and officers' liability insurance.

The limitation of liability and indemnification provisions in our certificate of incorporation and bylaws may discourage stockholders from bringing a lawsuit against directors for breach of their fiduciary duties. They may also reduce the likelihood of derivative litigation against directors and officers, even though an action, if successful, might benefit us and our stockholders. A stockholder's investment may be harmed to the extent we pay the costs of settlement and damage awards against directors and officers pursuant to these indemnification provisions. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to our directors, officers and controlling persons pursuant to the foregoing provisions, or otherwise, we have been advised that, in the opinion of the SEC, such indemnification is against public policy as expressed in the Securities Act, and is, therefore, unenforceable. There is no pending litigation or proceeding naming any of our directors or officers as to which indemnification is being sought, nor are we aware of any pending or threatened litigation that may result in claims for indemnification by any director or officer.

Other than as described above under this section titled "Certain Relationships and Related Person Transactions," since January 1, 2013, we have not entered into any transactions, nor are there any currently proposed transactions, between us and a related party where the amount involved exceeds, or would exceed, \$120,000, and in which any related person had or will have a direct or indirect material interest. We believe the terms of the transactions described above were comparable to terms we could have obtained in arm's-length dealings with unrelated third parties.

Policies and Procedures for Related Party Transactions

We have adopted a policy that our executive officers, directors, nominees for election as a director, beneficial owners of more than 5% of any class of our common stock and any members of the immediate family of any of the foregoing persons are not permitted to enter into a related person transaction with us without the prior consent of our audit committee. Any request for us to enter into a transaction with an executive officer, director, nominee for election as a director, beneficial owner of more than 5% of any class of our common stock or any member of the immediate family of any of the foregoing persons, in which the amount involved exceeds \$120,000 and such person would have a direct or indirect interest must first be presented to our audit committee for review, consideration and approval. In approving or rejecting any such proposal, our audit committee considers the material facts of the transaction, including, but not limited to, whether the transaction is on terms no less favorable than terms generally available to an unaffiliated third party under the same or similar circumstances and the extent of the related person's interest in the transaction.

OTHER MATTERS

Section 16(A) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires that our executive officers and directors, and persons who own more than 10% of our common stock, file reports of ownership and changes of ownership with the SEC. Such directors, executive officers and 10% stockholders are required by SEC regulation to furnish us with copies of all Section 16(a) forms they file.

SEC regulations require us to identify in this proxy statement anyone who filed a required report late during the most recent year. Based on our review of forms we received, or written representations from reporting persons stating that they were not required to file these forms, we believe that during 2013, all Section 16(a) filing requirements were satisfied on a timely basis.
