Price to Public (Issue Price): 100.000%

Optional Redemption: At any time on and after December 15, 2023 (three months prior to their March 15, 2024 maturity date), the Issuer may redeem some or all of the notes, at a redemption price equal to 100% of the principal amount of the notes to be redeemed plus accrued and unpaid interest on the principal amount being redeemed to the redemption date.

The issuer may also redeem all, but not less than all, of the notes, at a redemption price equal to 100% of the principal amount of the notes plus accrued and unpaid interest to the redemption date, in the event of certain changes in United States tax laws.

Change of Control Repurchase: Upon the occurrence of a change of control triggering event (which involves the occurrence of both a change of control and a below investment grade rating of the notes by Moody's and S&P), the Issuer will be required, unless the Issuer has exercised its option to redeem the notes, to make an offer to purchase the notes at a price equal to 101% of the principal amount plus accrued and unpaid interest to the date of repurchase.
