Item 1.01 Entry into a Material Definitive Agreement.

Agreement with Starboard Value LP

On September 16, 2018, Symantec Corporation (the Company) entered into an agreement (the Agreement) with Starboard Value LP and certain of its affiliates (collectively, Starboard), regarding, among other things, the membership and composition of the Company's Board of Directors (the Board) and committees thereof. Based upon Starboard's Schedule 13D filings, the Company believes Starboard beneficially owns approximately 5.8% of the Company's outstanding common stock.

Pursuant to the Agreement, the Company agreed (i) to immediately increase the size of the Board from 11 directors to 13 directors and appoint Peter A. Feld and Dale L. Fuller (collectively, the Initial Starboard Appointees) to the Board; (ii) to nominate the Initial Starboard Appointees for election as members of the Board at the Company's 2018 annual meeting of stockholders (the 2018 Annual Meeting); (iii) that Robert S. Miller and Geraldine B. Laybourne will not stand for reelection as directors at the 2018 Annual Meeting; (iv) within 30 days after the 2018 Annual Meeting, to appoint (a) Richard S. Rick Hill to the Board (Mr. Hill, together with the Initial Starboard Appointees, the Starboard Directors) and (b) an additional director to the Board who will be selected by the then-appointed Board from a list of candidates mutually agreed by the Company and Starboard pursuant to the procedures described in the Agreement (the Additional Director and, together with the Starboard Directors, the New Directors); (v) to reconstitute the membership of the Board's committees as described in Item 5.02 of this Current Report on Form 8-K; and (vi) to provide Mr. Hill with customary Board observer rights until the date that Mr. Hill is appointed to the Board.

With respect to the 2018 Annual Meeting, Starboard has agreed to, among other things, vote all shares of the Company's common stock beneficially owned by Starboard in favor of the Company's director nominees and, subject to certain conditions, vote in accordance with the Board's recommendations on all other proposals.

In the event that the Company does not hold the 2018 Annual Meeting before December 4, 2018, at such time, Mr. Miller and Ms. Laybourne will resign from the Board and Mr. Hill will be appointed to the Board. If the Company does not hold the 2018 Annual Meeting before January 4, 2019, at such time, Starboard (instead of the Board) will be entitled to select the Additional Director from the mutually-agreed list and such Additional Director will be appointed to the Board.

Starboard also agreed to certain customary standstill provisions, effective as of the date of the Agreement through the earlier of (x) 15 business days prior to the deadline for the submission of stockholder nominations for the Company's 2019 annual meeting of stockholders and (y) 90 days prior to the first anniversary of the 2018 Annual Meeting (the Standstill Period), prohibiting it from, among other things: (i) soliciting proxies or consents with respect to securities of the Company, (ii) entering into a voting agreement or forming, joining or participating in a group with other stockholders of the Company, other than certain affiliates of Starboard, (iii) seeking or submitting or encouraging any person to submit nominees in furtherance of a contested solicitation for the appointment, election or removal of directors, (iv) submitting any proposal for consideration by stockholders of the Company at any annual or special meeting of stockholders or through any written consent, soliciting a third party to make an acquisition proposal, commenting on any third-party acquisition proposal or calling or seeking a special meeting of stockholders or act by written consent, or (v) making any acquisition offer, soliciting or encouraging any third party to make an acquisition offer or commenting on any acquisition offer. During the Standstill Period, unless otherwise agreed between the Company and Starboard, any newly-formed Board committee will include at least one Starboard Director and the size of the Board will not exceed 13 directors.

If at any time Starboard beneficially owns less than 3.0% of the Company's then-outstanding common stock (the Minimum Ownership Threshold), Mr. Feld (or, if Mr. Feld is no longer serving on the Board, the substitute Starboard employee director who replaced Mr. Feld) will immediately resign from the Board. During the Standstill Period, and for so long as Starboard satisfies the Minimum Ownership Threshold, if any Starboard Director ceases to be a director

for any reason, Starboard may recommend a substitute director who must meet certain criteria specified in the Agreement. Similarly, if the Additional Director ceases to be a director for any reason during the Standstill Period and while Starboard satisfies the Minimum Ownership Threshold, the Board will select a substitute from a list of candidates mutually agreed between the Company and Starboard.

The Company and Starboard also made certain customary representations, agreed to mutual confidentiality and non-disparagement provisions and agreed to jointly issue a press release announcing certain terms of the Agreement. The Company also agreed to reimburse Starboard for its reasonable, documented out-of-pocket fees and expenses (including legal fees) incurred in connection with Starboard's involvement with the Company through the date of the Agreement.

The foregoing summary of the Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Agreement, a copy of which is filed with this Current Report on Form 8-K as Exhibit 10.01 and is incorporated herein by reference.
