REPORT ON REVIEW BY INDEPENDENT CERTIFIED PUBLIC ACCOUNTANT

To the Board of Directors
Force Protection, Inc. and Subsidiary

We have reviewed the accompanying consolidated balance sheet of Force Protection, Inc., and Subsidiary (formerly known Sonic Jet Performance, Inc.) as of September 30, 2004 and the related statements of consolidated operations for the three and nine months ended September 30, 2004 and 2003 and the consolidated statements of cash flows for the nine months ended September 30, 2004 and 2003 included in the accompanying Securities and Exchange Commission Form 10-QSB for the period ended September 30, 2004. These consolidated financial statements are the responsibility of the Company's management.

We conducted our reviews in accordance with standards established by the American Institute of Certified Public Accountants. A review of interim financial information consists principally of applying analytical procedures to financial data and making inquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with auditing standards generally accepted in the United States and standards of the PCAOB, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Edgar Filing: FORCE PROTECTION INC - Form 10QSB

Based on our reviews, we are not aware of any material modifications that should be made to the accompanying financial statements for them to be in conformity with accounting principles generally accepted in the United States.

The accompanying financial statements have been prepared assuming that the Company will continue as a going concern. As discussed in Note 1, conditions exist which raise substantial doubt about the Company's ability to continue as a going concern unless it is able to generate sufficient cash flows to meet its obligations and sustain its operations. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.

We have previously audited, in accordance with auditing standards generally accepted in the United States, the balance sheet as of December 31, 2003, and the related consolidated statements of operations, stockholders' equity and cash flows for the year then ended (not presented herein). In our report dated March 2, 2004, we expressed an unqualified opinion on those financial statements. In our opinion, the information set forth in the accompanying balance sheet as of September 30, 2004 is fairly stated in all material respects in relation to the balance sheet from which it has been derived.
