Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On September 30, 2008, Piper Jaffray & Co. ("Borrower"), a wholly owned subsidiary of Piper Jaffray Companies (the "Company"), entered into a Loan Agreement (the "Loan Agreement") with U.S. Bank National Association ("Lender"). The Loan Agreement establishes a committed revolving credit facility pursuant to which Borrower may obtain advances from Lender. The facility replaces an existing uncommitted revolving credit facility and will be used by Borrower in the ordinary course of business to fund a portion of Borrower's daily operations.

The maximum principal amount of advances that Borrower may obtain under the Loan Agreement is \$250 million, which amount will vary daily based on Borrower's funding needs and may include days in which no principal amount is advanced. The advances will be secured by certain marketable securities of Borrower. Interest on any outstanding advances will be payable monthly at an annual rate equal to the Cost of Funds Rate plus the Applicable Margin (each as defined in the Loan Agreement), and the unpaid principal amount of all advances under the Loan Agreement will be due on September 25, 2009. Advances may be prepaid in whole or in part at any time without penalty.

Upon the occurrence of an event of default under the Loan Agreement, Lender may accelerate the repayment of all outstanding advances thereunder. The following constitute events of default by Borrower under the Loan Agreement: (a) failure to pay principal when due, or interest within five days of it becoming due; (b) failure to maintain sufficient pledged securities to support all outstanding advances; (c) default of any other obligation under the Loan Agreement (or related agreements) that remains uncured for 15 days after notice from Lender; (d) inaccuracy in any representation or warranty when made or deemed made; (e) bankruptcy and insolvency related-events; (f) a default in the payment of any other indebtedness in excess of \$1 million that is not timely cured as provided under the applicable agreement, or the acceleration of any such indebtedness; (g) the entrance of judgments against the applicable borrower or the Company in excess of \$1 million, if such judgments shall not have been satisfied, vacated, discharged or stayed pending appeal within 30 days after the entry thereof; and (h) if the Loan Agreement (or any related agreement) ceases to be in full force and effect or has its validity contested by the applicable borrower or the Company.
