Item 1.01. Entry into a Material Definitive Agreement

Today, Ashland Inc. ("Ashland") entered into a stock trading plan with
Credit Suisse Securities (USA) LLC (the "Plan") pursuant to Rule 10b5-1

Edgar Filing: ASHLAND INC. - Form 8-K

under the Securities Exchange Act of 1934. Under the Plan, up to 6 million of the 7 million shares authorized for repurchase under a stock repurchase program approved by Ashland's board of directors today and described in greater detail in Item 8.01 below may be repurchased. The Plan will become effective on September 25, 2006, and end on or before March 31, 2007. The Plan is intended to permit Ashland to repurchase stock when it might otherwise be prohibited from trading its own stock. The foregoing description of the Plan is not complete and is qualified in its entirety by reference to the complete Plan, which is attached hereto as Exhibit 10.1 and is incorporated by reference herein.

Item 8.01. Other Items

Today, Ashland's board of directors declared a special cash dividend of \$10.20 per share that will be payable on October 25, 2006, to shareholders of record as of October 10, 2006. The Ashland board also authorized the repurchase of up to an additional 7 million shares of the company's common stock, to be made from time to time in the open market.

Substantially all of the after-tax proceeds from the sale of Ashland Paving And Construction, Inc. were used to fund the completion of the prior repurchase authorization, and will be used to fund the additional 7-million-share repurchase authorization and the special cash dividend. After-tax proceeds, after adjustment for changes in working capital and certain other accounts, are estimated to total \$1.28 billion.

Because of the magnitude of the special cash dividend, the New York Stock Exchange has determined that the ex-dividend date will be October 26, 2006, the business day following the payable date for the special cash dividend. Ashland shareholders of record on the October 10, 2006, record date who subsequently sell their shares of common stock through the payable date for the special dividend will also be selling their right to receive such dividend. The special cash dividend is expected to be taxable to shareholders at the dividend tax rate and will not be considered a return of capital. Shareholders are encouraged to consult with their financial advisors regarding the circumstances of their individual tax situation.

The special cash dividend and the share repurchase authorization are described in greater detail in the press release attached hereto as Exhibit 99.1 and incorporated by reference herein.
