Explanation of Responses:

* If the form is filed by more than one reporting person, *see* Instruction 4(b)(v).

** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. *See* 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

Vesting of Performance Share Units ("PSUs") is contingent on the reporting person's continued employment with Flagstone Reinsurance Holdings SA (the "Company") and the Company meeting certain fully diluted return-on-equity ("FDROE") goals. Upon vesting, the PSU

(1) holder is entitled to receive a number of common shares of the Company (or the cash equivalent, at the election of the Company) equal to the product of the number of PSUs granted multiplied by a factor based on the Company's FDROE during the vesting period. The factor ranges between 0.5 and 1.5, depending on the FDROE achieved during the vesting period.

The PSUs vested on January 1, 2011; however, settlement of any shares took place following the calculation of the factor described in footnote (1). The factor used to determine the number of common shares awarded was determined following the filing of the Company's annual report on Form 10-K on March 2, 2011. The expiration date assumes that the Company would settle these PSUs within three months of the vesting date.

(3) Based on the FDROE achieved during the relevant period, the number of common shares awarded was determined by multiplying the number of PSUs by a factor of 1.5.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
