2008 ANNUAL MEETING OF STOCKHOLDERS

PROXY STATEMENT

This proxy statement is furnished in connection with the solicitation of proxies by the board of directors of Gulfstream International Group, Inc., a Delaware corporation (the Company), to be voted at the 2008 Annual Meeting of Stockholders of the Company (the annual meeting or the meeting) and any adjournment or postponement of the meeting. The meeting will be held at the Gulfstream International Airlines Headquarters located at 3201 Griffin Road, Ft. Lauderdale, Florida on Monday, June 9, 2008, at 11:00 a.m. Eastern Time, for the purposes contained in the accompanying Notice of Annual Meeting of Stockholders and in this proxy statement. This proxy statement and the accompanying proxy will be first sent or given to stockholders on or about May 9, 2008.

ABOUT THE MEETING

Why Did I Receive This Proxy Statement?

Because you were a stockholder of the Company as of May 5, 2008 (the Record Date) and are entitled to vote at the annual meeting, the board of directors is soliciting your proxy to vote at the meeting.

This proxy statement summarizes the information you need to know to vote at the meeting. This proxy statement and form of proxy were first mailed to stockholders on or about May 9, 2008.

What Am I Voting On?

You are voting on the election of six directors for one-year terms expiring at the conclusion of the annual meeting in 2009 (see page 5)

How Do I Vote?

Stockholders of Record: If you are a stockholder of record, there are two ways to vote:

.

by completing and returning your proxy card; or

.

by written ballot at the meeting.

Street Name Holders: Shares which are held in a brokerage account in the name of the broker are said to be held in street name. If your shares are held in street name, you should follow the voting instructions provided by your broker. You may complete and return a voting instruction card to your broker, or, in many cases, your broker may also allow you to vote via the telephone or internet. Check your proxy card for more information. If you hold your shares in street name and wish to vote at the meeting, you must obtain a legal proxy from your broker and bring that proxy to the meeting.

Regardless of how your shares are registered, if you complete and properly sign the accompanying proxy card and return it to the address indicated, it will be voted as you direct.

What Are the Voting Recommendations of the Board of Directors?

The board of directors recommends that you vote FOR each of the nominees as directors named in this proxy statement.

Unless you give contrary instructions on your proxy card, the persons named as proxy holders will vote your shares in accordance with the recommendations of the board of directors.

Will Any Other Matters Be Voted On?

We do not know of any other matters that will be brought before the stockholders for a vote at the annual meeting. If any other matter is properly brought before the meeting, your signed proxy card gives authority to Thomas A. McFall and David F. Hackett to vote on such matters in their discretion.

Who Is Entitled to Vote at the Meeting?

Only stockholders of record at the close of business on the Record Date are entitled to receive notice of and to participate in the annual meeting. If you were a stockholder of record on that date, you will be entitled to vote all of the shares that you held on that date at the meeting, or any postponements or adjournments of the meeting.

How Many Votes Do I Have?

You will have one vote for every share of Gulfstream International Group, Inc. common stock you owned on the Record Date.

How Many Votes Can Be Cast by All Stockholders?

2,959,600 consisting of one vote for each share of Gulfstream International Group, Inc. common stock outstanding on the Record Date. There is no cumulative voting.

How Many Votes Must Be Present to Hold the Meeting?

The holders of a majority of the aggregate voting power of Gulfstream International Group, Inc.'s common stock outstanding on the Record Date, or 1,479,800 votes, must be present in person, or by proxy, at the meeting in order to constitute a quorum necessary to conduct the meeting.

If you vote, your shares will be part of the quorum. Abstentions and broker non-votes will be counted in determining the quorum. A broker non-vote occurs when a bank or broker holding shares in street name submits a proxy that states that the broker does not vote for some or all of the proposals because the broker has not received instructions from the beneficial owners on how to vote on the proposals and does not have discretionary authority to vote in the absence of instructions.

We urge you to vote by proxy even if you plan to attend the meeting so that we will know as soon as possible that a quorum has been achieved.

What Vote Is Required to Approve the Proposal?

In the election of directors, the affirmative vote of a plurality of the votes present in person or by proxy and entitled to vote at the meeting is required. A proxy that has properly withheld authority with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for the purpose of determining whether there is a quorum.

If a broker indicates on the proxy that it does not have discretionary authority as to certain shares to vote on a particular matter, those shares will not be considered as present and entitled to vote with respect to the matter.

Can I Change My Vote?

Yes. Just send in a new proxy card with a later date or send a written notice of revocation to the Company's Corporate Secretary at the address on the cover of this proxy statement. Also, if you attend the meeting and wish to vote in person, you may request that your previously submitted proxy not be used.

How Can I Access Gulfstream International Group, Inc. s Proxy Materials and Annual Report Electronically?

This proxy statement is available in the Investors section of the Company s website, which can be accessed from the Company s homepage at <http://www.gulfstreamair.com> by selecting Investors followed by SEC Filings.

Who Can Attend the Annual Meeting?

Any Gulfstream International Group, Inc. stockholder as of May 5, 2008 may attend the meeting. If you own shares in street name, you should ask your broker or bank for a legal proxy to bring with you to the meeting. If you do not receive the legal proxy in time, bring your most recent brokerage statement so that we can verify your ownership of the Company s stock and admit you to the meeting. However, you will not be able to vote your shares at the meeting without a legal proxy.

If you return a proxy card without indicating your vote, your shares will be voted as follows: (i) for each of the nominees for director named in this proxy statement; and (ii) in accordance with the recommendation of management on any other matter that may properly be brought before the meeting and any adjournment of the meeting.

Board of Directors

Currently, the Company has authorized a seven-member board of directors. All of the directors hold office until the next annual meeting of stockholders or until their successors are duly qualified.

The Board of Directors held four meetings during the fiscal year which ended December 31, 2007. During 2007, each director attended at least 75% of the aggregate of the regular meetings of the Board of Directors and meetings of the committees of the board on which he served. The Company did not hold an annual meeting during 2007. In connection with our initial public offering and with respect to other matters relating to the Company, our directors discharged their responsibilities throughout 2007, not only at such Board of Directors and committee meetings, but through personal meetings and communications with members of management and others.

Director Independence

The Company periodically reviews the independence of each director. Pursuant to this review, the directors and officers of the Company, on an annual basis, are required to complete and forward to the Corporate Secretary a detailed questionnaire to determine if there are any transactions or relationships between any of the directors, officers and the Company (including immediate family and affiliates). If any transactions or relationships exist, the Company then considers whether such transactions or relationships are inconsistent with a determination that the director is independent in accordance with the listing standards of the American Stock Exchange. Pursuant to this process, the board of directors has determined that Messrs. Abramowitz, Arnold, Lutin and Schreiber qualify as independent directors.

Board Committees

We have established an Audit Committee consisting of Mr. Arnold, who chairs the committee, and Messrs. Lutin and Schreiber, all of whom we believe qualify as independent directors under the American Stock Exchange rules. The American Stock Exchange listing standards define financially literate as being able to read and understand financial statements, including a company's balance sheet, income statement and cash flow statement. The Audit Committee is governed by a written charter, available in the Corporate Governance section of the Company's website which can be accessed from the Company's homepage at <http://www.gulfstreamair.com> by selecting Corporate Governance, which must be reviewed, and amended if necessary, on an annual basis. Under the charter, the Audit Committee is required to meet at least four times a year and is responsible for reviewing the independence, qualifications and quality control procedures of our independent auditors, and is responsible for recommending the initial or continued retention, or a change in, our independent auditors. In addition, the Audit Committee is required to review and discuss with the Company's management and independent auditors our financial statements and our annual and quarterly reports, as well as the quality and effectiveness of the Company's internal control procedures and critical accounting policies. The Audit Committee's charter also requires the Audit Committee to review potential conflict of interest situations, including transactions with related parties, and to discuss with the Company's management other matters related to the Company's external and internal audit procedures. The Audit Committee will

adopt a pre-approval policy for the provision of audit and non-audit services performed by our independent auditors. We believe Mr. Arnold is a financial expert as defined under the Securities and Exchange Act of 1934 and as required by the American Stock Exchange. The Audit Committee held one meeting in 2007.

We have also established a Compensation Committee consisting of Mr. Schreiber, who chairs the committee, and Messrs. Abramowitz and Lutin, all of whom we believe qualify as independent directors under the American Stock Exchange rules. The Compensation Committee is governed by a written charter, available in the Corporate Governance section of the Company's Website which can be accessed from the Company's homepage at <http://www.gulfstreamair.com> by selecting Corporate Governance. The Compensation Committee is responsible for making recommendations to the board of directors regarding compensation arrangements for our executive officers, including annual bonus compensation, and consults with our management regarding compensation policies and practices. The Compensation Committee also makes recommendations concerning the adoption of any compensation plans in which management is eligible to participate, including the granting of stock options or other benefits under those plans. The Compensation Committee did not hold any meetings in 2007.

We have also established a Nominating and Corporate Governance Committee consisting of Mr. Lutin, who chairs the committee, and Messrs. Arnold and Abramowitz, all of whom we believe qualify as independent directors under the American Stock Exchange rules. The Nominating and Corporate Governance Committee is governed by a written charter, available in the Corporate Governance section of the Company's Website which can be accessed from the Company's homepage at <http://www.gulfstreamair.com> by selecting Corporate Governance. The Nominating and Corporate Governance Committee submits to the board of directors a proposed slate of directors for submission to the stockholders at our annual meeting, recommends director candidates in view of pending additions, resignations or retirements, develops criteria for the selection of directors, reviews suggested nominees received from stockholders and reviews corporate governance policies and recommends changes to the full board of directors. The Nominating and Corporate Governance Committee did not hold any meetings in 2007.

Selection of Nominees for the Board of Directors

The Nominating and Corporate Governance Committee is responsible for identifying and recommending to the board of directors candidates to serve as members of the board of directors. The Nominating and Corporate Governance Committee has not adopted specific, minimum qualifications that nominees must meet in order for the committee to recommend them to the board of directors, but rather each nominee is individually evaluated based on his or her individual merits, taking into account the needs of the Company and the composition of the board of directors.

The Nominating and Corporate Governance Committee will consider candidates submitted from a variety of sources (including, without limit, incumbent directors, stockholders, Company management and third-party search firms) when reviewing candidates to fill vacancies and/or expand the board of directors. The committee will then evaluate each potential candidate's educational background, employment history, outside commitments and other relevant factors to determine whether he/she is potentially qualified to serve on the board of directors. The committee will seek to identify and recruit the best available candidates, and will endeavor to evaluate qualified stockholder nominees on the same basis as those submitted by members of the board of directors, third-party search firms or other sources.

After completing this process, the committee will determine whether one or more candidates are sufficiently qualified to warrant further investigation. If the process yields one or more desirable candidates, the committee will rank them by order of preference, depending on their respective qualifications and the Company's needs. The committee chair, or another director designated by the committee chair, will then contact the preferred candidate(s) to evaluate their

potential interest and to set up interviews with the full committee. All such interviews will be held in person, to the extent possible, and will include only the candidate and the committee members. Based upon interview results and appropriate background checks, the committee will decide whether it will recommend the candidate's nomination to the full board of directors.

The committee may, in its discretion, choose, from time to time, to use additional resources (including independent third-party search firms) if it determines that such resources could enhance a particular director search.

Any stockholder wishing to submit a candidate for consideration should send the following information to the Corporate Secretary, Gulfstream International Group, Inc., 3201 Griffin Road, 4th Floor, Ft. Lauderdale, Florida 33312:

.
Stockholder's name, number of shares owned, length of period held, and proof of ownership;

.
Name, age and address of candidate;

.
A detailed resume describing among other things the candidate's educational background, occupation, employment history, and material outside commitments (e.g., memberships on other boards and committees, charitable foundations, etc.);

.
A supporting statement which describes the candidate's reasons for seeking election to the board of directors, and documents his/her ability to serve on the board of directors;

.
Any information relating to the candidate that is required to be disclosed in the solicitation of proxies for election of directors;

.
A description of any arrangements or understandings between the stockholder and the candidate;

.
Any other information that would be useful to the committee in considering the candidate; and

.
A signed statement from the candidate, confirming his/her willingness to serve on the board of directors.

The Corporate Secretary will forward such materials to the committee chair and the Chairman of the Board. The Corporate Secretary will also maintain copies of such materials for future reference by the committee when filling board of directors' positions.

Stockholders may submit potential director candidates at any time pursuant to these procedures. The committee will consider such candidates if a vacancy arises or if the board of directors decides to expand its membership, and at such other times as the committee deems necessary or appropriate. Separate procedures apply, as provided in the Bylaws, if

a stockholder wishes to submit at an annual meeting a director candidate that is not approved by the committee or the board of directors. See STOCKHOLDER PROPOSALS beginning on page 20.

Process by Which Security Holders May Send Communications to the Board of Directors

The board of directors believes it is important for holders of our securities to be able to send written communications to the board of directors and is in the process of preparing and adopting a policy regarding the submission of such communications. Until such policy is formally adopted, any stockholder wishing to send communications to the board of directors should send the written communication and the following information to our Corporate Secretary, Gulfstream International Group, Inc., 3201 Griffin Road, 4th Floor, Ft. Lauderdale, Florida 33312:

.
stockholder's name, number of shares of Common Stock owned, length of period held, and proof of ownership;

.
name, age, business and residential address of stockholder; and

.
any individual director or committee to which the stockholder would like to have the written statement and other information sent.

The Corporate Secretary, or his or her designee, will collect and organize all of such stockholder communications as he or she deems appropriate and, at least once each year, forward these materials to the Chairman of the Board, any committee chair or individual director. The Corporate Secretary may refuse to forward material which he or she determines in good faith to be scandalous, threatening or otherwise inappropriate for delivery. The Corporate Secretary will also maintain copies of such materials.

.

Based upon the aforementioned review, discussions and representations of Rotenberg Meril Solomon Bertiger & Guttilla, and the unqualified audit opinion presented by Rotenberg Meril Solomon Bertiger & Guttilla on the Financial Statements, the Committee recommended to the board of directors that the Financial Statements be included in the Company's Annual Report on Form 10-K.

Reflects options awarded under our Stock Incentive Plan. These options vest and become exercisable in 20% increments starting on the grant date and 20% on each anniversary of the grant date, except that all of Mr. Hackett's unvested options as of December 14, 2007 were accelerated based on the Company's completion of its initial public offering of common stock. Agreements with Named Executive Officers

David F. Hackett On March 14, 2006, Mr. Hackett and our wholly-owned subsidiary, Gulfstream International Airlines, Inc. (Gulfstream), entered into an Executive Employment Agreement, pursuant to which, among other things, Mr. Hackett is to serve as President of Gulfstream for an initial term of two years, subject to automatic one-year extensions absent mutual amendment of the terms or termination by either party as set forth therein. Mr. Hackett is entitled to a base salary of \$132,000 (as increased to reflect increases in the consumer price index and at the discretion of the board of directors) and a quarterly bonus equal to 1.75% during the first year of the initial term and 2.25% for subsequent years of Gulfstream's annual pre-tax income which amount is paid quarterly on a trailing twelve month basis, as determined by the board of directors and excluding non-recurring gains and losses. In the event of Mr. Hackett's death during the term of the agreement, Mr. Hackett's salary and incentive bonus will be paid to his designated beneficiary, estate or other legal representative for six months following his death. In the event of Mr. Hackett's disability during the term of the agreement, Mr. Hackett will be entitled to receive no less than six months' salary and incentive bonus following such disability. This disability payment is in addition to other long-term disability benefits provided by us to Mr. Hackett. For the purposes of this agreement, disability is deemed to have occurred if Mr. Hackett is unable by reason of sickness, disease or accident to substantially perform his duties under the agreement for an aggregate of six months in any one-year period, or if he has a guardian of his person or estate appointed by a court.

Upon termination of the agreement without cause by Gulfstream, Mr. Hackett will be entitled to benefits for the remainder of the initial or then-current renewal term of the agreement and compensation in the form of base salary and incentive bonus payments for one year thereafter. For the purposes of this agreement, cause is defined as (i) repeated failure or refusal to reasonably cooperate with a governmental investigation of Gulfstream; (ii) willfully committing or participating in any act or omission which constitutes willful misconduct, fraud, misrepresentation, embezzlement or dishonesty that is materially injurious to Gulfstream; (iii) committing or participating in any other act or omission wantonly, willfully, recklessly or in a manner which was grossly negligent that is materially injurious to the company, monetarily or otherwise; (iv) engaging in a criminal enterprise involving moral turpitude; (v) any crime resulting in a conviction, which constitutes a felony in the jurisdiction involved (other than a motor vehicle felony that does not result in his incarceration); (vi) any loss of any state or federal license required for Mr. Hackett to perform his material duties or responsibilities for Gulfstream; or (vii) any material breach of the employment agreement by Mr. Hackett.

Mr. Hackett has the right to terminate the agreement upon 30 days notice for one year after any change in control. Our obligations to make payments to Mr. Hackett following such a termination are described more fully in Potential Payments Upon Termination or Change In Control, beginning on page 15. Pursuant to his employment agreement, Mr. Hackett agrees to a covenant not to compete during the term of the agreement and for a period of one year thereafter in the territory of Florida, the Bahamas and portions of Cuba. Mr. Hackett also agrees to maintain the confidentiality of certain information in certain circumstances.

Thomas P. Cooper

On August 7, 2003, Mr. Thomas P. Cooper and Gulfstream entered into an Executive Employment Agreement, pursuant to which, among other things, Mr. Cooper serves as Senior Vice President, Legal Affairs, or such other position as the board of directors of Gulfstream determines, for an initial term of three years, subject to automatic one-year extensions absent mutual amendment of the terms or termination by either party as set forth therein. Mr. Cooper is entitled to a base salary of \$98,100 (as increased to reflect increases in the consumer price index or at the discretion of the board of directors of Gulfstream) and to a bonus equal to 1% of Gulfstream's annual pre-tax income which amount is paid quarterly on a trailing twelve month basis, excluding non-recurring gains and losses. In the event of Mr. Cooper's death during the term of the agreement; Mr. Cooper's salary and incentive bonus will be paid to his designated beneficiary, estate or other legal representative for six months following his death. In the event of Mr. Cooper's disability during the term of the agreement, Mr. Cooper will be entitled to receive no less than six months' salary following such disability. This disability payment is in addition to other long-term disability benefits provided by us to Mr. Cooper. For the purposes of this agreement, disability is deemed to have occurred if Mr. Cooper is unable by reason of sickness, disease or accident to substantially perform his duties under the agreement for an aggregate of six months in any one year period, or if he has a guardian of his person or estate appointed by a court.

Upon termination of the agreement without cause by Gulfstream, Mr. Cooper will be entitled to benefits for the remainder of the initial or then-current renewal term of the agreement and base salary for one year plus one month for each year of service with Gulfstream. For the purposes of this agreement, cause is defined as (i) willfully committing or participating in any act or omission which constitutes willful misconduct, fraud, misrepresentation, embezzlement or dishonesty that is materially injurious to Gulfstream; (ii) committing or participating in any other act or omission wantonly, willfully, recklessly or in a manner which was grossly negligent that is materially injurious to the company, monetarily or otherwise; (iii) engaging in a criminal enterprise involving moral turpitude; (iv) any crime resulting in a conviction, which constitutes a felony in the jurisdiction involved (other than a motor vehicle felony that does not result in his incarceration); (v) any loss of any state or federal license required for Mr. Cooper to perform his material duties or responsibilities for Gulfstream; or (vi) any material breach of the employment agreement by Mr. Cooper.

Mr. Cooper has the right to terminate the agreement upon 30 days notice for one year after any change in control. Our obligations to make payments to Mr. Cooper following such a termination are described more fully in Potential Payments Upon Termination or Change In Control, beginning on page 15. Pursuant to his employment agreement, Mr. Cooper agrees to a covenant not to compete during the term of the agreement and for a period of six months thereafter in the territory of Florida and the Bahamas (unless terminated without cause by the Gulfstream, in which case the noncompetition obligations of Mr. Cooper will end upon his termination). Mr. Cooper also agrees to maintain the confidentiality of certain information in certain circumstances.

Paul Stagias

On April 6, 2006, Mr. Stagias and the Academy entered into an Executive Employment Agreement, pursuant to which, among other things, Mr. Stagias serves as President of the Academy. The agreement has an initial term of two years, followed by automatic one-year extensions, unless otherwise terminated by either party. Mr. Stagias is entitled to a base salary of \$85,000 and a quarterly bonus equal to 0.5% of the Academy's gross student revenue plus 1.5% of operating income of the Academy. Subject to limited exceptions, this bonus is payable only if gross revenues of the Academy are equal to or greater than \$800,000 dollars per quarter. In the event of Mr. Stagias's death during the term of the agreement, Mr. Stagias's salary and incentive bonus will be paid to his designated beneficiary, estate or other legal representative for two months following his death.

Upon termination of the agreement by the Academy without cause, Mr. Stagias will be entitled to benefits for the remainder of the initial or then-current renewal term of the agreement and compensation for three months. For the purposes of this agreement, cause is defined as (i) willfully committing or participating in any act or omission which constitutes willful misconduct, fraud, misrepresentation, embezzlement or dishonesty that is materially injurious to the Academy; (ii) committing or participating in any other act or omission wantonly, willfully, recklessly or in a manner which was grossly negligent that is materially injurious to the company, monetarily or otherwise; (iii) engaging in a criminal enterprise involving moral turpitude; (iv) any crime resulting in a conviction, which constitutes a felony in the jurisdiction involved (other than a motor vehicle felony that does not result in his incarceration); (v) any loss of any state or federal license required for Mr. Stagias to perform his material duties or responsibilities for the Academy; or (vi) any material breach of the employment agreement by Mr. Stagias. Pursuant to this employment agreement, Mr. Stagias agrees to a covenant not to compete and non-disclosure provisions in certain circumstances.

Thomas L. Cooper

On March 14, 2006, Thomas L. Cooper and Gulfstream entered into an Executive Employment Agreement, pursuant to which, among other things, Mr. Cooper served as Chief Executive Officer of Gulfstream for an initial term of one year and currently serves as Chairman Emeritus of Gulfstream. Mr. Cooper is entitled to a base salary of \$100,000 (as increased to reflect increases in the consumer price index or at the discretion of the Gulfstream board of directors). In the event of Mr. Cooper's death during the term of the agreement, Mr. Cooper's salary will be paid to his designated beneficiary, estate or other legal representative for six months following his death. In the event of Mr. Cooper's disability during the term of the agreement, Mr. Cooper will be entitled to receive no less than six months' salary following such disability. This disability payment is in addition to other long-term disability benefits provided by us to Mr. Cooper. For the purposes of this agreement, disability is deemed to have occurred if Mr. Cooper is unable by reason of sickness, disease or accident to substantially perform his duties under the agreement for an aggregate of six months in any one year period, or if he has a guardian of his person or estate appointed by a court.

Upon termination of the agreement without cause by Gulfstream, Mr. Cooper will be entitled to benefits for the remainder of the initial or then-current renewal term of the agreement and base salary for six months thereafter. For the purposes of this agreement, cause is defined as (i) repeated failure or refusal to reasonably cooperate with a governmental investigation of Gulfstream; (ii) willfully committing or participating in any act or omission which constitutes willful misconduct, fraud, misrepresentation, embezzlement or dishonesty that is materially injurious to Gulfstream; (iii) committing or participating in any other act or omission wantonly, willfully, recklessly or in a manner which was grossly negligent that is materially injurious to the company, monetarily or otherwise; (iv)

engaging in a criminal enterprise involving moral turpitude; (v) any crime resulting in a conviction, which constitutes a felony in the jurisdiction involved (other than a motor vehicle felony that does not result in his incarceration); (vi) any loss of any state or federal license required for Mr. Cooper to perform his material duties or responsibilities for Gulfstream; or (vii) any material breach of the employment agreement by Mr. Cooper.

Mr. Cooper has the right to terminate the agreement upon 30 days notice for one year after any change in control. Our obligations to make payments to Mr. Cooper following such a termination are described more fully in Potential Payments Upon Termination or Change In Control. Pursuant to this employment agreement, Mr. Cooper agrees to a covenant not to compete during the term of the agreement and for a period of three years thereafter in the territory of Florida, the Bahamas and portions of Cuba (unless terminated without cause by the Gulfstream, in which case the noncompetition obligations of Mr. Cooper pursuant to the employment agreement will end upon his termination). Mr. Cooper also agrees to maintain the confidentiality of certain of Gulfstream's information in certain circumstances.

Employee Benefit Plans

Stock Incentive Plan. Our Stock Incentive Plan was adopted by our board of directors and approved by our stockholders in 2006. Our plan provides for the granting of incentive stock options, non-incentive stock options, SARs, cash-based awards, or other stock-based awards to those of our employees, directors or consultants who are selected by our board of directors. The plan authorizes 350,000 shares of our common stock to be issued under the plan. As of the date of this prospectus, we have awarded options to certain of our officers for an aggregate of 210,324 shares of our common stock. The compensation committee administers the plan.

On the date of the grant, the exercise price must equal at least 100% of the fair market value in the case of incentive stock options, or 110% of the fair market value with respect to optionees who own at least 10% of the total combined voting power of all classes of stock. The fair market value is determined by computing the arithmetic mean of our high and low stock prices on a given determination date. The exercise price on the date of grant is determined from time to time by the board of directors in the case of non-qualified stock options. This price needs not be uniform for all recipients of non-qualified stock options and must not be less than 100% of the fair market value.

SARs granted under the plan are subject to the same terms and restrictions as the option grants and may be granted independent of, or in connection with, the grant of options. The board of directors determines the exercise price of SARs. A SAR granted independent of an option entitles the participant to payment in an amount equal to the excess of the fair market value of a share of our common stock on the exercise date over the exercise price per share, times the number of SARs exercised. A SAR granted in connection with an option entitles the participant to surrender an unexercised option and to receive in exchange an amount equal to the excess of the fair market value of a share of our common stock over the exercise price per share for the option, times the number of shares covered by the option which is surrendered. Fair market value is determined in the same manner as it is determined for options.

The board of directors may also grant awards of stock, restricted stock and other awards valued in whole or in part by reference to the fair market value of our common stock. These stock-based awards, in the discretion of the board of directors, may be, among other things, subject to completion of a specified period of service, the occurrence of an event or the attainment of performance objectives. Additionally, the board of directors may grant awards of cash, in values to be determined by the compensation committee. If any awards are in excess of \$1,000,000 such that Section 162(m) of the Internal Revenue Code applies, the board of directors must alter its compensation practices to ensure that compensation deductions are permitted.

Awards granted under the plan are generally not transferable by the participant except by will or the laws of descent and distribution, and each award is exercisable, during the lifetime of the participant, only by the participant or his or her guardian or legal representative, unless permitted by the board of directors.

Options granted under the plan will vest as provided by the board of directors at the time of the grant. The board of directors may provide for accelerated vesting or termination in exchange for cash of any outstanding awards or the issuance of substitute awards upon consummation of a change in control, as defined in the plan. The currently outstanding options vest 20% on the date of grant and then ratable at 20% per year over the next four years. The options expire on the date determined by the board of directors but may not extend more than ten years from the grant date. Incentive stock options also include certain other terms necessary to assure compliance with the Internal Revenue Code of 1986, as amended. For the purposes of the plan, a change in control is defined as (i) the purchase or other acquisition (other than from the Company) by any person, entity or group of persons, within the meaning of § 13(d) or § 14(d) of the Securities Exchange Act of 1934, as amended (the Exchange Act) (excluding, for this purpose, the Company or its subsidiaries or any employee benefit plan of the Company or its subsidiaries), of beneficial

ownership (within the meaning of Rule 13d-3 promulgated under the Exchange Act) of 51% or more of either the outstanding shares of our common stock or the combined voting power our outstanding voting securities entitled to vote generally in the election of directors, each as of the time the Stock Incentive Plan was entered into; or (ii) individuals who constituted the board of directors at the time the Stock Incentive Plan was entered into cease for any reason to constitute at least a majority of the board of directors, except for the election of any person who becomes a director subsequent to such date whose election, or nomination for election by our stockholders, was approved by a vote of at least a majority of the directors then comprising the incumbent board of directors (other than an individual whose initial assumption of office is in connection with an actual or threatened election contest relating to the election of directors); or (iii) approval by our stockholders of a reorganization, merger or consolidation, in each case with respect to which persons who were the stockholders of the Company immediately prior to such reorganization, merger or consolidation do not, immediately thereafter, own more than 50% of, respectively, the common stock and the combined voting power entitled to vote generally in the election of directors of the reorganized, merged or

consolidated corporation's then outstanding voting securities, or of a liquidation or dissolution of the Company or of the sale of all or substantially all of the assets of the Company.

The plan may be amended, altered, suspended or terminated by the administrator at any time. We may not alter the rights and obligations under any award granted before amendment of the plan without the consent of the affected participant. Unless terminated sooner, the plan will terminate automatically in 2016.

401(k) Plan. We established a 401(k) retirement savings plan in 1996. Each of our participating employees may contribute to the 401(k) plan, through payroll deductions, up to 50% on a pre-tax basis of his or her compensation, subject to limits imposed by federal law. Beginning on July 1, 2006, we matched 25% of the first 4% contributed by participants. We may make additional contributions to the 401(k) plan in amounts determined by our board of directors. Employees may elect to invest their contributions in various established mutual funds. All amounts contributed by employee participants are fully vested at all times. The amounts matched by the Company are vested 25% in the first year of employment, 50% in the second year of employment, 75% in the third year of employment, and 100% in and after the fourth year of employment. For the years ended December 31, 2006 and 2007, administrative expenses paid to our third-party provider related to the 401(k) plan were approximately \$5,400 and \$6,400, respectively.

Potential Payments Upon Termination Or Change-In-Control

The named executive officers are entitled to payments upon termination or change-in-control as set forth in their respective employment agreements, with the exception of Robert Brown. The board of directors provides payments to named executive officers upon termination or change of control in order to give them some degree of financial

protection in the event of certain events occurring. The payments to which each named executive officer is eligible is roughly proportionate to such named executive officer's level of total compensation.

Payments Made Upon Termination

In the event that a named executive officer's employment terminates for reasons of voluntary termination, early retirement, involuntary not-for-cause termination, termination following a change of control of the Company and in the event of disability or death of the executive, he is entitled to receive amounts earned during his term of employment. Such amounts include:

- .
- quarterly bonus earned for any completed fiscal quarter for Mr. Hackett and Mr. Thomas P. Cooper;
- .
- vested options awarded under our Stock Incentive Plan;
- .
- vested amounts contributed under our 401(k) plan; and
- .
- pay in lieu of unused vacation.

Payments Made Upon Death or Disability

In the event of the death or disability of a named executive officer, each named executive officer is entitled to certain benefits as described in their employment agreements described in Agreements with Named Executive Officers. The Company does not maintain a disability plan.

Payments Made Upon a Change in Control

Change in Control of the Company

In the event of a change in control of the Company, the board of directors or a committee thereof may provide for accelerated vesting or termination of any outstanding stock options issued under the Stock Incentive Plan in exchange for a cash payment, or the issuance of substitute awards to substantially preserve the terms of any option awards previously granted under the Stock Incentive Plan. A description of the events giving rise to a change in control for purposes of the Stock Incentive Plan is set forth in Executive Compensation Employee Benefit Plans Stock Incentive Plan on page 14.

Change in Control of Gulfstream

Pursuant to the employment agreements between the Company and each named executive officer, with the exception of Robert Brown, we are obligated to make certain payments to such executive if his employment is terminated following a change in control of Gulfstream (as defined below) (other than termination by Gulfstream for cause or by reason of death or disability) or if he terminates his employment within one year after the occurrence of a change in control of Gulfstream, as follows:

.

continued payment of base salary and incentive bonus payments, in the case of Mr. Hackett one year following termination of the executive's employment, in the case of Mr. Thomas L. Cooper six months following termination of the executive's employment and in the case of Mr. Thomas P. Cooper one year following termination of executive's employment plus one additional month for each year of service to the Company; and

.

continued medical and life insurance benefits for the balance of the initial term of the applicable employment agreement.

Generally, pursuant to the agreements, a change in control of Gulfstream means a change in control (A) as set forth in Section 280G of the Internal Revenue Code; or (B) of a nature that would be required to be reported in response to Item 2.01 of a current report on Form 8-K pursuant to Section 13 or 15(d) of the Securities Exchange Act, as in effect on the date of the relevant agreement, including upon any of the following:

.

any person (as such term is used in Section 13(d) and 14(d) of the Exchange Act) other than the executive is or becomes the beneficial owner (as defined in Rule 13d-3 under the Exchange Act), directly or indirectly, of securities of the Company representing fifty percent (50%) or more of the combined voting power of the Company's outstanding securities then having the right to vote as elections of directors;

.

the individuals who at the effective date of the applicable employment agreement constitute the board of directors cease for any reason to constitute a majority thereof, unless the election, or nomination for election, of each new

director was approved by a vote of at least two-thirds (2/3) of the directors then in office who were directors at the effective date of the applicable employment agreement;

.

there is a failure to elect a majority of the board of directors from candidates nominated by management of the Company to the board of directors; or

.

the business of Gulfstream for which the executive's services are principally performed is disposed of by Gulfstream pursuant to a partial or complete liquidation of Gulfstream, a sale of assets (including stock of a subsidiary of Gulfstream) or otherwise.

A change in control is deemed not to have occurred on either of the following circumstances:

.

where all or any portion of the stock of Gulfstream is offered through an initial or subsequent public offering; and/or

.

where the executive gives his explicit written waiver stating that for the purposes of the relevant portions of his employment agreement, a change in control shall not be deemed to have occurred.

In the event that the executive's employment is terminated for any reason other than cause within one year following an attempted change in control, the executive shall be entitled to the same benefits and compensation as though he was terminated in the year following a change in control. An attempted change in control is deemed to have occurred if any substantial attempt, accompanied by significant work efforts and expenditures of money, is made to accomplish a change in control, whether or not such attempt is made with the approval of a majority of the board of directors.

DIRECTORS COMPENSATION

The Company uses a combination of cash and stock-based incentive compensation to attract and retain qualified candidates to serve on the board of directors. In setting director compensation, the Company considers the significant amount of time that Directors expend in fulfilling their duties to the Company as well as the skill level required by the Company with respect to members of the board of directors.

Compensation for our directors in 2007 was as follows:

Name	Fees Earned or Paid in Cash	Stock Awards	Option Awards	Non-Equity Incentive Plan Compensation	Nonqualified Deferred Compensation Earnings	All Other Compensation	Total
Thomas A. McFall ⁽²⁾							
Gary P. Arnold							
Daniel H. Abramowitz	\$20,000		\$4,400				\$24,400
David F. Hackett ⁽¹⁾							
Douglas E. Hailey ⁽²⁾							
Barry S. Lutin							
Richard R. Schreiber	\$20,000		\$4,400				\$24,400

(1)

Mr. Hackett is not compensated for his service as a director. Our compensation of Mr. Hackett as President and Chief Executive Officer is disclosed in the Summary Compensation Table above.

(2)

Mr. McFall and Mr. Hailey chose to forego compensation for service as directors prior to the IPO.

Following our IPO in December 2007, each director receives an annual fee of \$20,000. Each director receives an additional \$5,000 for each committee on which he serves as Chairman per year, \$3,000 for each committee on which he serves as a member (but not as a Chairman) per year and \$500 for each meeting such director attends that is not in conjunction with a regularly scheduled meeting of the board of directors. We reimburse members of our board for travel related expenditures related to their services to us. Each director will also be entitled to participate in our Stock Incentive Plan. It is expected that new directors will be granted options on the date that they begin service exercisable at the then-current market value.

Limitation of Liability and Indemnification

Our bylaws provide that we have the power to indemnify our directors, officers and employees against claims arising in connection with their actions in such capacities. We currently have a directors and officers liability insurance policy that insures such persons against the costs of defense, settlement or payment of a judgment under certain circumstances. We believe that these indemnification and liability provisions are essential to attracting and retaining qualified persons as officers and directors.

In addition, our certificate of incorporation provides that the liability of our directors for monetary damages relating to breach of fiduciary duty will be eliminated to the fullest extent permissible under the General Corporation Law of the State of Delaware. Each director will continue to be subject to liability for any breach of the director's duty of loyalty to us, for acts or omissions not in good faith or involving intentional misconduct or knowing violations of law, for unlawful stock purchases or redemptions and for any transaction from which the director derived an improper personal benefit. This provision does not affect a director's responsibilities under any other laws, such as the federal securities laws or state or federal environmental laws.

We have entered into separate indemnification agreements with each of our directors and officers. Under these agreements, we are required to indemnify against all expenses, judgments, fines, settlements and other amounts actually and reasonably incurred, in connection with any actual, or any threatened, proceeding if any of them may be made a party because he or she is or was one of our directors or officers. We are obligated to pay these amounts only if the officer or director acted in good faith and in a manner that he or she reasonably believed to be in or not opposed to our best interests. With respect to any criminal proceeding, we are obligated to pay these amounts only if the officer or director had no reasonable cause to believe that his or her conduct was unlawful. The indemnification agreements also set forth procedures that will apply in the event of a claim for indemnification under such agreements.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Since January 1, 2007, there has not been, nor is there currently planned, any transaction or series of similar transactions to which we were or are a party in which the amount involved exceeds \$120,000 and in which any director, executive officer or holder of more than 5% of our common stock or any member of such persons immediate families had or will have a direct or indirect material interest other than the transactions described below.

The Nominating and Corporate Governance Committee has responsibility for establishing and maintaining guidelines relating to any related party transactions between the Company and any of our officers or directors. Under our Code of Ethics, which can be accessed from our homepage at <http://www.gulfstreamair.com> by selecting Corporate Governance, any conflict of interest between a director or officer and the Company must be referred to the Nominating and Corporate Governance Committee for approval. The Company intends to adopt written guidelines for the Nominating and Corporate Governance Committee which will set forth the requirements for review and approval of any related party transactions.

The transactions reported in the following sections Management Services Agreement, Property Lease, Cuba Operations, Indemnification and Employment Agreements, and Other Services were not entered into pursuant to a formal policy of the Company regarding related party transactions. Each transaction below was entered into prior to our IPO in December 2007.

Management Services Agreement

On March 14, 2006, we entered into a management services agreement with Weatherly Group, LLC (Weatherly), one of the entities which formed us for the purpose of acquiring Gulfstream and the Academy. Under this agreement, Weatherly agreed to provide advisory and management services to us in consideration of an annual management fee of \$200,000, payable in monthly installments of \$16,667, and financial advisory fees based on a formula if we merge with or acquire another company. The agreement expires on March 13, 2011. Mr. McFall, a director of the Company, serves as chairman of Weatherly and Mr. Hailey, another director of the Company, serves as a principal of Weatherly.

We believe that the management service fees we have negotiated are normal and customary. However, because we did not attempt to negotiate with any unrelated third party to provide such management services, we can provide no assurances that these fees are at least as favorable as those we could have negotiated with an unrelated third party in an arms length transaction.

Underwriter s Agreement

Taglich Brothers, Inc. (Taglich) served as underwriter in our initial public offering pursuant to an underwriting agreement dated December 13, 2007. Pursuant to the underwriting agreement, Taglich received fees totaling \$588,800, and warrants to purchase up to 64,000 shares of our common stock. Mr. Hailey, one of our directors, was issued a warrant to purchase up to 19,250 shares of our common stock, as a Managing Director of Taglich. The warrants are exercisable during the four-year period commencing on December 17, 2008 at a price per share equal to \$9.60 and allow for cashless exercise. The warrants provide for registration rights, including a one-time demand registration right and unlimited piggyback registration rights, and customary anti-dilution provisions for stock dividends, splits, and recapitalizations.

Property Lease

We lease the Gulfstream and Academy headquarters from EYW Holdings, Inc., an entity controlled in part by Thomas L. Cooper, the former Chief Executive Officer and current Chairman Emeritus of Gulfstream, and Thomas P. Cooper, an officer of Gulfstream, for a combined rent of approximately \$33,000 per month. This corresponds to a price per square foot of approximately \$24.29, which was consistent with lease rates for comparable commercial space at the time this arrangement was entered into.

Cuba Operations

GAC, a related company which is owned by Thomas L. Cooper, the former Chief Executive Officer and current Chairman Emeritus of Gulfstream, operates charter flights between Miami and Havana.

Pursuant to a services agreement between Gulfstream and GAC dated August 8, 2003 and amended on March 14, 2006, Gulfstream provides use of its aircraft, flight crews, the Gulfstream name, insurance, and service personnel, including passenger, ground handling, security, and administrative. Gulfstream also maintains the financial records for GAC. Pursuant to the March 14, 2006 amended agreement, Gulfstream receives 75% of the net income generated by GAC's Cuban charter operation. Prior to March 14, 2006, Gulfstream received all of the net income generated up to a cumulative total of \$1 million, and then 75% thereafter.

Income provided under the service agreement amounted to \$836,000 for 2007 and as of December 31, 2007, GAC owed Gulfstream \$640,000.

This profit-sharing arrangement resulted from arms-length negotiations with the principal selling stockholder in connection with our acquisition of Gulfstream and the Academy.

Other Services

We lease equipment and obtain consulting services from entities controlled by Thomas L. Cooper and Thomas P. Cooper, our Senior Vice President of Legal Affairs and Secretary. The amount paid during 2007 was approximately \$114,000.

Indemnification and Employment Agreements

Our bylaws provide that we may indemnify our directors, officers and employees against claims arising in connection with their actions in such capacities. We currently have a directors' and officers' liability insurance policy that insures such persons against the costs of defense, settlement or payment of a judgment under certain circumstances. We believe that these indemnification and liability provisions are essential to attracting and retaining qualified persons as officers and directors. We have also entered into employment agreements with our named executive officers. See [Agreements with Named Executive Officers](#).

We have entered into indemnification agreements with our directors and executive officers. Under these agreements, we are required to indemnify them against all expenses, judgments, fines, settlements and other amounts actually and reasonably incurred, in connection with any actual, or any threatened, proceeding if any of them may be made a party because he or she is or was one of our directors or officers. We are obligated to pay these amounts only if the officer or director acted in good faith and in a manner that he or she reasonably believed to be in or not opposed to our best interests. With respect to any criminal proceeding, we are obligated to pay these amounts only if the officer or director had no reasonable cause to believe that his or her conduct was unlawful. The indemnification agreements also set forth procedures that will apply in the event of a claim for indemnification under such agreements.

In addition, our certificate of incorporation provides that the liability of our directors for monetary damages will be eliminated to the fullest extent permissible under the General Corporation Law of the State of Delaware. Each director will continue to be subject to liability for any breach of the director's duty of loyalty to us, for acts or omissions not in good faith or involving intentional misconduct or knowing violations of law, for unlawful stock purchases or redemptions and for any transaction from which the director derived an improper personal benefit. This provision also does not affect a director's responsibilities under any other laws, such as the federal securities laws or state or federal environmental laws.

FEES PAID TO INDEPENDENT AUDITORS

Audit Fees. The aggregate fees for professional services rendered by Rotenberg Meril Soloman Bertiger & Guttilla, P.C. for the audit of the Company's financial statements included in the Company's annual report on Form 10-K for the year ended December 31, 2007 were approximately \$230,000. In addition, the Company incurred fees of approximately \$705,000 in connection with the initial public offering that became effective in December 2007.

Audit-Related Fees. There were no audit-related fees paid to, or services rendered by Rotenberg Meril Soloman Bertiger & Guttilla, P.C. in 2007 and 2006.

Tax Fees. There were no fees paid to, or services rendered by, Rotenberg Meril Soloman Bertiger & Guttilla, P.C. for tax compliance or tax consulting in 2007 and 2006.

All Other Fees. There were no other fees paid to, or services rendered by, Rotenberg Meril Soloman Bertiger & Guttilla, P.C. in 2007 and 2006.

Policy Regarding Pre-Approval of Services Provided by the Independent Auditors

The Audit Committee Charter requires the committee's pre-approval of all services, both audit and permitted non-audit, to be performed for the Company by the independent auditors. In determining whether proposed services are permissible, the committee considers whether the provision of such services is compatible with maintaining auditor independence. As part of its consideration of proposed services, the committee may (i) consult with management as part of the decision making process, but may not delegate this authority to management, and (ii) delegate, from time to time, its authority to pre-approve such services to one or more committee members, provided that any such approvals are presented to the full committee at the next scheduled Audit Committee meeting.

The percentage of hours expended on the principal accountant's engagement to audit the Company's financial statements for the fiscal year ended December 31, 2007 that were attributable to work performed by persons other than the principal accountant's full-time, permanent employees was less than 50%.

STOCKHOLDER PROPOSALS

The Company's amended and restated bylaws provide that stockholders seeking to bring business before an annual meeting of stockholders, or to nominate candidates for election as directors at an annual meeting of stockholders, must provide timely notice in writing. To be timely, a stockholder's notice must be delivered to or mailed and received at the Company's principal executive offices not more than 120 days or less than 90 days before the anniversary date of the immediately preceding annual meeting of stockholders, or between February 9, 2009 and March 11, 2009 in the case of the 2009 annual meeting. However, if no annual meeting was held in the previous year or if the annual meeting is called for a date that is not within 30 days before or after the anniversary date, notice by the stockholder must be received before the close of business on the 10th day after the date on which notice of the date of the annual meeting was mailed to stockholders or made public, whichever first occurs. The Company's amended and restated bylaws specify the requirements for the form and content of a stockholder's notice. These provisions may preclude stockholders from bringing matters before an annual meeting of stockholders or from making nominations for directors at an annual meeting of stockholders.

Stockholder proposals intended to be presented at the 2009 annual meeting must be received at the Company's principal executive office no later than February 9, 2009, in order to be included in the Company's proxy statement and proxy relating to that meeting. The Company will determine whether to include such proposal in accordance with regulations governing the solicitation of proxies.

CODE OF ETHICS

The Company has a Code of Ethics and Business Conduct Policy (Code of Ethics) that applies to all of its directors, officers, and employees, including its senior financial officers. A copy of the Code of Ethics is available in the Corporate Governance section of the Company's website, which can be accessed from the homepage at <http://www.gulfsteamair.com> by selecting Corporate Governance. We will post any amendments to the Code of Ethics in the same section of the Company's website.

OTHER MATTERS

Management intends to bring before the meeting only the matters specifically described above and knows of no other matters to come before the meeting. If any other matters or motions properly come before the meeting, it is the intention of the persons named in the accompanying proxy to vote such proxy in accordance with the recommendation of management on such matters or motions, including any matters dealing with the conduct of the meeting.

SOLICITATION OF PROXIES

The Company will bear the cost of the solicitation of proxies for the meeting. The Company are requesting that brokerage houses, banks, custodians, nominees and fiduciaries forward the proxy material to beneficial owners and their reasonable expenses of forwarding will be reimbursed by us. Solicitation will be made by mail and also may be made personally or by telephone, facsimile or other means by the Company's officers, directors and employees, without special compensation for the solicitation.
