Item 3.03. Material Modification to Rights of Security Holders.

The information set forth below regarding the amendments to the Amended and Restated Certificate of Incorporation (the “Charter”) and the Amended and Restated By-Laws (the “By-Laws”) of CVR Energy, Inc. (the “Company”) is incorporated by reference into this Item 3.03.

Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

Effective June 15, 2018, the Company amended its Charter and its By-Laws. The amendment to the Charter was approved by the Company’s stockholders at the Company’s annual meeting of stockholders held on June 13, 2018, as disclosed in Item 5.07 below. The amendments to the By-Laws were approved by the Company’s Board of Directors (the “Board”) in the form of an amendment and restatement thereof. The material changes reflected in the amendments to the Charter and Bylaws are as follows:

The Charter was amended to repeal the provisions contained in Article IX, which effectively prohibited the Company’s stockholders from acting by written consent. As a result of this amendment, the Company’s stockholders are now permitted to take action by less than unanimous written consent, as permitted by Section 228(a) of the Delaware General Corporation Law.

Article II, Section 3 of the By-Laws was amended to delete the proviso to that section, which permitted the Company’s stockholders holding a specified percentage of the outstanding shares of the Company’s common stock to call a special meeting of stockholders as long as the Company’s former sponsors held a specified percentage of such outstanding shares.

Article II, Section 11 of the By-Laws was amended to permit the Company’s stockholders to take action by less than unanimous written consent consistent with the amendment to Article IX of the Charter discussed above.

A composite copy of the Charter, as amended, is attached as Exhibit 3.1 to this Report and is incorporated herein by reference. A complete copy of the By-Laws, as amended and restated, is attached as Exhibit 3.2 to this Report and is incorporated herein by reference.
