SECTION 8: OTHER EVENTS

Item 8.01

On March 27, 2013 the Registrant's subsidiary, PW Salisbury Solar, LLC ("PWSS") amended the terms of a bridge loan that was obtained on December 28, 2012 from Hudson Bay Partners, LP, a wholly-owned affiliate of David H. Lesser ("DHL"), our CEO and Chairman. The amendment provides PWSS with additional financial flexibility by extending the initial maturity of the bridge loan from June 30, 2013 to June 30, 2014 and providing PWSS with a single extension option to extend through January 31, 2015.

Edgar Filing: Power REIT - Form 8-K

Interest remains payable semi-annually during the initial term and at maturity if extended. Interest remains at 5.0% through the end of June 30, 2013 and 8.5% thereafter. There were no fees or legal expenses paid in connection with this extension.

The bridge loan is prepayable at any time, without penalty. The bridge loan is secured by a first-lien mortgage on the property and a parent guarantee from Power REIT.

In December 2012, the independent trustees of Power REIT met without DHL present to approve the initial bridge loan, deeming it to be in the interests of the company and on economic terms that are favorable and demonstrative of DHL's commitment to the company and its business plan. The independent trustees have also deemed the amendment is favorable and in the interest of the company.
