EARNINGS PER COMMON SHARE GUIDANCE

In anticipation of meetings with members of the investment community, MDU Resources Group, Inc. (the “Company”) has reaffirmed, as of August 30, 2007, its prior guidance, set forth in the Company’s June 30, 2007 Quarterly Report on Form 10-Q (“Form 10-Q”) filed on August 8, 2007, that earnings per common share for 2007, diluted, including the estimated third quarter gain of approximately \$90 million (after tax) on the sale of the domestic independent power production assets and earnings from discontinued operations, are projected in the range of \$2.15 to \$2.35. Excluding the estimated gain, earnings per share guidance for 2007 is \$1.65 to \$1.85.

The reaffirmation of earnings per common share is based on the key strategies, projections and assumptions set forth in the Form 10-Q under the heading “Management’s Discussion and Analysis of Financial Condition and Results of Operations – Prospective Information,” to which there have been no material changes since the filing of the Form 10-Q, and which are incorporated herein by reference.

FORWARD-LOOKING STATEMENTS

The foregoing earnings per common share guidance for 2007 constitutes a forward-looking statement on behalf of the Company, within the meaning of Section 21E of the Securities Exchange Act of 1934. Although the Company believes that its expectations are based on reasonable assumptions, actual results may differ materially. For a discussion of the important factors that could cause actual results to differ, reference is made to Item 1A – Risk Factors in the Form 10-Q as well as Item 1A – Risk Factors in the Company’s December 31, 2006 Annual Report on Form 10-K, both of which are incorporated herein by reference.
