Subject: Information on Proxy Materials

LSI will hold its annual meeting of stockholders on May 9 in San Jose, Calif.

We are in the process of making our proxy statement and related materials available to all stockholders.

This year, we are again taking advantage of Securities and Exchange Commission rules that allow us to make our proxy statement and related materials available on the Internet. As a result, if you own LSI stock you will receive a short notice in the mail instead of a paper copy of our proxy statement and financial statements. You can then view the proxy materials and vote by visiting <http://www.lsiproxy.com>.

You will receive one notice for any shares you have at E*TRADE. If you are a legacy Agere employee and have shares at UBS, you will receive a separate notice for those shares. If you requested in the past that we send you paper copies of our proxy materials, we will send you paper copies this year instead of the short notice.

You are encouraged to view the proxy materials online to help LSI save money on the printing and mailing of the documents, and reduce the impact of the annual meeting on the environment. If you prefer to receive paper copies of the proxy materials, you can find information about how to request them in the notice you receive.
