**PROXY STATEMENT
FOR
ANNUAL MEETING OF SHAREHOLDERS
To Be Held April 27, 2004**

This proxy statement is being furnished to shareholders by the Board of Directors (the Board) of Banta Corporation (the Company), beginning on or about March 18, 2004, in connection with a solicitation of proxies by the Board for use at the annual meeting of shareholders to be held on Tuesday, April 27, 2004, at 2:00 p.m., Central Time, at the Fox Cities Performing Arts Center, Kimberly-Clark Theater, 400 West College Avenue, Appleton, Wisconsin, and all adjournments or postponements thereof (the Annual Meeting), for the purposes set forth in the attached Notice of Annual Meeting of Shareholders.

Edgar Filing: BANTA CORP - Form DEF 14A

Execution of a proxy given in response to this solicitation will not affect a shareholder's right to attend the Annual Meeting and to vote in person. Presence at the Annual Meeting of a shareholder who has signed a proxy does not in itself revoke a proxy. Any shareholder giving a proxy may revoke it at any time before it is voted by giving notice thereof to the Company in writing or in open meeting, by attending the Annual Meeting and voting in person, or by delivering a proxy bearing a later date.

A proxy, in the enclosed form, which is properly executed, duly returned to the Company and not revoked will be voted in accordance with the instructions contained therein. The shares represented by executed but unmarked proxies will be voted FOR the seven persons nominated for election as directors referred to herein, FOR the ratification of the selection of Ernst & Young LLP as the Company's independent auditors for 2004 and on such other business or matters which may properly come before the Annual Meeting in accordance with the best judgment of the persons named as proxies in the enclosed form of proxy. Other than the election of directors and the ratification of the selection of the Company's independent auditors, the Board has no knowledge of any matters to be presented for action by the shareholders at the Annual Meeting.

Only holders of record of the Company's common stock, \$.10 par value (the "Common Stock"), at the close of business on March 5, 2004 are entitled to notice of and to vote at the Annual Meeting. On that date, the Company had outstanding and entitled to vote 25,889,693 shares of Common Stock, each of which is entitled to one vote per share.

ELECTION OF DIRECTORS

At the Annual Meeting, the shareholders will elect seven directors of the Company, each to hold office until the 2005 annual meeting of shareholders and until his or her successor is duly elected and has qualified. Set forth below are the Board's nominees to serve as directors of the Company. Unless shareholders otherwise specify, the shares represented by the proxies received will be voted in favor of the election as directors of the seven persons named as nominees herein. The Board has no reason to believe that any of the listed nominees will be unable or unwilling to serve as a director if elected. However, in the event that any nominee should be unable or unwilling to serve, the shares represented by proxies received will be voted for another nominee selected by the Board.

1

The following sets forth certain information, as of March 5, 2004, about each of the Board nominees for election at the Annual Meeting. Except as otherwise noted, each nominee has engaged in the principal occupation or employment and has held the offices shown for more than the past five years.

BOARD OF DIRECTORS

Corporate Governance and Independent Directors

The Board has in effect Corporate Governance Guidelines that, in conjunction with the Board committee charters, establish processes and procedures to help ensure effective and responsive governance by the Board. The Corporate Governance Guidelines are available on the Company's website at www.banta.com. The Company is not including the information contained on or available through its website as a part of, or incorporating such information by reference into, this Proxy Statement. The Board has adopted certain categorical standards of independence, which specifically relate to the rules imposed by the listing standards of the New York Stock Exchange (NYSE), to assist it in making determinations of director independence. These categorical standards appear as Appendix A to the Corporate Governance Guidelines. Based on these standards, the Board has affirmatively determined by resolution that Ms. Baxter and Messrs. DeNero, Bergstrom, Reyelts, Richelsen and Winkler have no material relationship with the Company, and, therefore, each are independent in accordance with the NYSE listing standards. The Board will regularly review the continuing independence of the directors.

The Corporate Governance Guidelines provide that a majority of the members of the Board must be independent directors under the NYSE listing standards.

Presiding Director; Executive Sessions.

The Corporate Governance Guidelines provide that the Board shall designate a Presiding Director to lead each executive session of the Board. The role of the Presiding Director rotates periodically as determined by the Board. Ms. Baxter has been designated by Board resolution as the Presiding Director and will serve in that capacity until her successor is appointed by the Board. Normally, members of the Company's senior executive management who are not members of the Board will participate in Board meetings to present information, make recommendations, and be available for direct interaction with members of the Board. However, the Board will have at least two regularly scheduled meetings a year for the non-employee directors without members of the Company's management being present. The non-employee

directors may also meet without management present at such other times as they determine appropriate. In addition, the Board will have at least one regularly scheduled meeting each year that is limited to independent directors.

Communications with the Board

Shareholders and other interested parties may communicate with the full Board, the Chairman of the Board, non-management directors as a group or individual directors, including the Presiding Director, by delivering a written communication in care of the Secretary of the Company, 225 Main Street, Menasha, WI 54952. The written communication should be addressed to the specific director or directors whom the shareholder or interested party wishes to contact. Such communication will be delivered directly to the director or directors to whom it is addressed by the Secretary of the Company.

Committees

The Company has Audit, Compensation, and Nominating and Corporate Governance Committees of the Board. The Board has adopted, and may amend from time to time, a written charter for each of the Audit, Compensation, and Nominating and Corporate Governance Committees. The Company makes available on its website at www.banta.com, free of charge, copies of each of these charters. The Company is not including the information contained on or available through its website as a part of, or incorporating such information by reference into, this Proxy Statement.

The Audit Committee consists of Messrs. Gunderson (Chairperson), Richelsen, DeNero and Reyelts. Mr. Gunderson is retiring from the Board and the Audit Committee at the time of the Annual Meeting. Each of the members of the Audit Committee is independent as defined by the NYSE listing standards and the rules of the Securities and Exchange Commission (the "SEC"). The Board has determined that Mr. Reyelts qualifies as an "audit committee financial expert" as defined in SEC rules. The principal functions performed by the Audit Committee, which met seven times in 2003, are to assist the Board in monitoring: the integrity of the Company's financial statements; the independent auditor's qualifications and independence; the performance of the Company's internal audit function and independent auditors; and the Company's compliance with legal and regulatory requirements. The Audit Committee has the sole authority to appoint, retain, compensate and terminate the Company's independent auditors and to approve the compensation paid to the independent auditors. The Audit Committee has conditioned its selection of independent auditors for 2004 upon the ratification of this selection by the Company's shareholders at the Annual Meeting. See Ratification of Ernst & Young LLP as Independent Auditors of the Company for 2004.

4

The Compensation Committee consists of Ms. Baxter (Chairperson) and Messrs. Bergstrom and Richelsen. Each of the members of the Compensation Committee is independent as defined by the NYSE listing standards. The principal functions of the Compensation Committee, which met eight times in 2003, are: to administer the Company's deferred and incentive compensation plans (including the Company's equity incentive plans); to annually evaluate salary grades and ranges; to establish guidelines concerning average compensation increases; to establish performance criteria for and to evaluate the performance of the Chief Executive Officer in consultation with the Nominating and Corporate Governance Committee and the Board; to determine the compensation of the Chief Executive Officer; and to review and approve the compensation of all other officers and directors of the Company and subsidiary or division presidents.

The Nominating and Corporate Governance Committee consists of Ms. Baxter and Messrs. DeNero (Chairperson) and Gunderson. Mr. Gunderson is retiring from the Board and the Nominating and Corporate Governance Committee at the time of the Annual Meeting. Each of the members of the Nominating and Corporate Governance Committee is independent as defined by the NYSE listing standards. The principal functions of the Nominating and Corporate Governance Committee, which met three times in 2003, are to: identify individuals qualified to become directors (consistent with the criteria approved by the Board) and recommend candidates for all directorships to be filled by the Board or by the shareholders of the Company; identify directors qualified to serve on the committees established by the Board and recommend to the Board members for each committee to be filled by the Board; develop and recommend to the Board a set of corporate governance principles applicable to the Company, including matters of (a) Board organization, membership and function, (b) committee structure and membership and (c) succession planning for the Chief Executive Officer; and otherwise take a leadership role in shaping the corporate governance of the Company.

Nominations of Directors

The Nominating and Corporate Governance Committee will consider persons recommended by shareholders to become nominees for election as directors in accordance with the criteria set forth in the Corporate Governance Guidelines and the Nominating and Corporate Governance Committee Charter. Recommendations for consideration by the Nominating and Corporate Governance Committee should be sent to the Secretary of the Company in writing together with appropriate biographical information concerning each proposed nominee. The Company's By-laws also set forth certain requirements for shareholders wishing to nominate director candidates directly for consideration by shareholders. With respect to an election of directors to be held at an annual meeting, a shareholder must, among other things, give written notice of an intent to make such a nomination to the Secretary of the Company in advance of the meeting in compliance with the terms and

within the time period specified in the By-laws. The Nominating and Corporate Governance Committee also retains from time to time as appropriate third-party search firms to assist in the identification and evaluation of potential director nominees.

5

In identifying and evaluating nominees for director, the Nominating and Corporate Governance Committee seeks to ensure that the Board possesses, in the aggregate, the strategic, managerial and financial skills and experience necessary to fulfill its duties and to achieve its objectives, and seeks to ensure that the Board is comprised of directors who have broad and diverse backgrounds, possessing knowledge in areas that are of importance to the Company. The Nominating and Corporate Governance Committee looks at each nominee on a case-by-case basis regardless of who recommended the nominee. In looking at the qualifications of each candidate to determine if their election would further the goals described above, the Nominating and Corporate Governance Committee takes into account all factors it considers appropriate, which include strength of character, mature judgment, career specialization, relevant technical skills or financial acumen, diversity of viewpoint and industry knowledge. The Board believes that, to be recommended as a director nominee, each candidate must:

display the highest personal and professional ethics, integrity and values;

have the ability to exercise sound business judgment;

be accomplished in his or her respective field, and have broad experience at the administrative and/or policy-making level in business, government, education, technology or public interest;

be independent of any particular constituency, be able to represent all shareholders of the Company and be committed to enhancing long-term shareholder value; and

have sufficient time available to devote to activities of the Board and to enhance his or her knowledge of the Company's business.

The Board also believes the following qualities or skills are necessary for one or more directors to possess:

At least one director should have the requisite experience and expertise to be designated as an audit committee financial expert as defined by applicable rules of the SEC.

One or more of the directors generally should be active or former chief executive officers of public companies or leaders of major complex organizations, including commercial, scientific, government, educational and other similar institutions.

Directors should be selected so that the Board represents diverse backgrounds and perspectives.

6

Meetings and Attendance

The Board held six meetings in 2003. Each director attended at least 75% of the aggregate of (a) the total number of meetings of the Board and (b) the total number of meetings held by all committees of the Board on which the director served during 2003.

Directors are expected to attend the Company's annual meeting of shareholders each year. Seven of the eight current directors who were directors at the time of the 2003 annual meeting of shareholders attended that meeting.

Director Compensation

Annual Retainer and Meeting Fees. For fiscal 2003, non-employee directors of the Company received an annual retainer fee of \$26,000 (\$13,000 of which was payable in shares of Common Stock). In addition, these directors in fiscal 2003 were paid a fee of \$1,000 for every Board and committee meeting they attended. Each committee chairperson received an additional \$5,000 for serving in such capacity (\$2,500 of which was payable in shares of Common Stock). For fiscal 2004, non-employee directors of the Company will receive an annual retainer fee of \$38,000. In addition, these directors in fiscal 2004 will be paid a fee of \$1,000 for every Board and committee meeting they attend. In 2004, each committee chairperson will receive an additional \$5,000 for serving in such capacity. A director may elect to defer all or any part of the

cash compensation he or she is entitled to receive for serving as a director, in which case the amount deferred will be paid in cash in three annual installments after such person ceases to be a director and, at the direction of the director, either will be credited with interest at the prime rate or will be treated for valuation purposes as if such deferred compensation had been invested in Common Stock pursuant to the phantom stock subaccount under the director's deferred compensation plan. The deferred compensation plan is terminated and accounts are paid in a lump sum in the event of a change in control of the Company.

Director Stock Options and Phantom Share Awards. In addition to the compensation described above, each of Ms. Baxter and Messrs. DeNero, Bergstrom, Richelsen, Winkler and Gunderson automatically received an option for 3,000 shares of Common Stock at a per share exercise price of \$30.92 on April 30, 2003, in accordance with the terms of the Company's Equity Incentive Plan (the "Equity Plan"). Upon his appointment to the Board on July 28, 2003, Mr. Reyelts automatically received an option for 6,000 shares of Common Stock at a per share exercise price of \$34.13.

Under the terms of the Equity Plan, each person when first elected as a non-employee director of the Company automatically receives an option for 6,000 shares of Common Stock. The Equity Plan also provides that, subsequent to the initial grant, each non-employee director (who continues to serve in such capacity) automatically receives an option to purchase an additional 3,000 shares of Common Stock on the day after each annual meeting of shareholders; provided, however, that if a person who is first elected as a non-employee director on the date of the annual meeting of shareholders receives the initial option grant under the Equity Plan on that date, such director will not be entitled to begin receiving subsequent grants until the day following the next succeeding annual meeting of shareholders. Options granted to non-employee directors under the Equity Plan have a per share exercise price equal to 100% of the market value of a share of Common Stock on the date of grant and become exercisable six months after the date of grant, except that if the non-employee director ceases to be a director by reason of death, disability or retirement during such six-month period, the option will become immediately exercisable in full. Options granted to non-employee directors under the Equity Plan terminate on the earlier of (a) ten years after the date of grant or (b) twelve months after the non-employee director ceases to be a director.

In addition, non-employee directors in fiscal 2004 will also receive grants of phantom stock units which have a value equivalent to shares of Common Stock. Each director will receive phantom stock units valued at an amount equal to \$50,000 less the Black-Scholes value of the 3,000 share option granted to the director under the Equity Plan.

Director Compensation Generally. The Company's director compensation practices are established by the Compensation Committee with the purpose of attracting and retaining qualified non-employee directors necessary for the Company's long-term success. In setting or adjusting director compensation, the Compensation Committee reviews the director compensation practices of corporations of similar size relative to the Company and operating in comparable industries. It is the judgment of the Compensation Committee that a review of the director compensation practices of companies with such characteristics is appropriate in establishing competitive compensation for the Company's non-employee directors.

Thereafter, Mr. Henseler served as an employee of the Company until November 30, 2003.

Stock Options

The Company has in effect equity plans pursuant to which options to purchase Common Stock may be granted to key employees (including executive officers) of the Company and its subsidiaries. The following table presents certain information as to grants of stock options made during fiscal 2003 to the named executive officers. Mr. Henseler was not granted stock options in fiscal 2003.

Grant
Date Value

- (1) The options reflected in the table (which are nonstatutory stock options for purposes of the Internal Revenue Code) were granted on October 27, 2003 and vest ratably over the three-year period following the date of grant. The options are subject to early vesting in the case of the optionee's death, disability or retirement.
- (2) The option values presented are based on the Black-Scholes option pricing model adopted for use in valuing stock options. Material assumptions and adjustments incorporated in the Black-Scholes model in estimating the value of the options reflected in the table above include the following: (a) an exercise price of the option equal to the fair market value of the underlying stock on the date of grant; (b) a risk-free rate of return representing the interest rate on a U.S. Treasury security with a maturity date corresponding to the term of the option; (c) volatility of 26.6%, which was calculated using daily Common Stock prices for the one-year period prior to the date of grant; (d) a dividend yield equal to 1.8% representing the dividend yield on the Common Stock as of the date of grant; (e) an option term of ten years (five years for Mr. Belcher); and (f) reductions in accordance with the option pricing model of 15.6% to reflect assumptions relating to the probability of forfeiture due to termination prior to vesting and 24.1% to reflect the probability of a shortened option term due to termination of employment prior to the expiration date. As a result of Mr. Belcher's impending retirement on April 30, 2004 in accordance with the Company's mandatory retirement policy, the value of his option reflected in the table above has not been reduced for either of the factors described in subparagraph (f). The actual value, if any, that an optionee may realize upon exercise will depend on the excess of the price of the Common Stock over the option exercise price on the date that the option is exercised. There is no assurance that the value realized by an optionee will be at or near the value estimated under the Black-Scholes model.

The following table sets forth information regarding the exercise of stock options by each of the named executive officers during the 2003 fiscal year and the fiscal year-end value of unexercised options held by the named executive officers.

Long-Term Incentives

The Company maintains the Banta Corporation Economic Profit (EP) Long-Term Incentive Plan (the EP Long-Term Plan), which provides a cash incentive based both on earnings per share performance and on the value created (*i.e.*, economic profit) when a business generates a

Edgar Filing: BANTA CORP - Form DEF 14A

financial return that exceeds the total cost of capital employed. The EP Long-Term Plan defines economic profit as the difference between (a) net operating profit after tax and (b) the charge for capital employed in the business. Subject to the employee's election to defer commencement until after termination of employment and for installment payments thereafter for up to 15 years, payouts under the EP Long-Term Plan are made in three annual installments contingent (other than in the case of death, disability, retirement or termination without cause) upon the participant's continued employment with the Company.

Set forth below under the heading "Maximum" are the amounts accrued but not paid for fiscal 2003 performance for each of the named executive officers under the EP Long-Term Plan. The amounts under the heading "Threshold" reflect the fact that the accrued but unpaid amounts are subject to forfeiture.

Pension Plan Benefits

The following table sets forth the estimated annual pension benefits payable to a covered participant at normal retirement age under the Company's Employees Pension Plan as well as under the Company's Supplemental Retirement Plan (which, in part, provides benefits that would otherwise be denied participants by reason of (i) certain Internal Revenue Code limitations on qualified benefit plans and (ii) the exclusion of cash incentive awards and deferred compensation in calculating benefits under the qualified plan). The benefits that are payable under the pension and retirement plans are based upon remuneration that is covered under the plans and years of service with the Company and its subsidiaries.

A participant's remuneration covered by the Company's pension arrangement is such participant's base salary, annual bonus and long-term cash incentive compensation. The covered remuneration paid for the last fiscal year to the named executive officers is set forth in the Summary

Compensation Table under the headings Salary, Bonus and LTIP Payouts. As of December 31, 2003, Messrs. Belcher, Kneezel, Meyer, Rudolph and Henseler had completed 9, 15, 10, 3 and 36 years of credited service under the Company's pension plans, respectively. On such date, Ms. Streeter had three years of credited service. Benefits shown in the table are computed as a straight single life annuity assuming retirement at age 65. The benefits reflected in the table are not subject to reduction for Social Security benefits.

Agreements with Named Executive Officers

The Company has agreements with Ms. Streeter as well as Messrs. Belcher, Kneezel, Meyer, Rudolph and certain other officers and key employees which provide for continued employment for periods of from two to three years after a change of control (the Employment Period) and for lump-sum termination payments equal to three times the executive's base salary plus the highest incentive compensation earned by the executive in any year during the preceding three years if employment is terminated during the Employment Period by the Company (other than for cause or disability) or by the executive due to significant changes in his or her working conditions or status without his or her consent. The agreements also provide the foregoing benefits in connection with certain terminations which are effected in anticipation of a change of control. Under the agreements, the executive's employee benefits such as health, accident and life insurance will also be continued following a termination for which a termination payment is made for up to three years or until comparable benefits are available from a new employer. The agreements similarly provide for the accelerated vesting of outstanding stock options in the event of a change of control. The agreements provide that, if any payments thereunder constitute an excess parachute payment under the Internal Revenue Code, the Company will pay the officer the amount necessary to offset the excise tax and any additional taxes resulting from the payment of an excess parachute payment. In addition, the Company has agreed to pay Mr. Belcher a severance payment of two year's salary (and continue to provide health insurance for two years) if, prior to a change of control, the Company terminates his employment other than for cause or disability. Ms. Streeter has a similar agreement that provides for a severance payment of one year's salary (and the continuation of health insurance for one year) if, prior to a change of control, the Company terminates her employment other than for cause or disability.

14

The Company has deferred compensation plans for key employees in which the named executive officers are eligible to participate and which provide for deferral of salary and cash incentive compensation. Payments under the deferred compensation plans generally commence following retirement of the participant. A participant can elect to receive his or her deferred compensation while still employed with the Company under a college education election, which allows the participant to receive one-quarter of the account established for a participant's dependent in four annual installments following that dependent's eighteenth birthday. In the event of a change of control, a participant in the deferred compensation plans will receive a lump sum payment. The lump sum payment will be equal to the present value of the participant's future benefits if the participant is receiving benefits at the time of such change of control or the amount standing to the participant's credit in his or her deferred compensation account if the participant is not otherwise entitled to receive benefits at the time of such change of control. The Company has entered into an executive trust agreement with a third party trust company to provide a means of segregating assets for the payment of these benefits (as well as benefits under the Company's Supplemental Retirement Plan), subject to claims of the Company's creditors. Such trust is only nominally funded until the occurrence of a potential change of control.

The Company has a retirement agreement with Mr. Belcher pursuant to which he will receive three annual payments of \$500,000 each provided that he remains employed by the Company through April 30, 2004. Payments would also be due to Mr. Belcher under this agreement if, prior to April 30, 2004, Mr. Belcher is terminated by the Company other than for cause, he terminates his employment due to disability or good reason (as defined in the agreement) or his employment is terminated as a result of his death. In the event that this retirement benefit is earned by Mr. Belcher, payments will commence in April 2005.

Committee Report on Executive Compensation

The Compensation Committee of the Board is responsible for all aspects of the Company's compensation package offered to its executive officers, including the named executive officers. The following is a report of the Compensation Committee regarding executive compensation:

Policies Governing Executive Compensation. The Company's general policies relating to executive compensation are: (a) to establish a direct link between executive compensation and the annual, intermediate-term and long-term performance of the Company; (b) to provide performance-based compensation opportunities (including equity-based awards) which allow executive officers to earn rewards for maximizing shareholder value; (c) to attract and retain the key executives necessary for the Company's long-term success; and (d) to reward individual initiative and the achievement of specified goals. In applying these general policies, the objective of the Compensation Committee has been to ensure that a significant portion of the compensation paid to senior executive officers, such as the named executive officers, be incentive-based since these individuals have significant control over and responsibility for the Company's direction and performance.

15

Edgar Filing: BANTA CORP - Form DEF 14A

Executive Compensation Package. As reflected under the section entitled *Executive Compensation*, the Company's executive compensation package currently consists of a mix of salary, annual and long-term bonus awards and stock option grants as well as benefits under the employee benefit plans offered by the Company.

In setting and adjusting executive salaries, including the salaries of the Chief Executive Officer and the other named executive officers, the Compensation Committee, in conjunction with the Company's independent compensation consultants, has historically compared the base salaries paid or proposed to be paid by the Company with the ranges of salaries paid by corporations of similar size relative to the Company and operating in comparable industries. It is the judgment of the Compensation Committee that a review of the compensation practices of companies with such characteristics is appropriate in establishing competitive salary ranges for the Company's executive officers.

Based on its analysis of comparative data, the Compensation Committee increased the minimum, midpoint and maximum ranges for each salary grade by 3.0% for fiscal 2003. The Compensation Committee also approved a 4.0% guideline for 2003 executive officer base salary increases, subject to individual variances to reflect above or below average performance. In establishing 2003 salaries for each individual executive officer, Ms. Streeter, the Company's President and Chief Executive Officer, made specific recommendations for salary adjustments (other than her own and Mr. Belcher's) to the Compensation Committee based on the foregoing guidance provided by the Committee as well as a review of industry comparables, the level of responsibility delegated to the particular executive officer, the expertise and skills offered by each officer, the officer's individual job performance and the performance of the group over which the individual had responsibility. These various factors were considered on a case-by-case basis and no specific formula was used to give any one factor a relative weight as compared to the others. The Compensation Committee reviewed the foregoing recommendations and then made final decisions on the base salaries to be paid by the Company. The Compensation Committee also reviewed and fixed the base salaries of Ms. Streeter and Mr. Belcher for 2003 based on similar competitive compensation data and individual job performance criteria. The base salaries paid to Ms. Streeter and Mr. Belcher for fiscal 2003 were \$615,000 and \$725,000, respectively.

The Compensation Committee maintained during 2003 the Economic Profit (EP) Incentive Compensation Plan (the *EP Incentive Plan*), which provides an annual incentive for certain employees of the Company, including the named executive officers. The factors on which awards under the EP Incentive Plan in fiscal 2003 were based included: (i) earnings per share performance; (ii) the creation of economic profit for the Company; and (iii) for participants affiliated with a specific business unit, the operating earnings and the creation of economic profit for such unit. An award under the EP Incentive Plan may also have a discretionary component based on such criteria as the Committee may determine. For purposes of the economic value creation component of the formula, the EP Incentive Plan defines economic profit as the difference between (a) net operating profit after tax and (b) the charge for capital employed in the business. The EP Incentive Plan is designed to reward executive officers and key managers for EPS performance, productive use of Company assets, reduction of costs and creation of efficiencies throughout the Company's organization. Under the EP Incentive Plan, target bonuses calculated as a percentage of salary are fixed by the Compensation Committee as are economic profit levels. Such bonus amounts are thereafter scheduled to be paid out over three years contingent (other than in the case of death, disability, retirement or termination without cause) upon the participant's continued employment with the Company. Under the EP Incentive Plan, Ms. Streeter earned a payout of \$415,529 and Mr. Belcher earned a payout of \$489,851, for the 2003 fiscal year.

16

The Compensation Committee has also adopted the Economic Profit (EP) Long-Term Incentive Compensation Plan (the *EP Long-Term Plan*), which provides long-term incentives for certain employees of the Company, including the named executive officers. The EP Long-Term Plan is similar to the EP Incentive Plan. Awards paid under the EP Long-Term Plan to the executive officers are paid based entirely on Company performance (EPS and economic profit performance) and are paid out in three annual installments contingent (other than in the case of death, disability, retirement or termination without cause) upon the participant's continued employment with the Company. Under the EP Long-Term Plan, Ms. Streeter earned a payout of \$77,551 and Mr. Belcher earned a payout of \$98,437, in the 2003 fiscal year.

In addition to the foregoing annual and long-term incentive plans, the Company's executive compensation package has historically included stock option grants. The Compensation Committee has the authority to grant, in addition to stock options, other equity-based awards, including stock appreciation rights, restricted stock and performance shares. To date, however, only stock options have been granted under the Company's equity-based plans. Stock options granted by the Compensation Committee have a per share exercise price of 100% of the fair market value of a share of Common Stock on the date of grant and, accordingly, the value of the option will be dependent on the future market value of the Common Stock. It has been the policy of the Compensation Committee that options should provide a long-term incentive and align the interests of management with the interests of shareholders.

In determining proposed stock option grants to be made to the Company's executive officers, the Compensation Committee reviews, in consultation with the Company's independent compensation consultants, option grants made by a select group of peer companies. Based on this analysis, Ms. Streeter and Mr. Belcher received option to purchase 100,000 shares and 110,000 shares, respectively, of Common Stock at a per share exercise price of \$37.80. By tying a portion of each executive officer's overall compensation to stock price through the grant of options, the Compensation Committee seeks to enhance its objective of providing a further incentive to maximize long-term shareholder value.

In connection with the equity-based plans, the Company endorses the policy that stock ownership by management is an important factor in aligning the interests of management and shareholders. The Company has adopted stock ownership guidelines that are intended to encourage stock ownership by management. Under these guidelines, management personnel are expected to own a specified number of shares of Common Stock depending upon their respective salary grade. The Compensation Committee considers an individual's compliance with the stock ownership guidelines in determining the size of equity-based grants.

The Company's policy with respect to other employee benefit plans is to provide competitive benefits to the Company's employees, including executive officers, to encourage their continued service with the Company. In the view of the Compensation Committee, a competitive benefits package is an essential component in achieving the Company's goal of being able to attract new key employees from time to time as events warrant.

Under Section 162(m) of the Internal Revenue Code, the tax deduction by corporate taxpayers, such as the Company, is limited with respect to the compensation of certain executive officers unless such compensation is based upon performance objectives meeting certain regulatory criteria or is otherwise excluded from the limitation. The Compensation Committee currently intends, in all appropriate circumstances, to qualify compensation paid to the Company's executive officers for deductibility by the Company under Section 162(m) of the Internal Revenue Code.

RATIFICATION OF ERNST & YOUNG LLP AS

INDEPENDENT AUDITORS OF THE COMPANY FOR 2004

Independent Auditors

Ernst & Young LLP has served as the independent auditors for the Company since May 17, 2002 and audited the financial statements of the Company for the fiscal years ended December 28, 2002 and January 3, 2004. The Audit Committee has selected Ernst & Young LLP as the Company's independent auditors for 2004, and this selection is being presented to shareholders for ratification. The Board recommends to the shareholders the ratification of the selection of Ernst & Young LLP, to audit the financial statements of the Company and its subsidiaries for 2004. Unless otherwise specified, the proxies solicited hereby will be voted in favor of the ratification of Ernst & Young LLP as independent auditors for the Company for 2004.

If prior to the Annual Meeting Ernst & Young LLP shall decline to act or its engagement shall be otherwise discontinued by the Audit Committee, the Audit Committee will appoint other independent auditors whose engagement for any period subsequent to the Annual Meeting will be subject to ratification by the shareholders at the Annual Meeting. If the shareholders fail to ratify the appointment of Ernst & Young LLP, then the Audit Committee will consider it a direction to select other auditors for 2004. Even if the selection is ratified, the Audit Committee, in its discretion, may select a new independent auditing firm at any time during the year if it believes that such a change would be in the best interests of the Company and its shareholders.

20

Representatives of Ernst & Young LLP are expected to be present at the Annual Meeting to answer appropriate questions and, if they so desire, to make a statement.

Change in Independent Auditors

On May 17, 2002, the Board, upon the recommendation of the Audit Committee, dismissed Arthur Andersen LLP as the Company's independent auditors and engaged Ernst & Young LLP to serve as the Company's independent auditors for 2002.

Arthur Andersen LLP's reports on the Company's consolidated financial statements for the fiscal years ended December 29, 2001 and December 30, 2000 did not contain an adverse opinion, disclaimer of opinion or qualification or modification as to uncertainty, audit scope or accounting principles.

During the fiscal years ended December 29, 2001 and December 30, 2000 and the subsequent interim period from December 30, 2001 through May 17, 2002, there were no disagreements between the Company and Arthur Andersen LLP on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedures, which disagreements, if not resolved to the satisfaction of said former accountant, would have caused it to make a reference to the subject matter of such disagreements in connection with its reports (Disagreements). During the fiscal years ended December 29, 2001 and December 30, 2000 and the subsequent interim period, there were no reportable events (as described in Item 304(a)(1)(v) of Regulation S-K).

The Company provided Arthur Andersen LLP with a copy of the foregoing statements. Arthur Anderson LLP delivered a letter to the Company, dated May 22, 2002, stating its agreement with such statements.

During the Company's fiscal years ended December 29, 2001 and December 30, 2000 and the subsequent interim period through May 17, 2002, the date on which Ernst & Young LLP was engaged, the Company did not consult Ernst & Young LLP regarding the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's consolidated financial statements, or any matter that was either the subject of a Disagreement or a reportable event (as described in Item 304(a)(1)(v) of Regulation S-K).

Independent Auditors Fees

During the fiscal years ended January 3, 2004 and December 28, 2002, the Company retained and paid Ernst & Young LLP to provide audit and/or other services. Arthur Andersen LLP provided services to the Company in fiscal 2002 until such firm was succeeded by Ernst & Young LLP as the Company's independent auditors on May 17, 2002. The fees paid to Ernst & Young LLP and Arthur Andersen LLP for the years ended January 3, 2004 and December 28, 2002 were as follows:

Edgar Filing: BANTA CORP - Form DEF 14A

Audit Fees. Fees for audit services paid to Ernst & Young LLP totaled \$517,000 in fiscal 2003 and \$434,000 in fiscal 2002. Fees for audit services paid to Arthur Andersen LLP totaled \$0 in fiscal 2003 and \$8,000 in fiscal 2002. Audit fees include fees associated with the annual audit, the reviews of the Company's quarterly reports on Form 10-Q, and statutory audits required internationally.

21

Audit-Related Fees. Fees for audit-related services paid to Ernst & Young LLP totaled \$113,634 in fiscal 2003 and \$193,000 in fiscal 2002. Fees for audit-related services paid to Arthur Andersen LLP totaled \$0 in fiscal 2003 and \$31,000 in fiscal 2002. Audit-related services principally include due diligence in connection with acquisitions and accounting consultations.

Tax Fees. Fees paid to Ernst & Young LLP for tax services, including tax compliance, tax advice and tax planning (including expatriate tax services), totaled \$169,695 in fiscal 2003 and \$144,000 in fiscal 2002. Tax fees paid to Arthur Andersen LLP totaled \$0 in fiscal 2003 and \$104,000 in fiscal 2002.

All Other Fees. There were no such fees paid to Ernst & Young LLP or Arthur Andersen LLP in either 2003 or 2002.

The Audit Committee pre-approves all audit and permissible non-audit services provided by the independent auditors on a case-by-case basis. The Audit Committee approved 100% of the services described under the general categories of *Audit-Related Fees*, *Tax Fees* and *All Other Fees* in 2003. The Audit Committee does not consider the provision of non-audit services by the independent auditors to be incompatible with maintaining auditor independence.

Vote Required

To ratify the selection of Ernst & Young LLP as the Company's independent auditors for 2004, the number of votes cast in favor of the proposal must exceed the number of votes cast in opposition to it. Abstentions and broker non-votes will be counted for purposes of determining the presence of a quorum, as noted above, but do not constitute a vote for or against this any matter and will be disregarded in the calculation of votes cast.

THE BOARD RECOMMENDS A VOTE FOR RATIFICATION OF THE SELECTION OF ERNST & YOUNG LLP AS THE COMPANY'S INDEPENDENT AUDITORS.

OTHER MATTERS

Solicitation Expenses

All expenses of solicitation of proxies will be borne by the Company. In addition to soliciting proxies by mail, proxies may be solicited personally and by telephone by certain officers and regular employees of the Company. Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's officers and directors to file reports of ownership and changes of ownership with the SEC and the NYSE. The regulations of the SEC require the officers and directors to furnish the Company with copies of all Section 16(a) forms they file. Based on such forms, the Company believes that all its officers and directors have complied with the Section 16(a) filing requirements.

Related Party Transaction

The Company has an agreement with Hewlett-Packard Company (formerly Compaq Computer Corporation) pursuant to which the Company provides various supply-chain management services in connection with the configuration, testing and worldwide distribution of Hewlett-Packard's hard drives. Michael J. Winkler, a director of the Company, is an Executive Vice President of Hewlett-Packard. The Company's revenue attributable to its contract with Hewlett-Packard totaled approximately \$133 million in fiscal 2003. The Company currently expects that revenue from the Hewlett-Packard contract in fiscal 2004 will be comparable to the fiscal 2003 revenue.

Delivery of Proxy Materials to Households

Pursuant to the rules of the SEC, services that deliver the Company's communications to shareholders that hold their stock through a bank, broker or other holder of record may deliver to multiple shareholders sharing the same address a single copy of the Company's annual report to shareholders and this proxy statement. Upon oral or written request, the Company will promptly deliver a separate copy of the annual report to shareholders and/or proxy statement to any shareholder at a shared address to which a single copy of each document was delivered. Shareholders may notify the Company of their requests by calling or writing Ronald D. Kneezel, Vice President, General Counsel and Secretary, Banta Corporation, P.O. Box 8003, Menasha, Wisconsin 54952, telephone number: (920) 751-7777.

SHAREHOLDER PROPOSALS

Proposals of shareholders pursuant to Rule 14a-8 under the Securities Exchange Act of 1934 (Rule 14a-8) that are intended to be presented at the 2005 annual meeting of shareholders must be received by the Company no later than November 18, 2004 to be included in the Company's proxy materials for that meeting. Further, a shareholder who otherwise intends to present business at the 2005 annual meeting must comply with the requirements set forth in the Company's By-laws. Among other things, to bring business before an annual meeting, a shareholder must give written notice thereof, complying with the By-laws, to the Secretary of the Company not less than 60 days and not more than 90 days prior to the second Tuesday in the month of April, provided that the date of the annual meeting is not advanced by more than 30 days or delayed by more than 60 days from the second Tuesday in the month of April. The 2005 annual meeting of shareholders is tentatively scheduled to be held on April 26, 2005. Under the By-laws, if the Company does not receive notice of a shareholder proposal submitted otherwise than pursuant to Rule 14a-8 (*i.e.*, a proposal a shareholder intends to present at the 2005 annual meeting of shareholders but does not intend to have included in the Company's proxy materials) on or prior to February 11, 2005 (assuming an April 26, 2005 meeting date), then the notice will be considered untimely and the Company will not be required to present such proposal at the 2005 annual meeting. If the Board nonetheless chooses to present such proposal at the 2005 annual meeting, then the persons named in proxies solicited by the Board for the 2005 annual meeting may exercise discretionary voting power with respect to such proposal.

The members of the Committee shall be appointed by the Board of Directors annually or as necessary to fill vacancies on the recommendation of the Company's Nominating and Corporate Governance Committee. Each member shall serve until his or her successor is duly elected and qualified or until such member's earlier resignation or removal. Any member of the Committee may be removed, with or without cause, by a majority vote of the Board of Directors.

Chairperson

The Chairperson of the Committee shall be appointed by the Board of Directors upon recommendation of the Nominating and Corporate Governance Committee and in consultation with the Chairman of the Board of Directors. The Committee shall be directly responsible for the compensation and oversight of the work of the independent auditors (including resolution of disagreements between management and the independent auditors regarding financial reporting) for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company. The independent auditors shall report directly to the Committee.

The Committee shall preapprove all auditing services and permitted non-audit services (including the fees and terms thereof) to be performed for the Company by its independent auditors, subject to the de minimus exceptions for non-audit services described in Section 10A(i)(1)(B) of the Exchange Act which are approved by the Committee prior to the completion of the audit. The Committee may delegate authority to grant preapprovals of audit and permitted non-audit services to one or more of its members, provided that decisions of such member or members to grant preapprovals shall be presented to the full Committee at its next scheduled meeting. Except as specified in the preceding sentence, the Committee shall have no authority to delegate its responsibilities and duties to a subcommittee of its members.

The Committee shall have the authority, to the extent it deems necessary or appropriate, to retain independent legal, accounting or other advisors. The Company shall provide for appropriate funding, as determined by the Committee, for payment of compensation to the independent auditors for the purpose of rendering or issuing an audit report or performing other audit, review or attest services and to any advisors employed by the Committee. The Company shall also provide appropriate funding, as determined by the Committee, for ordinary administrative expenses incurred by the Committee in carrying out its duties.

In carrying out these responsibilities and duties, the Committee will:
