AT&T

SAFE HARBOR PROVISION

The following are "forward-looking statements" which are based on management's beliefs as well as on a number of assumptions concerning future events made by and information currently available to management. The audiences are cautioned not to put undue reliance on such forward-looking statements, which are not a guarantee of performance and are subject to a number of uncertainties and other factors, many of which are outside AT&T's control, that could cause actual results to differ materially from such statements. For a more detailed description of the factors that could cause such a difference, please see AT&T's filings with the Securities and Exchange Commission. AT&T disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. This information is presented solely to provide additional information to further understand the results of AT&T.

In connection with these transactions, AT&T will be filing proxy statements, tender offer statements and other materials with the Securities and Exchange Commission. Security holders are urged to read these materials when they become available because they will contain important information. Investors and security holders may obtain a free copy of these materials when they become available as well as other materials filed with the Securities and Exchange Commission concerning AT&T at the Securities and Exchange Commission's website at <http://www.sec.gov>. In addition, these materials and other documents may be obtained for free from AT&T by directing a request to AT&T at 295 North Maple Drive, Basking Ridge, NJ 07920; Attn: Investor Relations.

AT&T and its officers and directors may be deemed to be participants in the solicitation of proxies from AT&T's shareholders with respect to these transactions. Information regarding such officers and directors is included in AT&T's proxy statement for its 2001 annual meeting of stockholders filed with the Securities and Exchange Commission on March 30, 2001. This document is available free of charge at the SEC's internet site or from AT&T as described above.

## Edgar Filing: AT&T CORP - Form 425

### CURRENT ASSESSMENT - WHAT'S GOING RIGHT

---

- Right strategy
- Best and most highly-clustered industry footprint
- Consolidation and integration of operating activities and facilities largely complete [Graphic of Woman on the Telephone]
- Fixed investments in telephony and data are behind us now - just beginning to realize scale benefits [Graphic of a Child Watching Television]
- Workforce commitment

-----  
Strong foundation in place to accelerate future growth  
-----

2-----[AT&T Broadband Logo]

### PRIORITIES FOR 2002

---

- Enhance customer service
- Accelerate plant upgrade and rebuild [Graphic of Two Customers Getting Assistance]
- Refine Digital video strategy
- Deepen RGU penetration [Graphic of College Students Watching Television]
- Drive costs to industry levels to improve financial performance
- Benchmark vendor agreements to market-based pricing
- Prepare detailed integration plan in support of Comcast merger

-----  
Priorities are clearly defined, facilitating a smooth transition  
-----

3-----[AT&T Broadband Logo]

### THREE-PRODUCT STRATEGY REMAINS BEST PATH TO DRIVE VALUE

---

Foundation has been built -> Positioned for dramatic growth

- Video business being operationally strengthened
- Telephony and data poised to realize scale benefits [Graphic of a Couple Using a Computer]

## Edgar Filing: AT&T CORP - Form 425

- Telephony strategy is Broadband's key differentiator and distinctive value driver
- Three-product strategy drives industry leading EBITDA per subscriber

[Graphic of Two Children  
Using a Computer]

-----  
Rapidly scaling, three-product strategy will deliver long-term value  
-----

4-----[AT&T Broadband Logo]

### HSD NETWORK MIGRATION

-----

- Advantages to AT&T Broadband:
  - Greater cost efficiency: \$2 per sub savings and improving  
-> represents expenses for all services previously performed by @Home
  - Improves control and network reliability
  - Designed to support multiple ISPs and tiered packages
  - Improved customer satisfaction, operational and long-term financial results
- 4Q Financial Impact (preliminary estimate)
  - EBITDA: \$60M to \$65M due to customer credits and slowed sales, increased care volume and marketing communications, and AT&T Business Services costs

- Capital: \$60M due to network equipment costs\*

\* Reflects total AT&T capital: Costs expected to be split 50/50 with AT&T Business Services

5-----[AT&T Broadband Logo]

### KEY GOALS

-----

- Leverage state-of-the-art network to scale information, entertainment and communications services
- Build service-oriented culture
- Position company to achieve industry level margins in 2003
- Reinforce foundation to be unlevered free cash flow positive by YE03

1

AT&T CONSUMER

---

- Investment Thesis
- Business Strategy and Assets
- Key Drivers for High Performance

[AT&T Logo]

2

AT&T CONSUMER - INVESTMENT THESIS

---

AT&T Consumer will offer shareholders a substantial dividend yield backed by strong cash flows

The Proof Points for our Thesis

---

- Underlying financial assumptions about core LD are reasonable and based on experience
- Manageable debt/dividend obligation
- Sustainable dividend yield from a respected company
- Cash flow also allows for prudent investment in growth businesses to stimulate future revenue and earnings streams
- Relationship with parent company advantages our execution

[AT&T Logo]

3

AT&T CONSUMER STRATEGY

---

Maximize our cash flow

- Focus on free cash flow generation
- Attract and retain high-value customers

Increase operating efficiencies through variabilizing costs

- 6B of cost reductions since 1998
- Key focus on care and billing

Broaden our service lines

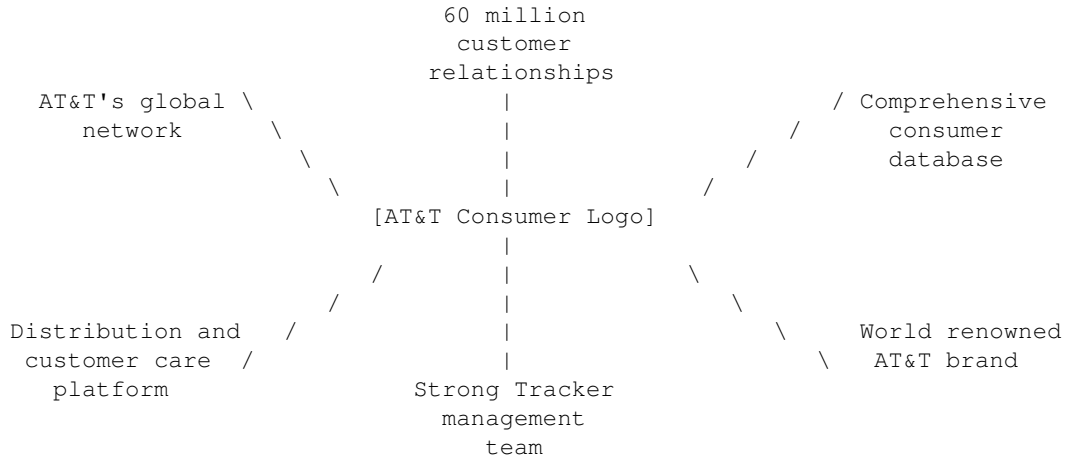

- Natural evolution with our customers
- Bundle long distance and local services

- New value-added voice and data services

[AT&T Logo]

4

UNPARALLELED CONSUMER ASSETS

[AT&T Logo]

5

DEALING WITH RBOC ENTRY

Impact of RBOC Entry

- Plans based on experience in six markets in 2001
- RBOCs consistently appeal to lower-end customers
- Disruptive but temporal impact for 24 Months

[Line Graph Depicting Gross Loss Rate Per Month  
Pre-RBOC Entry and Post RBOC Transition  
and Return to Pr-Entry Levels]

Mitigating the Impact

- Deploy pre-emptive retention strategies on a market-by-market basis
- Deliver local and long distance offers with UNE-P as in NY and TX

[AT&T Logo]

6

TECHNOLOGY SUBSTITUTION

Substitution Drivers

- Wireless

## Edgar Filing: AT&T CORP - Form 425

- E-mail/Instant messaging [Computer Graphic] [Cellular Phone Graphic]

### Growth through Substitute Products

- PrePaid calling card [Calling Card Graphic]

-----  
Even under these pressures, our traditional lines of business  
will continue to produce industry leading margins in 2002  
-----

[AT&T Logo]

7

### INCREASING OPERATION EFFICIENCIES THROUGH VARIABILIZING COSTS

- Key cost drivers are independent of revenue
  - Number of customers
  - Customer call-in rate to centers
  - Billing frequency
- Increased self-service through improved designs of web-based tools
- Over 35% of customer care transactions will be self-served in 2002
- Annual Long Distance care costs per customer are declining 11% on average

[AT&T Logo]

8

### E-RELATIONSHIPS SIGNIFICANTLY VARIABILIZE OUR BILLING COSTS

#### 2002 Electronic vs. Traditional Unit Cost Comparison
