ANNUAL MEETING OF SHAREHOLDERS

September 6, 2002

PROXY STATEMENT

 This Proxy Statement and the enclosed proxy card are being furnished to shareholders of common stock of Manatron, Inc. ("Manatron" or the "Company") on or about September 6, 2002, in connection with the solicitation of proxies by the Board of Directors to be voted at the 2002 Annual Meeting of Shareholders which will be held on Thursday, October 10, 2002, at 10:00 a.m., local time, and at any adjournment of that meeting. The Annual Meeting will be held at the Hawthorn Suites Hotel, in Kalamazoo, Michigan.

 The purpose of this Annual Meeting is to consider and vote upon (i) the election of three directors, one director to serve a two-year term expiring in 2004 and two directors to serve three-year terms expiring in 2005 and (ii) to transact any other business that may properly come before the meeting. Proxies in the accompanying form, if properly executed, duly returned to the Company, and not revoked, will be voted at the Annual Meeting. If a shareholder specifies a choice, the shares represented by proxy will be voted as specified. If no choice is specified, the shares represented by proxy will be voted for the election of all nominees named in this Proxy Statement and in accordance with the discretion of the persons named as proxies on any other matters that may come before the meeting or any adjournment of the meeting. For purposes of determining the presence or absence of a quorum for the transaction of business at the meeting, all shares for which a proxy or vote is received, including abstentions and shares represented by a broker vote on any matter, will be counted as present and represented at the meeting.

 Any shareholder executing and returning the enclosed proxy card may revoke it at any time before it is exercised by delivering a written notice of revocation to the Secretary of the Company at the address set forth above or by attending and voting at the Annual Meeting.

 The Company does not know of any matter to be presented for consideration at the Annual Meeting other than that stated in the Notice of Annual Meeting of Shareholders. If any other matter should properly come before the meeting, the persons named in the proxy will have discretionary authority to vote in accordance with their judgment.

ELECTION OF DIRECTORS

 The Board of Directors proposes that Paul R. Sylvester be elected to serve a two-year term expiring in 2004 and that Randall L. Peat and Stephen C. Waterbury be elected to serve three-year terms expiring in 2005.

 This Proxy Statement contains more information about the director nominees. The nominees, Messrs. Peat, Sylvester and Waterbury, presently are directors of the Company whose terms will expire at the 2002 Annual Meeting of Shareholders. Unless otherwise directed by a shareholder's proxy, the persons named as proxies intend to vote for the nominees identified above. Each of the nominees has consented to being named in this Proxy Statement and to serve if elected. If any nominee is unable to serve or is otherwise unavailable for election, which is not now anticipated, the Board of Directors may or may not select a substitute nominee. If a substitute nominee is selected, all proxies will be voted for the election of the substitute nominee designated by the Board of Directors. If a substitute nominee is not selected, all proxies will be voted for the election of the remaining nominees. Proxies will not be voted for a greater number of persons than the number of nominees named in this Proxy Statement.

 A plurality of the shares present in person or represented by proxy and voting on the election of directors is required to elect directors. For the purpose of counting votes on this proposal, abstentions, broker non-votes, and other shares not voted will not be counted as shares voted on the election, and the number of shares for which a plurality is required will be reduced by the number of shares not voted.

**YOUR BOARD OF DIRECTORS RECOMMENDS THAT YOU
VOTE FOR THE ELECTION OF ALL NOMINEES AS DIRECTORS**

The Company's executive compensation program is administered by the Compensation Committee of the Board of Directors. The Compensation Committee develops compensation policies for the Company and evaluates annual salaries and incentive compensation plans for the Chief Executive Officer and other executive officers. The Compensation Committee also reviews awards under certain stock-based compensation plans as approved by the Stock Option Committee. The Compensation Committee submits its recommendations on these matters to the full Board of Directors for ratification.

10

The Compensation Committee consists of three directors, none of whom is a current or former employee of the Company.

Compensation Philosophy

The Compensation Committee's executive compensation philosophy is to provide competitive levels of compensation as well as incentives to achieve superior financial performance. The Compensation Committee's policies are designed to achieve four primary objectives: (i) align management's compensation with the Company's achievement of annual and long-term performance goals; (ii) reward superior performance by the Company; (iii) recognize individual initiative and achievement; and (iv) assist the Company in attracting and retaining quality executive officers. The Compensation Committee believes that a significant portion of the annual compensation of each officer must relate to, and be contingent upon, the performance of the Company.

The Company's basic compensation policies are designed to enhance shareholder value by rewarding executive officers for profitable growth of the Company and increases in the value of its common stock. The Company's executive compensation policies also seek to align the interests of executive officers and other key employees with the interests of shareholders through stock ownership. The Compensation Committee believes that it is in the Company's best interest to generate rewards for senior executives and key employees, which may result in above-average performance measured in terms of profit growth and total shareholder return.

Executive officer compensation is comprised of three primary components: base salary and benefits, annual performance bonus, and participation in stock option and restricted stock plans. Each component of compensation is designed to accomplish one or more of the compensation objectives. Benefits offered to executive officers include participation in the Salary Deferral and Employee Stock Ownership Plan, which covers substantially all employees, the Employee Stock Purchase Plan, and the Company's various health, life, and disability insurance benefit plans.

In addition, the Board of Directors recently approved the Manatron, Inc. Supplemental Executive Retirement Plan effective as of January 1, 2002, for certain executive officers of the Company. Under this non-qualified plan, the Company will contribute approximately 5% of a participant's annual compensation to a Rabbi trust on behalf of the participants. These contributions will vest evenly over a three year period. Participants may also elect to make pre-tax contributions to the trust. No contributions were made to this plan for any participants during fiscal 2002.

Congress has amended the Internal Revenue Code to add Section 162(m) which provides that publicly held corporations may not deduct compensation paid to certain executive officers in excess of \$1,000,000 annually, with certain exemptions. The Company has examined its executive compensation policies in light of Section 162(m) and the regulations adopted by the Internal Revenue Service to implement this section. The Company believes its compensation policies reflect due consideration of Section 162(m).

Base Salary

 The Company seeks to attract and retain well-qualified executives by providing base salaries and benefit packages at levels that are considered to be competitive. In setting the base salaries of the Company's executive officers, the Compensation Committee considers the skill and experience required by an individual's position, job performance, accountability, and tenure. Although the Compensation Committee refers to base salaries at other comparable companies to help establish guidelines, the Company's current operating performance is considered most important in determining the base salaries of management.

 The Compensation Committee believes current base salaries for executive officers of the Company have not kept pace with and are below average for executives in similar positions. It is the Compensation Committee's intention to continue to increase base salaries of the Chief Executive Officer and certain other executive officers to more competitive levels as profits improve. Nonetheless, incentive compensation based upon criteria designed to reward executives for performance which enhances shareholder value will continue to represent a significant percentage of potential executive compensation.

 In general, the Compensation Committee adjusts the salaries of the Chief Executive Officer and certain other executive officers on an annual basis. The annual adjustments are determined by considering the Company's performance, each officer's performance, any increased responsibilities of the officer, and current economic conditions.

Annual Bonus Plan

 Annual bonuses under the Company's short-term executive incentive compensation plan are intended to reward the Chief Executive Officer and certain other executives for achieving specific goals, motivate executives to work more effectively, and focus executives' attention on specific areas of major importance. While there was a significant turn around in profitability and an improvement in cash flow over the prior year, no bonuses were paid to executive officers for fiscal 2002 because of the marginal profitability of the Company.

Stock Options and Restricted Stock

 The Stock Option Committee of the Board of Directors periodically grants stock options and restricted stock to executive officers, as well as other key employees, of the Company. Stock options provide the recipient the right to acquire shares of the Company's Common Stock at fair market value on the date of grant. The options generally become exercisable over a three year period immediately after the date of grant and expire 10 years following the date of grant. The number of shares covered by each grant is designed to provide the executive officers, as well as other key employees, a substantial incentive to operate the Company from the perspective of an owner, thereby closely aligning their interests to those of the Company's shareholders.

 Although the Compensation Committee believes that stock ownership by executive officers and other key employees is beneficial, the Company currently has no target ownership level for Common Stock holdings by executive officers. The Stock Option Committee generally does not take into account in its decisions the amount and value of options and restricted stock currently held by an executive officer.

Chief Executive Officer Compensation

Mr. Sylvester's compensation is based upon the policies and objectives discussed above. The Compensation Committee considers current operating performance to be a key determinant in establishing the base salary of Mr. Sylvester and also considers his performance, skill and experience, accountability, length of service, and current economic conditions. The Compensation Committee believes that incentive compensation, designed to reward performance, should represent a significant percentage of Mr. Sylvester's potential compensation. As previously reported, Mr. Sylvester and other executive officers were granted restricted stock and stock options in fiscal 2001. The Compensation Committee may consider recommending grants of restricted stock and stock options to executive officers in the future.

On October 10, 1996, the Company signed an employment agreement with Mr. Sylvester which provides for his continued service to the Company as President and Chief Executive Officer until termination of the employment agreement. The employment agreement is described in this Proxy Statement under the heading "Employment Agreements, Termination of Employment, and Change in

12

Control Arrangements." Mr. Sylvester received a salary of \$160,000 and no annual bonus for fiscal year 2002. The Company also paid Mr. Sylvester an additional \$25,000 in fiscal 2002 to compensate him for the risk associated with signing a personal guarantee with Kemper Insurance Company, which was required to allow the Company to obtain bonding.

The Compensation Committee intends to meet in the second quarter of fiscal 2003 to discuss Mr. Sylvester's compensation and will consider, among other things, the performance of Mr. Sylvester and the Company in fiscal 2002 and the first quarter of fiscal 2003, including the fact that in fiscal 2002 the Company (i) increased its operating income by approximately \$1.5 million, (ii) increased its net income by approximately \$1.2 million, (iii) paid off approximately \$3.5 million in bank borrowings, and (iv) increased cash on hand by approximately \$5 million.

All recommendations of the Compensation Committee attributable to compensation in the 2002 fiscal year were unanimous and were approved and adopted by the Board of Directors without modification.

The Compensation Committee welcomes written comment from the Company's shareholders concerning its compensation programs. Comments should be marked "personal and confidential" and addressed to the Compensation Committee of the Board of Directors, Manatron, Inc., 510 East Milham Road, Portage, Michigan 49002.

Respectfully submitted,

Harry C. Vorys (Chairman)

If Mr. Moore's employment is terminated other than for Cause or if he resigns from his employment with Cause (each as defined in his employment agreement) and the termination of employment occurs during the term of his agreement, his agreement requires the Company to pay Mr. Moore's salary and benefits for the remainder of the four-year term. If Mr. Moore's employment is terminated after the expiration of the four-year term of the agreement, then the Company will pay Mr. Moore six months severance pay equal to the amount of his salary and any benefits in effect at the time of termination.

STOCK PERFORMANCE GRAPH(1)(2)

The following graph compares the cumulative total shareholder return on the Company's Common Stock to the Standard & Poor's 500 Stock Index and the Company's peer index, an industry index comprised of the common stock of 10 companies in the computer software industry (the "New Peer Group"), and the Company's old peer index, an industry index comprised of the common stock of ten companies in the computer software industry (the "Old Peer Group"), assuming an investment of \$100 over a five-year period ended April 30, 2002, using 1997 as a base period. The Standard & Poor's 500 Stock Index is a broad equity market index published by Standard & Poor's. The Old and New Peer Groups were selected by the Company and include the companies listed in the footnotes to the graph

below. The Company anticipates using the index identified as "New Peer Index" in future proxy statements. The Company believes the change in peer groups is appropriate to include new companies in Manatron's industry. Cumulative total return is measured by dividing (i) the sum of (a) the cumulative amount of dividends for the measurement period, assuming dividend reinvestment, and (b) the difference between the share price at the end and the beginning of the measurement period; by (ii) the share price at the beginning of the measurement period.

The dollar values for total shareholder return plotted in the graph below are shown in the following table:

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

 Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's directors and officers to file reports of ownership and changes in ownership of shares of Common Stock with the Securities and Exchange Commission. Directors and officers are required by Securities and Exchange Commission regulations to furnish the Company with copies of all Section 16(a) reports they file. Based solely on a review of the copies of the Section 16(a) reports received by it during the 2002 fiscal year, or written representations from certain reporting persons that no reports on Form 5 were required to be filed by them, the Company believes that its directors and officers complied with all applicable reporting and filing requirements during the Company's last fiscal year, except that in July 2001, (i) one transaction of J. Wayne Moore on Form 4 was reported late, (ii) one transaction of James W. Sanderbeck on Form 4 was reported late, and (iii) the fiscal 2002 Form 5 of Mary Gephart was filed late.

SELECTION OF AUDITORS

 The Company has selected Ernst & Young LLP ("Ernst & Young"), independent auditors, as its principal auditors for fiscal year 2003. Representatives of Ernst & Young are expected to be present at the 2002 Annual Meeting of Shareholders, will be provided with the opportunity to make a statement if they desire to do so, and are expected to be available to respond to appropriate questions.

 The Company's independent auditors for the fiscal year ended April 30, 2001, were Arthur Andersen LLP ("Arthur Andersen"). Because of the indictment by the Justice Department in connection with the Enron audit, the Company determined to dismiss Arthur Andersen and to engage the services of Ernst & Young as its new independent auditors. The change in auditors was approved by the Board of Directors of the Company and was effective as of May 6, 2002. As a result, Ernst & Young audited the consolidated financial statements of the Company and its subsidiary for the fiscal year ending April 30, 2002.

 Arthur Andersen's reports on the Company's consolidated financial statements for the fiscal years ended April 30, 2001, and April 30, 2000, did not contain an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles. During the fiscal years ended April 30, 2001, and April 30, 2000, and through the date of this proxy statement (the "Relevant Period"), there were no disagreements with Arthur Andersen on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which, if not resolved to Arthur Andersen's satisfaction, would have caused Arthur Andersen to make reference to the subject matter of the disagreement(s) in connection with its reports on the Company's consolidated financial statements for such years; and there were no reportable events as described in Item 304(a)(1)(v) of the Securities and Exchange Commission's (the "Commission") Regulation S-K.

 The Company has provided a copy of this disclosure to Ernst & Young and Arthur Andersen. In addition, the Company's Form 8-K Current Report filed on May 10, 2002, contained as an exhibit a copy

of Arthur Andersen's letter to the Commission, dated May 10, 2002, stating its agreement with such statements as of May 10, 2002 (with May 10, 2002, as the Relevant Period).

During the Relevant Period, neither the Company nor anyone acting on its behalf consulted with Ernst & Young regarding (i) the application of accounting principles to a specified transaction, completed or proposed, or the type of audit opinion that might be rendered on the Company's consolidated financial statements or (ii) any matters or reportable events as set forth in Items 304(a)(2)(i) and (ii) of Regulation S-K.

Audit Fees. The Company paid to Ernst & Young and Arthur Andersen \$51,300 and \$27,100, respectively, related to the last annual audit, fiscal year 2002 quarterly reviews, and the audit of the ESOP Plan.

Financial Information Systems Design and Implementation Fees. No related fees were billed by Ernst & Young or Arthur Andersen during fiscal 2002.

All Other Fees. The Company paid no additional fees to Ernst & Young or Arthur Andersen during fiscal 2002 other than those noted above under audit fees.

In its determination of Ernst & Young's and Arthur Andersen's independence, the audit committee has considered whether the provision of these services is compatible with maintaining the independence of the auditor.

SHAREHOLDER PROPOSALS

Proposals that shareholders intend to present at the next Annual Meeting of Shareholders and that a shareholder would like to have included in the proxy statement and form of proxy relating to that meeting must be received by the Company no later than May 9, 2003, to be considered for inclusion in the proxy statement and form of proxy relating to that meeting. Such proposals of shareholders should be made in accordance with Securities and Exchange Commission Rule 14a-8 and should be addressed to the Secretary of Manatron, Inc., 510 East Milham Road, Portage, Michigan 49002. All other proposals of shareholders that are intended to be presented at the Annual Meeting in the year 2002 must be received by the Company not later than July 23, 2003, or they will be considered untimely.

 The Company will bear all costs of the preparation and solicitation of proxies, including the charges and expenses of brokerage firms, banks, trustees, or other nominees for forwarding proxy materials to beneficial owners. Solicitation of proxies will be made initially by mail. In addition, directors, officers, and employees of the Company and its subsidiaries may solicit proxies personally or by telephone or facsimile without additional compensation. Proxies may be solicited by nominees and other fiduciaries who may mail materials or otherwise communicate with beneficial owners of shares held by them. The Company has retained Georgeson Shareholder Communications, Inc. at an estimated cost of \$6,000, plus expenses and disbursements, to assist in the solicitation of proxies.
