Forward-Looking Statements

This Form 10-K/A contains forward-looking statements regarding the outlook for dry cargo markets, and the Company's prospects. There are a number of factors, risks and uncertainties that could cause actual results to differ from the expectations reflected in these forward-looking statements, including changes in production of or demand for major and minor bulk commodities, either globally or in particular regions; greater than anticipated levels of vessel newbuilding orders or less than anticipated rates of scrapping of older vessels; changes in trading patterns for particular commodities significantly impacting overall tonnage requirements; changes in the rates of growth of the world and various regional economies; risks incident to vessel operation, including discharge of pollutants; unanticipated changes in laws and regulations; increases in costs of operation; the availability to the Company of suitable vessels for acquisition or chartering-in on terms it deems favorable; the ability to attract and retain customers; and the performance of our contract counterparties. This Form 10-K/A also includes statistical data regarding world dry bulk fleet and orderbook and fleet age. We generated some of these data internally, and some were obtained from independent industry publications and reports that we believe to be reliable sources. We have not independently verified these data nor sought the consent of any organizations to refer to their reports in this annual report on Form 10-K/A. The Company assumes no obligation to update or revise any forward-looking statements. Forward-looking statements in this Form 10-K/A and written and oral forward-looking statements attributable to the Company or its representatives after the date of this Form 10-K/A are qualified in their entirety by the cautionary statement contained in this paragraph and in other reports hereafter filed by the Company with the Securities and Exchange Commission (the "SEC").

EXPLANATORY NOTE

This Amendment No. 1 on Form 10-K/A (this "Amendment") amends the Annual Report on Form 10-K of Eagle Bulk Shipping Inc. (the "Company", "we", "our" or "us") for the year ended December 31, 2013 that was originally filed with the Securities and Exchange Commission ("SEC") on March 31, 2014 (the "Original Filing") and is being filed to provide the information required by Items 10, 11, 12, 13, and 14 of Part III. This information was previously omitted from the Original Filing in reliance on General Instruction G(3) to Form 10-K, which permits the information in the above referenced items to be incorporated in the Form 10-K by reference from a definitive proxy statement if such statement is filed no later than 120 days after our fiscal year end. We are filing this Amendment to include Part III

Edgar Filing: Eagle Bulk Shipping Inc. - Form 10-K/A

information in our Form 10-K because we do not expect to file a definitive proxy statement containing this information before that date. The reference on the cover of the Original Filing to the incorporation by reference to portions of our definitive proxy statement into Part III of the Original Filing has been deleted.

In addition, pursuant to the rules of the SEC, Item 15 of Part IV has been amended to include the currently dated certifications of our principal executive officer and principal financial officer pursuant to Section 302 of the Sarbanes-Oxley Act of 2002. The certifications of our principal executive officer and principal financial officer are filed with this Form 10-K/A as Exhibits 31.3 and 32.3 hereto. Because no financial statements have been included in this Form 10-K/A and this Form 10-K/A does not contain or amend any disclosure with respect to Items 307 and 308 of Regulation S-K, paragraphs 3, 4 and 5 of the certifications have been omitted. We are not including the certificate under Section 906 of the Sarbanes-Oxley Act of 2002 as no financial statements are being filed with this Form 10-K/A.

This Amendment does not amend or otherwise update any other information in the Original Filing. Accordingly, this Amendment should be read in conjunction with the Original Filing and with our filings with the SEC subsequent to the Original Filing.

The Compensation Committee also reviews and approves annual incentive compensation, special cash incentive awards, stock option or other equity incentive grants, compensation goals and objectives, and any employment severance or change in control agreements, and evaluates the performance of the Company's Chief Executive Officer and Chief Financial Officer, and the President of Eagle Shipping International (USA) LLC and determines executive officer compensation. The Compensation Committee also monitors compliance with the terms of the Settlement approved on December 2, 2013 and evaluates and recommends for approval by the Board of Directors, the Board of Directors' compensation-and fees and stock option or other equity incentive grants. The Compensation Committee engaged Steven Hall & Partners, an independent executive compensation consultant (the "Compensation Consultant" or the "Consultant"), as further described in more detail below. During fiscal year 2013, the Compensation Committee consulted with the Compensation Consultant and took the recommendations of the Compensation Consultant into consideration when making its decisions. The Compensation Committee held nine meetings during fiscal year 2013.

Conflicts Committee

The Company established a Conflicts Committee (the "Conflicts Committee") as of February 4, 2009, that is comprised of Joseph M. Cianciolo, Douglas P. Haensel and Jon Tomasson. Pursuant to the management agreement, which has been filed with the SEC as an exhibit to the Company's annual report on Form 10-K for the year ending December 31, 2009, the Company provides certain management services for vessels owned and to be acquired by Delphin Shipping LLC and will have certain rights of first refusal over vessel acquisition and chartering opportunities presented to Delphin Shipping LLC. Pursuant to the Conflict Committee's charter adopted as of May 21, 2009, the Conflicts Committee is also responsible for evaluating and managing potential conflicts of interest arising between the Company and Delphin Shipping LLC arising out of transactions contemplated under the management agreement and ensuring Delphin Shipping LLC's compliance with the terms of the management agreement. The Conflicts Committee is comprised solely of independent members of the Board of Directors who do not have any direct or indirect interest in any investment, contract or other transaction to which Delphin Shipping LLC or Kelso & Company, L.P. are a party. The Conflicts Committee held two meetings during fiscal year 2013.

Nominating and Governance Committee

The Company's Nominating and Governance Committee is comprised of Douglas P. Haensel (Chairman), David B. Hiley, Jon Tomasson and Thomas B. Winmill, each of whom qualify as independent under the applicable NASDAQ listing requirements. As directed by its written charter, the Nominating and Governance Committee assists the Board of Directors in identifying qualified individuals to become members of the Board of Directors, in determining the composition of the Board of Directors and its committees, in monitoring a process to assess Board of Directors effectiveness and in developing and implementing the Company's corporate governance guidelines. The Nominating and Governance Committee held one meeting in fiscal year 2013.

Nomination of Directors

Nominees for our Board of Directors are selected by the Board of Directors based upon the recommendation of the Nominating and Governance Committee in accordance with the policies and principles set forth in the Committee's

charter and our Corporate Governance Guidelines. The Nominating and Governance Committee seeks members from diverse professional and personal backgrounds who combine a broad spectrum of experience and expertise with a reputation for integrity. This assessment will include an individual's independence, as well as consideration of diversity, age, skills, necessary experience, soundness of judgment, ability to contribute to a diversity of viewpoints among board members, commitment, time and diligence to effectively discharge board responsibilities, qualifications, intelligence, education and experience to make a meaningful contribution to board deliberations. Directors should be persons of good character and thus should generally have the personal characteristics of integrity, accountability, judgment, responsibility, high performance standards, commitment and enthusiasm, and courage to express his or her views. The Nominating and Governance Committee examines a candidate's specific experiences and skills, time availability in light of other commitments, potential conflicts of interest and independence from management and the Company.

The Nominating and Governance Committee identifies potential candidates by asking current Directors and executive officers to notify the Committee if they become aware of persons, meeting the criteria described above, who might have an interest in serving as a Director.

Shareholders may recommend qualified persons for consideration by the Nominating and Governance Committee. The Nominating and Governance Committee's evaluation process does not vary based on whether or not a candidate is recommended by a shareholder. Shareholders making a recommendation must submit the same information as that required to be included by the Company in its proxy statement with respect to nominees of the Board of Directors. The shareholder recommendation should be submitted in writing, addressed to: Adir Katzav, Secretary of Eagle Bulk Shipping Inc., 477 Madison Avenue, Suite 1405, New York, New York 10022.

How Our Compensation Decisions Are Made

Role of the Board of Directors and Compensation Committee

Our Board of Directors is responsible for establishing and administering our executive compensation and equity incentive programs. This duty of the Board of Directors has been delegated to the Compensation Committee in accordance with the Compensation Committee's charter. The Compensation Committee reviews executive performance to establish compensation and approves appropriate modifications to the named executive officers' compensation. The Compensation Committee is responsible for establishing the compensation of the Chief Executive Officer, and in the context of our overall compensation goals and objectives, reviews and approves the recommendations of the Chief Executive Officer regarding compensation and incentive plans of other named executive officers. The Committee also evaluates and recommends for approval by the Board of Directors, the annual compensation of the non-employee directors and oversees the equity compensation plans in accordance with Marshall Islands law.

Role of the Compensation Consultant

In accordance with its charter, the Compensation Committee has the authority to engage, retain and terminate a compensation consultant. The Compensation Committee also has the sole authority to approve the fees of such consultant.

Since 2007, the Compensation Committee and the Board of Directors have retained Steven Hall & Partners (the "Consultant"), a nationally recognized executive compensation consultant, as their compensation consultant to provide independent, third-party advice and expertise on all aspects of executive and director compensation and related corporate governance matters. In 2013, as in prior years, the Compensation Committee relied upon the Consultant to assist in the development and evaluation of compensation policies and the determination of compensation awards. Additionally, the Consultant provided the Compensation Committee with comparative market data, to the extent available, as well as modeling and evaluations of proposed executive and director compensation policies and determinations.

The Compensation Committee consulted with the Consultant in connection with the determination of the 2013 compensation for our named executive officers and our Board of Directors. The Consultant also provided advice throughout the year on new issues and developments regarding executive compensation and related disclosures. In the future, the Compensation Committee may retain other similar consultants.

The Consultant does not provide any other services to the Company.

Role of Management

The Compensation Committee has sole authority to establish annual compensation for the Company's named executive officers, and none of the named executive officers determines his own pay. At the request of the Compensation Committee, our Chief Executive Officer provides recommendations regarding compensation of our other named executive officers during the annual compensation approval process and information regarding compensation trends within the seaborne transportation industry.

Code of Ethics

The Company's Code of Ethics, which applies to our Directors, executive officers (our Chief Executive Officer, our Chief Financial Officer, and the President of Eagle Shipping International (USA) LLC) and employees, is available on our website at www.eagleships.com, and copies are available in print upon request to Eagle Bulk Shipping Inc., 477 Madison Avenue, Suite 1405, New York, New York 10022. The Company intends to satisfy any disclosure requirements regarding any amendment to, or waiver from, a provision of this Code of Ethics by posting such information on the Company's website.

Communications with the Board of Directors

Shareholders and other interested parties may communicate with members of the Board of Directors, including reporting any concerns related to governance, corporate conduct, business ethics, financial practices, legal issues and accounting or audit matters in writing addressed to the Board of Directors, or any such individual Directors or group or committee of Directors by either name or title in care of: Secretary of Eagle Bulk Shipping Inc., 477 Madison Avenue, Suite 1405, New York, New York 10022.

All communications received as set forth above will be opened by the office of our Secretary for the sole purpose of determining whether the contents represent a message to our Directors. Materials that are unrelated to the duties and responsibilities of the Board of Directors, such as solicitations, resumes and other forms of job inquiries, surveys and individual customer complaints, or materials that are unduly hostile, threatening, illegal or similarly unsuitable will not be distributed, but will be made available upon request to the Board of Directors, a committee of the Board of Directors or individual Directors as appropriate, depending on the facts and circumstances outlined in the communication.

The Leadership Structure of the Board of Directors

Sophocles Zoullas currently serves as both Chairman and Chief Executive Officer of Eagle Bulk Shipping. The Company believes that this leadership structure is in the best interests of shareholders because it promotes unified leadership, effective decision-making, and facilitates efficient execution of the Company's strategic initiatives and business plan. Additionally, because of the Chief Executive Officer's responsibilities for the day-to-day execution of corporate strategy and the importance of company performance in deliberations of the Board of Directors, we believe that our Chief Executive Officer is the director best qualified to serve as Chairman of the Board of Directors. The Board of Directors has also considered creating a lead independent director position on the Board of Directors, however given the size of the Company's Board of Directors, it does not believe that such a position would benefit the functioning of the Board of Directors or its interaction with management. The Board of Directors also believes that there is substantial independent and effective oversight of management, including as a result of the following:

- Annual reviews of the performance of our Chairman and Chief Executive Officer by the independent directors on the Compensation Committee.
- Our independent directors regularly meet in executive session without the presence of management.
- The Audit Committee meets separately with the independent auditor as needed to fulfill its responsibilities under its charter.
- We have a substantial majority of active and well-qualified independent directors, each of whom is an equal participant in decisions of the Board of Directors.

- Each of the committees of the Board of Directors is comprised solely of independent directors.

The Role of the Board of Directors in Risk Oversight

The Audit Committee has primary responsibility for risk oversight on behalf of the Board of Directors. The Audit Committee regularly discusses, on at least a quarterly basis, risk exposures that may have a material impact on the Company's financial statements, and the steps that management has taken to monitor and control such exposures. Additionally, pursuant to its charter, the Audit Committee is responsible for discussing with management policies with respect to risk assessment and risk management. The Compensation Committee also considers the risk implications of compensation approaches before making final determinations with respect to compensation program design.

Executive Sessions

Consistent with our Corporate Governance Guidelines, the non-employee directors of the Board of Directors regularly hold executive sessions. The Audit Committee, in accordance with its charter, meets separately with our executives at regular intervals or as otherwise deemed appropriate throughout the year to review our financial affairs, and meets separately in sessions with the independent auditors at such times as the Audit Committee deems appropriate to fulfill its responsibilities under the charter. The independent directors met in executive sessions five times during 2013.

EXECUTIVE OFFICERS

Our only named executive officers are:

- Sophocles N. Zoullas, Chairman and Chief Executive Officer, for whom information is set forth under the heading "Board of Directors of the Registrant" above.
- Adir Katzav, Chief Financial Officer since July 2012 (1).

Potential Payments Upon Termination Or Change-In-Control

As discussed in detail below under the heading "Employment Agreement with Sophocles N. Zoullas," the Company entered into an employment agreement with our Chief Executive Officer in 2008. It provides that if we terminate our Chief Executive Officer's employment without cause or if our Chief Executive Officer terminates employment for good reason, then he is entitled to receive a lump-sum payment.

The Company has granted to the named executive officers, pursuant to the Eagle Bulk Shipping Inc. 2009 Equity Incentive Plan, or the 2009 Plan, restricted stock units of the Company that vest in equal annual installments. The restricted stock units provide that (i) if the executive is terminated on death or disability the unvested restricted stock units will vest and be paid out, (ii) if within 24 months following a change of control the executive is terminated without cause or terminates for good reason then the unvested restricted stock units will vest and be paid out.

The Company has granted to its Chief Executive Officer and Chief Financial Officer, in his capacity as Director of Financial Reporting, and to the President of Eagle Shipping International (USA) LLC, pursuant to the Eagle Bulk Shipping Inc. 2011 Equity Incentive Plan, or the 2011 Plan, options to purchase the Company's common stock that vest in four equal annual installments. The options provide that (i) in the event the executive's employment is terminated without cause, any unvested options prior to such termination date shall immediately vest and become exercisable in full until the earlier of the fifth anniversary of the date on which the employment is so terminated or the expiration of the options by their terms between the fifth to tenth anniversary of the grant date; and (ii) in the event the executive's employment is terminated by reason of the executive's death or disability, any unvested options prior to such termination date shall immediately vest and become exercisable in full until the earlier of the first anniversary of the date on which the employment is so terminated or the termination of the options by their terms between the fifth to the tenth anniversary of the grant date. In addition, the options granted to our Chief Executive Officer also provide that in the event our Chief Executive Officer's employment is terminated by our Chief Executive Officer for good reason, any unvested options prior to such termination date shall immediately vest and become exercisable in full until the earlier of the fifth anniversary of the date on which the employment is so terminated or the termination of the options by their terms on the fifth anniversary of the grant date.

Our Chief Executive Officer is also entitled to receive a gross-up for any excise taxes under Section 4999 of the Code imposed on excess parachute payments which may become payable to him, whether such payments arise with respect

to accelerated vesting of restricted stock units or stock options or under other plans or agreements.

Employment Agreement with Sophocles N. Zoullas

On June 19, 2008, we entered into an amended employment agreement with Sophocles N. Zoullas pursuant to which Mr. Zoullas serves as our Chief Executive Officer. The agreement has an initial term of five years; however, commencing on the third anniversary of the date thereof and each anniversary thereafter, the agreement automatically extends for additional one-year terms unless, not later than 90 days prior to any such anniversary, either party thereto notifies the other party that such extension shall not take effect. Either party may terminate the employment agreement for any reason on 30 days' written prior notice. We may also terminate our Chief Executive Officer's employment at any time for cause.

Pursuant to the employment agreement, our Chief Executive Officer receives a minimum base salary per year in the amount of \$875,000 and received an initial equity grant of 208,333 restricted stock units. Our Chief Executive Officer is eligible to participate in a performance annual incentive compensation pool, for senior executives, as well as discretionary amounts determined by the Compensation Committee. Our Chief Executive Officer is entitled to participate in the benefit plans and fringe benefits provided generally to similarly situated senior executives. The employment agreement also provides that we will provide our Chief Executive Officer with a life insurance policy during the term of the agreement with the amount and terms determined by mutual agreement.

In the event our Chief Executive Officer terminates his employment for other than good reason, our Chief Executive Officer is entitled to receive (i) his base salary and any unused vacation pay earned but unpaid up to the date of termination, (ii) reimbursement of any expenses for which he was due reimbursement, (iii) any annual incentive compensation actually earned for a completed year but unpaid as of the date of termination, and (iv) any annual incentive compensation earned for the uncompleted year, based upon his two-year average annual incentive compensation (collectively, (i), (ii), (iii) and (iv) are referred to as the "Accrued Benefits").

In the event we terminate our Chief Executive Officer's employment without cause or our Chief Executive Officer terminates his employment for good reason, then in addition to the Accrued Benefits, our Chief Executive Officer is entitled to receive a lump-sum payment in an amount equal to the product of (x) two and (y) the sum of (I) his annual base salary and (II) our Chief Executive Officer's two-year average annual incentive compensation and any special cash incentive award. Following a change of control, our Chief Executive Officer may be entitled to an enhanced "double trigger" severance payment. In the event that we terminate our Chief Executive Officer's employment without cause or our Chief Executive Officer terminates his employment for good reason following a change of control, the lump-sum payment is in an amount equal to the product of (x) three and (y) the sum of (I) our Chief Executive Officer's annual base salary and (II) our Chief Executive Officer's two-year average annual incentive compensation and any special cash incentive award. In addition, we will continue his health insurance (for our Chief Executive Officer and his dependents) during for two years (or three years if we terminate our Chief Executive Officer's employment without cause or our Chief Executive Officer terminates his employment for good reason following a change of control). Our Chief Executive Officer does not receive a lump sum payment in the event he is terminated for cause, which we may do at any time such cause exists. In the event that his employment is terminated for cause, we are only obligated to provide our Chief Executive Officer with the Accrued Benefits. If our Chief Executive Officer dies or becomes disabled while employed by us, all of his rights under the employment agreement terminate except that (i) we are required to pay our Chief Executive Officer his Accrued Benefits, (ii) any stock options or stock appreciation rights shall become fully exercisable and shall remain exercisable for a period of 12 months after the termination of employment due to such death or disability (or until the earlier original expiration date of such options or stock appreciation rights), and (iii) any restricted stock or restricted stock units shall become fully vested.

The employment agreement provides for a gross-up for any excise taxes under Section 4999 of the Code imposed on excess parachute payments which may become payable to the executive, whether such payments arise with respect to accelerated vesting of the restricted stock units or under other plans or agreements.
