The document you hold in your hands contains your proxy statement and proxy card. Your proxy tells us how to vote on your behalf on important issues relating to your fund. If you complete and sign the proxy, we'll vote it exactly as you tell us. If you simply sign the proxy, we'll vote it in accordance with the Trustees' recommendations on page 3.

We urge you to carefully review the proxy statement, and provide your voting instructions by using any of the methods shown on your proxy card. When shareholders don't return their proxies in sufficient numbers, we have to make follow up solicitations, which can cost your fund money.

We want to know how you would like to vote and welcome your comments. Please take a few minutes with these materials and return your proxy to us.

A Message from the Chairman

Edgar Filing: PUTNAM MASTER INTERMEDIATE INCOME TRUST - Form DEF 14A

Dear Fellow Shareholder:

I am writing to you to ask for your vote on important matters that affect your investment in your fund. While you are, of course, welcome to join us at your fund's meeting, most shareholders cast their vote by either filling out and signing the enclosed proxy card or by voting via the Internet. We are asking for your vote on the following matter: fixing the number of Trustees and electing your fund's Trustees.

Although we would like very much to have each shareholder attend his or her fund's meeting, we realize that this may not be possible. Whether or not you plan to be present, we need your vote. We urge you to record your voting instructions on the Internet or by completing, signing, and returning the enclosed proxy card promptly. A postage-paid envelope is enclosed for mailing, and Internet voting instructions are listed at the top of your proxy card.

I'm sure that you, like most people, lead a busy life and are tempted to put this proxy aside for another day. Please don't. When shareholders do not vote their proxies, their fund may have to incur the expense of follow-up solicitations. All shareholders benefit from the speedy return of proxies.

Your vote is important to us. We appreciate the time and consideration I am sure you will give this important matter. If you have questions about the proposal please call a Putnam customer service representative at 1-800-225-1581 or contact your financial advisor.

Sincerely yours,

/S/ John A. Hill

Much of the information is required under rules of the Securities and Exchange Commission ("SEC"); some of it is technical. If there is anything you don't understand, please contact us at our toll-free number, 1-800-225-1581 or call your financial advisor.

* Who is asking for your vote?

* Who is eligible to vote?

The Proposals

I. Election of Trustees

* Who are the nominees for Trustees?

Edgar Filing: PUTNAM MASTER INTERMEDIATE INCOME TRUST - Form DEF 14A

The Board Policy and Nominating Committee of the Trustees of each fund makes recommendations concerning the Trustees of that fund. The Board Policy and Nominating Committee consists solely of Trustees who are not "interested persons" (as defined in the Investment Company Act of 1940) of your fund or of Putnam Investment Management, LLC, your fund's investment manager ("Putnam Management").

The Board Policy and Nominating Committee of the Trustees of each fund recommends that the number of Trustees be fixed at thirteen and that you vote for the election of the nominees described below. The 13 nominees for election as Trustees at the shareholder meeting of your fund who receive the greatest number of votes will be elected as Trustees of your fund.

The nominees for Trustees and their backgrounds are shown in the table below. The table discloses each nominee's name, date of birth, principal occupation(s) during the past 5 years, and other information about the nominee's professional background, including other directorships the nominee holds. Each nominee currently serves as a Trustee. Each Trustee oversees all of the Putnam funds and serves for an indefinite term until his or her resignation, death or removal. The address of all of the Trustees is One Post Office Square, Boston, Massachusetts 02109. At December 31, 2002, there were 101 Putnam funds.

Messrs. The 13 nominees for election as Trustees at the shareholder meeting of your fund who receive the greatest number of votes will be elected as Trustees of your fund. The Trustees serve until their successors are elected and qualified. Each of the nominees has agreed to serve as a Trustee if elected. If any of the nominees is unavailable for election at the time of the meeting, which is not anticipated, the Trustees may vote for other nominees at their discretion, or the Trustees may fix the number of Trustees at less than 13 for your fund.

* What are the Trustees' responsibilities?

Your fund's Trustees are responsible for the general oversight of your fund's affairs and for assuring that your fund is managed in the best interests of its shareholders. The Trustees regularly review your fund's investment performance as well as the quality of other services provided to your fund and its shareholders by Putnam Management and its affiliates, including administration, custody, and shareholder servicing. At least annually, the Trustees review and evaluate the fees and operating expenses paid by your fund for these services and negotiate changes that they deem appropriate. In carrying out these responsibilities, the Trustees are assisted by an independent administrative staff and by your fund's auditors, counsel and other experts as appropriate, selected by and responsible to the Trustees.

Your fund's Trustees have determined that the efficient conduct of your fund's affairs makes it desirable to delegate responsibility for certain specific matters to committees of the board. Certain committees (the Executive Committee, Distributions Committee, and Audit and Pricing Committee) are authorized to act for the Trustees as specified in their charters. The other committees review and evaluate matters specified in their charters and make recommendations to the Trustees as they deem appropriate. Each committee may utilize the resources of your fund's independent staff, counsel and auditors as well as other experts. The committees meet as often as necessary, either in conjunction with regular meetings of the Trustees or otherwise. The membership and chairman of each committee are appointed by the Trustees upon

Edgar Filing: PUTNAM MASTER INTERMEDIATE INCOME TRUST - Form DEF 14A

recommendation of the Board Policy and Nominating Committee.

Audit and Pricing Committee. The Audit and Pricing Committee provides oversight on matters relating to the preparation of the funds' financial statements, compliance matters and Code of Ethics issues. This oversight is discharged by regularly meeting with management and the funds' independent auditors and keeping current on industry developments. Duties of this Committee also include the review and evaluation of all matters and relationships pertaining to the funds' independent auditors, including their independence. The members of the Audit and Pricing Committee of your fund include only Trustees who are not "interested persons" of the fund or Putnam Management. Each member of the Audit and Pricing Committee is "independent" as defined in Sections 303.01(B)(2)(a) and (3) of the listing standards of the New York Stock Exchange. The Committee also reviews the funds' policies and procedures for achieving accurate and timely pricing of the funds' shares, including oversight of fair value determinations of individual securities made by Putnam Management or other designated agents of the funds. The Committee oversees compliance by money market funds with Rule 2a-7, interfund transactions pursuant to Rule 17a-7, and the correction of occasional pricing errors. The Committee also receives reports regarding the liquidity of portfolio securities. The Trustees have adopted a written charter for the Audit and Pricing Committee. The Committee currently consists of Dr. Joskow (Chairperson), Messrs. Thorndike and Stephens and Dr. Kennan.

Board Policy and Nominating Committee. The Board Policy and Nominating Committee reviews matters pertaining to the operations of the Board of Trustees and its Committees, the compensation of the Trustees and their staff, and the conduct of legal affairs for the funds. The Committee evaluates and recommends all candidates for election as Trustees and recommends the appointment of members and chairs of each board committee. The Committee also reviews policy matters affecting the operation of the Board and its independent staff and makes recommendations to the Board as appropriate. The Committee consists only of Trustees who are not "interested persons" of your fund or Putnam Management. The Committee also oversees the voting of proxies associated with portfolio investments of the Putnam funds, with the goal of ensuring that these proxies are voted in the best interest of the fund's shareholders. The Board Policy and Nominating Committee currently consists of Dr. Kennan (Chairperson), Ms. Baxter and Messrs. Hill, Mullin, Patterson and Thorndike. The Board Policy and Nominating Committee will consider nominees for trustee recommended by shareholders of a fund provided shareholders submit their recommendations by the date disclosed in the fund's proxy statement and provided the shareholders' recommendations otherwise comply with applicable securities laws, including Rule 14a-8 under the Securities Exchange Act of 1934.

Brokerage and Custody Committee. The Brokerage and Custody Committee reviews the policies and procedures of the funds regarding the execution of portfolio transactions for the funds, including policies regarding the allocation of brokerage commissions and soft dollar credits. The Committee reviews periodic reports regarding the funds' activities involving derivative securities, and reviews and evaluates matters relating to the funds' custody arrangements. The Committee currently consists of Messrs. Jackson (Chairperson), Curtis, Mullin, Thorndike, Ms. Baxter and Dr. Kennan.

Communication, Service and Marketing Committee. This Committee examines the quality, cost and levels of services provided to the shareholders of the Putnam funds. The Committee also reviews communications sent from the funds to their shareholders, including shareholder reports, prospectuses, newsletters and other materials. In addition, the

Edgar Filing: PUTNAM MASTER INTERMEDIATE INCOME TRUST - Form DEF 14A

Committee oversees marketing and sales communications of the funds' distributor. The Committee currently consists of Messrs. Putnam (Chairperson), Smith, Stephens, Thorndike and Dr. Joskow.

Contract Committee. The Contract Committee reviews and evaluates, at least annually, all arrangements pertaining to (i) the engagement of Putnam Management and its affiliates to provide services to the funds, (ii) the expenditure of the funds' assets for distribution purposes pursuant to the Distribution Plans of the funds, and (iii) the engagement of other persons to provide material services to the funds, including in particular those instances where the cost of services is shared between the funds and Putnam Management and its affiliates or where Putnam Management or its affiliates have a material interest. The Committee recommends to the Trustees such changes in arrangements that it deems appropriate. The Committee also reviews the conversion of Class B shares into Class A shares of the open-end funds in accordance with procedures approved by the Trustees. After review and evaluation, the Committee recommends to the Trustees the proposed organization of new Fund products, and proposed structural changes to existing funds. Its oversight of the closed-end funds includes (i) investment performance, (ii) trading activity, (iii) determinations with respect to sunroof provisions, (iv) disclosure practices, and (v) the use of leverage. The Committee consists only of Trustees who are not "interested persons" of your fund or Putnam Management. The Committee currently consists of Ms. Baxter (Chairperson) and Messrs. Curtis, Jackson, Mullin and Patterson.

Distributions Committee. This Committee oversees all Fund distributions and approves the amount and timing of distributions paid by all the funds to the shareholders when the Trustees are not in session. The Committee also meets regularly with representatives of Putnam Investments to review distribution levels and the funds' distribution policies. The Committee currently consists of Messrs. Patterson (Chairperson), Jackson, Thorndike and Dr. Joskow.

Executive Committee. The functions of the Executive Committee are twofold. The first is to ensure that the funds' business may be conducted at times when it is not feasible to convene a meeting of the Trustees or for the Trustees to act by written consent. The Committee may exercise any or all of the power and authority of the Trustees when the Trustees are not in session. The second is to establish annual and ongoing goals, objectives and priorities for the Board of Trustees and to insure coordination of all efforts between the Trustees and Putnam Investments on behalf of the shareholders of the Putnam funds. The Committee currently consists of Messrs. Hill (Chairman), Jackson, Putnam, Thorndike, Ms. Baxter and Dr. Joskow.

Investment Oversight Committees. These Committees regularly meet with investment personnel of Putnam Management to review the investment performance and strategies of the Putnam funds in light of their stated investment objectives and policies. Investment Oversight Committee A currently consists of Messrs. Curtis (Chairperson), Hill, and Lasser and Dr. Kennan. Investment Oversight Committee B currently consists of Dr. Joskow (Chairperson), Ms. Baxter and Mr. Putnam. Investment Committee C currently consists of Messrs. Mullin (Chairperson), Jackson and Smith. Investment Oversight Committee D currently consists of Messrs. Patterson (Chairperson), Stephens and Thorndike.

The Investment Company Act of 1940 requires that your fund have a minimum proportion of trustees who are not affiliated in any way with your fund's investment manager, principal underwriter from time to time or any broker-dealer. These independent trustees must vote separately to approve all financial arrangements and other agreements with your fund's

Edgar Filing: PUTNAM MASTER INTERMEDIATE INCOME TRUST - Form DEF 14A

investment manager and other affiliated parties. The role of independent trustees has been characterized as that of a "watchdog" charged with oversight to protect shareholders' interests against overreaching and abuse by those who are in a position to control or influence a fund. The Trustees of your fund believe that independent trustees should represent at least two-thirds of the members of the board. Your fund's independent trustees meet regularly as a group in executive session.

* How large a stake do the Trustees have in the Putnam family of funds?

The Trustees believe each Trustee should have a significant investment in the Putnam funds. The Trustees allocate their investments among the Putnam funds based on their own investment needs. The table below shows the number of shares beneficially owned by each Trustee and the value of each Trustee's holdings in each fund and in all of the Putnam funds as of February 28, 2003.

* What are some of the ways in which the Trustees represent shareholder interests?

The Trustees believe that, as substantial investors in the Putnam funds, their interests are closely aligned with those of individual shareholders. Among other ways, the Trustees seek to represent shareholder interests:

* by carefully reviewing your fund's investment performance on an individual basis with your fund's managers;

* by also carefully reviewing the quality of the various other services provided to the funds and their shareholders by Putnam Management and its affiliates;

* by discussing with senior management of Putnam Management steps being taken to address any performance deficiencies;

* by conducting an in-depth review of the fees paid by each fund and by

Edgar Filing: PUTNAM MASTER INTERMEDIATE INCOME TRUST - Form DEF 14A

negotiating with Putnam Management to ensure that such fees remain reasonable and competitive with those of other mutual funds, while at the same time providing Putnam Management sufficient resources to continue to provide high quality services in the future;

* by reviewing brokerage costs and fees, allocations among brokers, soft dollar expenditures and similar expenses of each fund;

* by monitoring potential conflicts between the funds and Putnam Management and its affiliates to ensure that the funds continue to be managed in the best interests of their shareholders; and

* by also monitoring potential conflicts among funds to ensure that shareholders continue to realize the benefits of participation in a large and diverse family of funds.

* How often do the Trustees meet?

The Trustees meet each month (except August) over a two-day period to review the operations of your fund and of the other Putnam funds. A portion of these meetings is devoted to meetings of various committees of the board which focus on particular matters. Each Trustee generally attends at least two formal committee meetings during each regular meeting of the Trustees. During 2002, the average Trustee participated in approximately 40 committee and board meetings. In addition, the Trustees meet in small groups with Chief Investment Officers and Portfolio Managers to review recent performance and the current investment climate for selected funds. These meetings ensure that each fund's performance is reviewed in detail at least twice a year. The Contract Committee typically meets on several additional occasions during the year to carry out its responsibilities. Other committees, including the Executive Committee, may also meet on special occasions as the need arises. The number of times each committee met during your fund's last fiscal year is shown in the table below:

* Effective February 2002, the Pricing Committee's functions were merged into the Audit and Pricing Committee. The number of meetings shown represents the number of meetings held by the Audit Committee during each fund's last fiscal year. The Pricing Committee met 2 times prior to the combination.

** Effective March 2002, the Proxy Committee's functions were merged into the Board Policy and Nominating Committee. The number of meetings shown represents the number of meetings held by the Board Policy and Nominating Committee during each fund's last fiscal year. The Proxy Committee met 2 times prior to the combination.

* What are the Trustees paid for their services?

Each Trustee of your fund receives a fee for his or her services. Each Trustee also receives fees for serving as Trustee of the other Putnam funds. Each Trustee of the fund receives an annual fee and an additional fee for each Trustees' meeting attended. Trustees who are not interested persons of Putnam Management and who serve on committees of the Trustees receive additional fees for attendance at certain committee meetings and for special services rendered in that connection. All of the Trustees are Trustees of all the Putnam funds and each receives fees for his or her services.

The Trustees periodically review their fees to assure that such fees continue to be appropriate in light of their responsibilities as well as in relation to fees paid to trustees of other mutual fund complexes. The Board Policy and Nominating Committee, which consists solely of Trustees not affiliated with Putnam Management, estimates that Committee and Trustee meeting time, together with the appropriate preparation, requires the equivalent of at least three business days per Trustee meeting. The following table shows the fees paid to each Trustee by your fund for its most recent fiscal year and the fees paid to each Trustee by all of the Putnam funds during calendar year 2002:

(6) Includes additional compensation to Messrs. Hill and Putnam for services as Chairman of the Trustees and President of the Funds, respectively.

Under a Retirement Plan for Trustees of the Putnam funds (the "Plan"), each Trustee who retires with at least five years of service as a Trustee of the funds is entitled to receive an annual retirement benefit equal to one-half of the average annual compensation paid to such Trustee for the last three years of service prior to retirement. This retirement benefit is payable during a Trustee's lifetime, beginning the year following retirement, for a number of years equal to such Trustee's years of service. A death benefit, also available under the Plan, assures that the Trustee and his or her beneficiaries will receive benefit payments for the lesser of an aggregate period of (i) ten years or (ii) such Trustee's total years of service.

The Plan Administrator (a committee comprised of Trustees that are not "interested persons" of the fund, as defined in the Investment Company Act of 1940) may terminate or amend the Plan at any time, but no termination or amendment will result in a reduction in the amount of benefits (i) currently being paid to a Trustee at the time of such termination or amendment, or (ii) to which a current Trustee would have been entitled had he or she retired immediately prior to such termination or amendment.

Further information about voting and the meeting

Quorum and methods of tabulation. The shareholders of each fund vote separately with respect to the proposal. In the case of each fund, a majority of the shares entitled to vote constitutes a quorum, for the transaction of business with respect to any proposal at the meeting (unless otherwise noted in the proxy statement). Votes cast by proxy or in person at the meeting will be counted by persons appointed by your fund as tellers for the meeting. The tellers will count the total number of votes cast "for" approval of a proposal for purposes of determining whether sufficient affirmative votes have been cast. Shares represented by proxies that reflect abstentions and "broker non-votes" (i.e., shares held by brokers or nominees as to which (i) instructions have not been received from the beneficial owners or the persons entitled to vote and (ii) the broker or nominee does not have the discretionary voting power on a particular matter) will be counted as shares that are present and entitled to vote on the matter for purposes of determining the presence of a quorum. With respect to the election of Trustees, neither abstentions nor broker non-votes have any effect on the outcome of the proposal. With respect to any other proposals, abstentions and broker non-votes have the effect of a negative vote on the proposal.

Other business. The Trustees know of no matters other than those set forth herein to be brought before the meeting. If, however, any other matters properly come before the meeting, it is the Trustees' intention that proxies will be voted on such matters in accordance with the judgment of the persons named in the enclosed form of proxy.

Simultaneous meetings. The meeting of shareholders of your fund is called to be held at the same time as the meetings of shareholders of certain of the other Putnam funds. It is anticipated that all meetings will be held simultaneously.

Edgar Filing: PUTNAM MASTER INTERMEDIATE INCOME TRUST - Form DEF 14A

If any shareholder at the meeting objects to the holding of a simultaneous meeting and moves for an adjournment of the meeting to a time promptly after the simultaneous meetings, the persons named as proxies will vote in favor of such adjournment.

Solicitation of proxies. In addition to soliciting proxies by mail, Trustees of your fund and employees of Putnam Management, Putnam Fiduciary Trust Company, and Putnam Retail Management may solicit proxies in person or by telephone. Your fund may arrange to have a proxy solicitation firm, D.F. King & Co., Inc., call you to record your voting instructions by telephone. If you wish to speak to a D.F. King & Co., Inc. representative, call 1-800-735-3428. The procedures for voting proxies by telephone are designed to authenticate shareholders' identities, to allow them to authorize the voting of their shares in accordance with their instructions and to confirm that their instructions have been properly recorded. Your fund has been advised by counsel that these procedures are consistent with the requirements of applicable law. If these procedures were subject to a successful legal challenge, such votes would not be counted at the meeting. Your fund is unaware of any such challenge at this time. Shareholders would be called at the phone number Putnam Management has in its records for their accounts, and would be asked for their Social Security number or other identifying information. The shareholders would then be given an opportunity to authorize the proxies to vote their shares at the meeting in accordance with their instructions. To ensure that the shareholders' instructions have been recorded correctly, they will also receive a confirmation of their instructions in the mail. A special toll-free number will be available in case the information contained in the confirmation is incorrect.

Shareholders have the opportunity to submit their voting instructions via the Internet by utilizing a program provided by a third party vendor hired by Putnam Management. The giving of such a proxy will not affect your right to vote in person should you decide to attend the meeting. To vote via the Internet, you will need the "control" number that appears on your proxy card. To use the Internet, please access the Internet address listed on your proxy card. The Internet voting procedures are designed to authenticate shareholder identities, to allow shareholders to give their voting instructions, and to confirm that shareholders' instructions have been recorded properly. Shareholders voting via the Internet should understand that there may be costs associated with electronic access, such as usage charges from Internet access providers and telephone companies, that must be borne by the shareholders.

Your fund's Trustees have adopted a general policy of maintaining confidentiality in the voting of proxies. Consistent with this policy, your fund may solicit proxies from shareholders who have not voted their shares or who have abstained from voting.

Persons holding shares as nominees will, upon request, be reimbursed for their reasonable expenses in soliciting instructions from their principals. Your fund has retained at its own expense D.F. King & Co., Inc., 48 Wall Street, New York, NY 10005, to aid in the solicitation instructions for nominee accounts, for a fee not to exceed \$2,500 plus reasonable out-of-pocket expenses for mailing and phone costs. Your fund has also retained Material Information Services, 60 Research Road, Hingham, MA 02043-4393, to aid in the solicitation of instructions for registered accounts for a fee not to exceed \$5,000 plus reasonable out-of-pocket expenses. The expenses of the preparation of the proxy statements and related materials, including printing and delivery costs, are borne by each fund.

Edgar Filing: PUTNAM MASTER INTERMEDIATE INCOME TRUST - Form DEF 14A

Revocation of proxies. Proxies, including proxies given by telephone or over the Internet, may be revoked at any time before they are voted either (i) by a written revocation received by the Clerk of your fund, (ii) by properly executing a later-dated proxy, (iii) by recording later-dated voting instructions via the Internet or (iv) by attending the meeting and voting in person.

Date for receipt of shareholders' proposals for the next annual meeting. The Board Policy and Nominating Committee will consider nominees recommended by shareholders of each fund to serve as Trustees, provided that shareholders submit their recommendations by the date set forth below. If a shareholder who wishes to present a proposal fails to notify the fund by this date, the proxies solicited for the meeting will have discretionary authority to vote on the shareholder's proposal if it is properly brought before the meeting. If a shareholder makes a timely notification, the proxies may still exercise discretionary voting authority under circumstances consistent with the SEC's proxy rules. Shareholders who wish to propose one or more nominees for election as Trustees, or to make a proposal fixing the number of Trustees, at the June 2003 annual meeting must provide written notice to the fund (including all required information) so that such notice is received in good order by the fund no earlier than March 14, 2003 and no later than April 14, 2003. It is currently anticipated that your fund's next annual meeting of shareholders will be held in June 2004. Shareholder proposals to be included in the proxy statement for that meeting must be received by your fund before December 10, 2003. Shareholders who wish to make a proposal at the June 2004 annual meeting--other than one that will be included in the fund's proxy materials--should notify the fund no later than February 22, 2004.

Adjournment. If sufficient votes in favor of any of the proposals set forth in the Notice of the Meeting are not received by the time scheduled for the meeting, the persons named as proxies may propose adjournments of the meeting for a period or periods of not more than 60 days in the aggregate to permit further solicitation of proxies. Any adjournment will require the affirmative vote of a majority of the votes cast on the question in person or by proxy at the session of the meeting to be adjourned. The persons named as proxies will vote in favor of adjournment those proxies that they are entitled to vote in favor of the proposals. They will vote against any such adjournment those proxies required to be voted against the proposals. Your fund pays the costs of any additional solicitation and of any adjourned session. Any proposals for which sufficient favorable votes have been received by the time of the meeting may be acted upon and considered final regardless of whether the meeting is adjourned to permit additional solicitation with respect to any other proposal.

Financial information. Your fund will furnish to you upon request and without charge, a copy of the fund's annual report for its most recent fiscal year, and a copy of its semiannual report for any subsequent semiannual period. Such requests may be directed to Putnam Investor Services, P.O. Box 41203, Providence, RI 02940-1203 or 1-800-225-1581.

and consulting businesses. Putnam Fiduciary Trust Company, the fund's investor servicing agent and custodian is also a subsidiary of Putnam Investments. The address of the executive offices of Marsh & McLennan Companies, Inc. is 1166 Avenue of the Americas, New York, New York 10036.

Limitation of Trustee liability. The Agreement and Declaration of Trust of each fund provides that the fund will indemnify its Trustees and officers against liabilities and expenses incurred in connection with litigation in which they may be involved because of their offices with the fund, except if it is determined in the manner specified in the Agreement and Declaration of Trust that they have not acted in good faith in the reasonable belief that their actions were in the best interests of the fund or that such indemnification would relieve any officer or Trustee of any liability to the fund or its shareholders arising by reason of willful misfeasance, bad faith, gross negligence or reckless disregard of his or her duties. Your fund, at its expense, provides liability insurance for the benefit of its Trustees and officers.

Independent Auditors. KPMG LLP, 99 High Street, Boston, Massachusetts 02110, independent accountants, has been selected by the Trustees as the independent auditors of your fund for the current fiscal year. The Audit and Pricing Committee of the Board of Trustees unanimously approved the selection of KPMG LLP in July 2000 for Putnam Master Intermediate Income Trust and July 1999 for Putnam Premier Income Trust, and the Trustees unanimously approved such selection in July 2000 for Putnam Master Intermediate Income Trust and July 1999 for Putnam Premier Income Trust. Among the country's preeminent accounting firms, this firm also serves as the auditor for various other funds in the Putnam family. It was selected primarily on the basis of its expertise as auditors of investment companies, the quality of its audit services and the competitiveness of its fees. A representative of the independent auditors is expected to be present at the meeting to make statements and to respond to appropriate questions.

The following table sets forth the aggregate fees billed for professional services rendered by your fund's principal accountant for the fund's most recent fiscal year:

	Audit Fees	Audit Fees for All Putnam Funds	Financial Information Systems Design and Implementation Fees	All Other Fees

Putnam Master Intermediate Income Trust	\$32,100	\$1,007,900	\$0	\$6,800

Putnam Premier Income Trust	\$29,500	\$1,063,800	\$0	\$6,800

The fees disclosed in the table above under the caption "Audit Fees" are the aggregate fees billed for professional services rendered for the audit of your fund's annual financial statements for the most recent fiscal year. The fees disclosed under the caption "Audit Fees for All Putnam Funds" are the aggregate fees billed for professional services rendered for the audits of all Putnam funds for which your fund's independent accountants served as auditors for each such fund's most recent fiscal year ending on or before your fund's most recent fiscal

Edgar Filing: PUTNAM MASTER INTERMEDIATE INCOME TRUST - Form DEF 14A

year end. The fees disclosed under the captions "Financial Information Systems Design and Implementation Fees" and "All Other Fees" include fees billed for services, if any, rendered for your fund's most recent fiscal year to your fund, to Putnam Management, the fund's investment manager, and to any entity controlling, controlled by or under common control with Putnam Management that provides services to the fund. The amounts disclosed in "All Other Fees" are entirely related to providing tax compliance assistance for the respective fund and other assurance services.

The Audit and Pricing Committee of the Board of Trustees is responsible for making recommendations to the Trustees as to the selection of your fund's auditors. (Additional information about the Audit and Pricing Committee is included under "Election of Trustees.") The Audit and Pricing Committee has established a policy, in addition to other practices and requirements relating to the selection of the fund's auditors, that all non-audit services proposed to be performed by your fund's principal accountants for the fund, Putnam Management and certain related parties be considered and approved by the Audit and Pricing Committee or by an authorized representative of the committee in advance of the provision of such services. This pre-clearance policy calls for the consideration, among other things, of whether the provision of the proposed services would be compatible with maintaining the independence of your fund's principal accountants. The provision of services covered in the table above under "Financial Information Systems Design and Implementation Fees" and "All Other Fees" was approved in accordance with such pre-clearance policy.

The Audit and Pricing Committee of your fund has submitted the following report:

The Audit and Pricing Committee has reviewed and discussed with management of your fund the audited financial statements for the last fiscal year. The Audit and Pricing Committee has discussed with your fund's independent auditors the matters required to be discussed by Statements on Auditing Standard No. 61 (SAS 61). SAS 61 requires independent auditors to communicate to the Audit and Pricing Committee matters including, if applicable: (1) methods used to account for significant unusual transactions; (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus; (3) the process used by management in formulating particularly sensitive accounting estimates and the basis for the auditor's conclusions regarding the reasonableness of those estimates and (4) disagreements with management over the application of accounting principles and certain other matters. The Audit and Pricing Committee has received the written disclosures and the letter from your fund's independent accountants required by the SEC's Independence Standards (among other things, requiring auditors to make written disclosures to and discuss with the Audit and Pricing Committee various matters relating to the auditor's independence), and has discussed with such accountants the independence of such accountants. Based on the foregoing review and discussions, the Audit and Pricing Committee recommended to the Trustees that the audited financial statements for the last fiscal year be included in your fund's annual report to shareholders for the last fiscal year.
