

VanEck Vectors ETF Trust
Form 497
September 01, 2017

**SUPPLEMENT DATED SEPTEMBER 1, 2017 TO THE
STATEMENT OF ADDITIONAL INFORMATION OF
VANECK VECTORS ETF TRUST**

Dated February 1, 2017, as amended and restated on March 10, 2017

This Supplement updates certain information contained in the above-dated Statement of Additional Information (“SAI”) for VanEck Vectors ETF Trust (the “Trust”) regarding VanEck Vectors Biotech ETF, VanEck Vectors Environmental Services ETF, VanEck Vectors Gaming ETF, VanEck Vectors Generic Drugs ETF, VanEck Vectors Global Spin-Off ETF, VanEck Vectors Morningstar International Moat ETF, VanEck Vectors Morningstar Wide Moat ETF, VanEck Vectors Pharmaceutical ETF, VanEck Vectors Retail ETF and VanEck Vectors Semiconductor ETF (each, a “Fund” and, together, the “Funds”). You may obtain copies of the Funds’ Statement of Additional Information free of charge, upon request, by calling toll-free 1.800.826.2333 or by visiting the Van Eck website at www.vaneck.com.

Effective September 5, 2017 (the “Effective Date”), consistent with the U.S. Securities and Exchange Commission’s adoption of a rule amendment shortening the standard settlement cycle from “T+3” to “T+2” for most broker-dealer transactions, each series of the Trust to which this SAI relates will generally (except as otherwise described in the SAI) issue creation units and deliver redemption proceeds on a “T+2 basis” (*i.e.*, two business days after the trade date), except for VanEck Vectors Generic Drugs ETF, which will generally (except as otherwise described in the SAI) issue creation units on a “T+2” basis and deliver redemption proceeds on a “T+3” basis.

Accordingly, the following changes are made to the SAI as of the Effective Date:

- The section of the SAI entitled “CREATION AND REDEMPTION OF CREATION UNITS—Placement of Creation Orders Using Clearing Process” is replaced with the following:**

Fund Deposits created through the Clearing Process, if available, must be delivered through a Participating Party that has executed a Participant Agreement.

The Participant Agreement authorizes the Distributor to transmit to NSCC on behalf of the Participating Party such trade instructions as are necessary to effect the Participating Party’s creation order. Pursuant to such trade instructions from the Distributor to NSCC, the Participating Party agrees to transfer the requisite Deposit Securities (or contracts

to purchase such Deposit Securities that are expected to be delivered in a “regular way” manner by the second (2nd) Business Day) and the Cash Component to the Trust, together with such additional information as may be required by the Distributor. An order to create Creation Units of a Fund through the Clearing Process is deemed received by the Distributor on the Transmittal Date if (i) such order is received by the Distributor not later than the Closing Time on such Transmittal Date and (ii) all other procedures set forth in the Participant Agreement are properly followed.

2. The section of the SAI entitled “CREATION AND REDEMPTION OF CREATION UNITS—Placement of Creation Orders Outside Clearing Process—Domestic Funds” is replaced with the following:

Fund Deposits created outside the Clearing Process must be delivered through a DTC Participant that has executed a Participant Agreement. A DTC Participant who wishes to place an order creating

Creation Units of the Funds to be effected outside the Clearing Process need not be a Participating Party, but such orders must state that the DTC Participant is not using the Clearing Process and that the creation of Creation Units will instead be effected through a transfer of securities and cash. The Fund Deposit transfer must be ordered by the DTC Participant in a timely fashion so as to ensure the delivery of the requisite number of Deposit Securities through DTC to the account of the Trust by no later than 11:00 a.m. Eastern time, of the next Business Day immediately following the Transmittal Date. All questions as to the number of Deposit Securities to be delivered, and the validity, form and eligibility (including time of receipt) for the deposit of any tendered securities, will be determined by the Trust, whose determination shall be final and binding. The cash equal to the Cash Component must be transferred directly to the Distributor through the Federal Reserve wire system in a timely manner so as to be received by the Distributor no later than 2:00 p.m. Eastern time, on the next Business Day immediately following the Transmittal Date. An order to create Creation Units of a Fund outside the Clearing Process is deemed received by the Distributor on the Transmittal Date if (i) such order is received by the Distributor not later than the Closing Time on such Transmittal Date; and (ii) all other procedures set forth in the Participant Agreement are properly followed. However, if the Distributor does not receive both the requisite Deposit Securities and the Cash Component in a timely fashion on the next Business Day immediately following the Transmittal Date, such order will be cancelled. Upon written notice to the Distributor, such cancelled order may be resubmitted the following Business Day using a Fund Deposit as newly constituted to reflect the current NAV of the applicable Fund. The delivery of Creation Units so created will occur no later than the second (2nd) Business Day following the day on which the creation order is deemed received by the Distributor.

Additional transaction fees may be imposed with respect to transactions effected outside the Clearing Process (through a DTC participant) and in circumstances in which any cash can be used in lieu of Deposit Securities to create Creation Units. (See “Creation Transaction Fee” section below.)

3. The section of the SAI entitled “CREATION AND REDEMPTION OF CREATION UNITS—Placement of Redemption Orders Using Clearing Process” is replaced with the following:

Orders to redeem Creation Units of a Fund through the Clearing Process, if available, must be delivered through a Participating Party that has executed a Participant Agreement. An order to redeem Creation Units of a Fund using the Clearing Process is deemed received on the Transmittal Date if (i) such order is received by the Transfer Agent not later than 4:00 p.m. Eastern time on such Transmittal Date; and (ii) all other procedures set forth in the Participant Agreement are properly followed; such order will be effected based on the NAV of the applicable Fund as next determined. An order to redeem Creation Units of a Fund using the Clearing Process made in proper form but received by the Fund after 4:00 p.m. Eastern time, will be deemed received on the next Business Day immediately following the Transmittal Date. The requisite Fund Securities (or contracts to purchase such Fund Securities which are expected to be delivered in a “regular way” manner) and the applicable cash payment will be transferred by the second (2nd) Business Day following the date on which such request for redemption is deemed received.

4. The section of the SAI entitled “CREATION AND REDEMPTION OF CREATION UNITS—Placement of Redemption Orders Outside Clearing Process—Domestic Funds” is replaced with the following:

Orders to redeem Creation Units of a Fund outside the Clearing Process must be delivered through a DTC Participant that has executed a Participant Agreement. A DTC Participant who wishes to

place an order for redemption of Creation Units of a Fund to be effected outside the Clearing Process need not be a Participating Party, but such orders must state that the DTC Participant is not using the Clearing Process and that redemption of Creation Units of the Fund will instead be effected through transfer of Creation Units of the Fund directly through DTC. An order to redeem Creation Units of a Fund outside the Clearing Process is deemed received by the Transfer Agent on the Transmittal Date if (i) such order is received by the Transfer Agent not later than 4:00 p.m. Eastern time on such Transmittal Date; (ii) such order is preceded or accompanied by the requisite number of Shares of Creation Units specified in such order, which delivery must be made through DTC to the Transfer Agent on such Transmittal Date; and (iii) all other procedures set forth in the Participant Agreement are properly followed.

After the Transfer Agent has deemed an order for redemption outside the Clearing Process received, the Transfer Agent will initiate procedures to transfer the requisite Fund Securities (or contracts to purchase such Fund Securities) which are expected to be delivered within two Business Days and the cash redemption payment to the redeeming Beneficial Owner by the second Business Day following the Transmittal Date on which such redemption order is deemed received by the Transfer Agent. An additional variable redemption transaction fee of up to four times the basic transaction fee is applicable to redemptions outside the Clearing Process.

The first three paragraphs of the section of the SAI entitled “CREATION AND REDEMPTION OF 5. CREATION UNITS—Placement of Redemption Orders Outside Clearing Process—Foreign Funds” are hereby deleted and replaced with the following:

Arrangements satisfactory to the Trust must be in place for the Participating Party to transfer the Creation Units through DTC on or before the settlement date. Redemptions of Shares for Fund Securities will be subject to compliance with applicable U.S. federal and state securities laws and a Fund (whether or not it otherwise permits or requires cash redemptions) reserves the right to redeem Creation Units for cash to the extent that the Funds could not lawfully deliver specific Fund Securities upon redemptions or could not do so without first registering the Deposit Securities under such laws.

In connection with taking delivery of Shares for Fund Securities upon redemption of Creation Units, a redeeming shareholder or entity acting on behalf of a redeeming shareholder must maintain appropriate custody arrangements with a qualified broker-dealer, bank or other custody providers in each jurisdiction in which any of the Fund Securities are customarily traded, to which account such Fund Securities will be delivered. If neither the redeeming shareholder nor the entity acting on behalf of a redeeming shareholder has appropriate arrangements to take delivery of the Fund Securities in the applicable foreign jurisdiction and it is not possible to make other such arrangements, or if it is not possible to effect deliveries of the Fund Securities in such jurisdictions, the Trust may, in its discretion, exercise its option to redeem such Shares in cash, and the redeeming shareholder will be required to receive its redemption proceeds in cash.

Deliveries of redemption proceeds generally will be made within two business days. Due to the schedule of holidays in certain countries or for other reasons, however, the delivery of redemption proceeds may take longer than two business days after the day on which the redemption request is received in proper form. In such cases, the local market settlement procedures will not commence until the end of the local holiday periods.

The VanEck Vectors Generic Drugs ETF generally intends to effect creation transactions of Creation Units within two business days and settle redemption transactions on the third Business Day

following the trade date (“T+3”). For redemptions submitted on a dividend declaration date, the Fund intends to settle redemption transactions on the second business day (“T+2”). The Fund may effect deliveries of Creation Units and redemption proceeds on a basis other than T+2 or T+3, as the case may be, in order to accommodate local holiday schedules, to account for different treatment among foreign and U.S. markets of dividend record dates and ex-dividend dates or under certain other circumstances. If in-kind creations are permitted or required by the Fund, the ability of the Trust to effect in-kind creations and redemptions within T+2 and T+3, respectively, of receipt of an order in good form is subject to, among other things, the condition that, within the time period from the date of the order to the date of delivery of the securities, there are no days that are holidays in the applicable foreign market.

Please retain this supplement for future reference.
