Although the funds in the Trust that are managed by Messrs. Colby, Jin, Liao and Rodilosso may have different investment strategies, each has an investment objective of seeking to replicate as closely as possible, before fees and expenses, the price and yield performance of its respective underlying index. The Adviser does not believe that management of the various accounts presents a material conflict of interest for Messrs. Colby, Jin, Liao and Rodilosso or the Adviser.

The information respecting George Chao in the “Management – Portfolio Manager Share Ownership” section of the 2.SAI is hereby deleted in its entirety. Additionally, the following sentence is added after the third table in the “Management – Portfolio Manager Share Ownership” section of the SAI:
