PART II. INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

Item 3. *Incorporation of Documents by Reference.*

The following documents and information previously filed with the Commission are hereby incorporated by reference:

- (a) The Registrant's Annual Report filed on Form 10-K for the fiscal year ended April 30, 2002;
- (b) All other reports filed by the Registrant pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 since April 30, 2002; and

All documents subsequently filed by the Registrant pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Securities Exchange Act of 1934, prior to the filing of a post-effective amendment which indicates that all securities offered have been sold or which deregisters all securities remaining unsold, shall be deemed to be incorporated by reference in this Registration Statement and to be part hereof from the date of filing such documents.

Item 4. *Description of Securities.*

Not applicable.

Item 5. *Interests of Named Experts and Counsel.*

The firm of Gambrell & Stolz, L.L.P., Atlanta, Georgia, is general counsel to the Registrant. As of August 16, 2002, lawyers associated with that firm owned or had options to purchase 69,000 Class A Common Shares of the Registrant. David H. Gambrell, partner in that firm, is a Director of the Registrant.

Item 6. *Indemnification of Directors and Officers.*

O.C.G.A. Section 14-2-851 authorizes a corporation to indemnify a director against liability incurred in a proceeding if the director acted in good faith and reasonably believed that, in the case of conduct in his or her official capacity, that such conduct was in the best interest of the corporation or, in all other cases, that such conduct was at least not opposed to the best interests of the corporation and, in the case of a criminal proceeding, that the director had no reasonable cause to believe such conduct was unlawful.

O.C.G.A. Section 14-2-857 authorizes a corporation to indemnify an officer to the same extent as a director and, if the officer is not also a director, to such further extent as may be provided by the articles of incorporation, the bylaws, a resolution of the board of directors or contract, except for liability arising out of appropriation of any business opportunity of the company, acts or omissions involving intentional misconduct or a knowing violation of the law, liabilities arising from unlawful distributions, or receipt of an improper personal benefit.

Article IV, Section 11 of the Registrant's Bylaws and Article VII of the Registrant's Articles of Incorporation provide for indemnification of its directors, officers, agents and employees, to the extent permissible under Georgia law, including liabilities that may arise under the Securities Act of 1933. In addition, the Registrant has entered into indemnification agreements with its directors and has purchased directors and officers insurance.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment of this registration statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(2) That, for purposes of determining any liability under the Securities Act of

1933, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) That, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
