Item 1.01 Entry into Material Definitive Agreement.

On April 23, 2007, Halozyme Therapeutics, Inc. (Halozyme), and New River Management V, LP (New River), entered into a definitive stock purchase agreement (the Purchase Agreement). Under the terms of the Purchase Agreement (as further described in Item 3.02 below), New River will purchase 3,500,000 newly-issued shares of Halozyme s common stock for an aggregate price of \$32,095,000.

Item 3.02 Unregistered Sales of Equity Securities.

Pursuant to the Purchase Agreement entered into on April 23, 2007, Halozyme will sell 3,500,000 shares of its common stock, \$0.001 par value per share (the Shares), to New River. The Shares will be sold at a purchase price of \$9.17 per share, and Halozyme will receive gross proceeds of \$32,095,000. The per share purchase price represents a premium of \$0.22 per share to the closing price of Halozyme s common stock on the date that the parties executed the Purchase Agreement.

New River is a private equity fund managed by Third Security LLC and affiliated with Halozyme s largest stockholder, Randal J. Kirk. Halozyme s Board of Directors specifically approved the sale of the Shares to New River.

The sale of the Shares is contingent upon the satisfaction of customary closing conditions, including the receipt of anti-trust clearance. If the necessary closing conditions are not met on or before July 6, 2007, then either party will have the right to not proceed with the transaction. Halozyme anticipates that the sale of the Shares will be completed in late May. No shareholder approval is required for the sale of the Shares. New River represented that it is an accredited investor as defined in the Securities Act of 1933, as amended (the Securities Act), and the Shares will be sold pursuant to exemptions from registration under Regulation D of the Securities Act. Proceeds from the sale of the Shares will be used to support Halozyme s ongoing operations, including research and development activities, as well as for other general corporate purposes.

Halozyme will not immediately file a registration statement with the Securities and Exchange Commission (the SEC) covering the resale of the Shares, but Halozyme has agreed to file a registration statement with the SEC on or before November 1, 2007, covering the resale of the Shares.

The preceding description of the Purchase Agreement is a summary of the material terms of that agreement and does not purport to be complete, and is qualified in its entirety by the copy of such agreement which is attached as Exhibit 99.1.
