The Credit Agreement will become effective upon the satisfaction of various conditions, including the issuance of a minimum amount of equity by a certain date, and is intended to partially fund the acquisition (the “Acquisition”) of Wood Mackenzie Limited. The credit facility may also be used for general corporate purposes, including working capital needs and capital expenditures, acquisitions and share repurchase programs. Upon effectiveness, the Credit Agreement will replace the Company’s existing credit facility and increase the total revolving credit facility from \$990,000,000 to \$1,750,000,000, extend the maturity date to 2020, increase the maximum consolidated funded debt leverage ratio during the four-quarter period following the Acquisition, modify certain guaranty requirements, covenants, representations and warranties and add an additional leverage-based pricing level to the applicable rate and the corresponding pricing grid. All borrowings under the credit facility will continue to remain unsecured.

The foregoing description of the Credit Agreement is qualified in its entirety by reference to the Credit Agreement, which is annexed as Exhibit 10.1 and is incorporated by reference in its entirety.
