Item 8.01. Other Events.

Curtiss-Wright Corporation (the Registrant) announced today that it has received a supplemental ruling from the Internal Revenue Service that will permit the Registrant to go forward with its proposed recapitalization of its Common Stock and Class B Common Stock into a single class of common stock. The recapitalization proposal still requires the affirmative vote of a majority of the holders of both classes of stock voting as a single class and will be presented at the Annual Meeting of Stockholders scheduled for May 19, 2005.

If the recapitalization proposal is approved by stockholders, the Class B Common Stock (NYSE: CW.B) will be exchanged on a one-for-one basis for Common Stock (NYSE: CW). This will result in an elimination of the CW.B ticker and all of the current outstanding shares will begin trading under the CW ticker approximately five days after the Annual Meeting. Additionally, holders of Class B Common Stock will receive written instructions on how to exchange Class B Common Stock certificates for an equal number of shares of Common Stock. Holders of Common Stock will not need to exchange their stock certificates as a result of the transaction.

A copy of the press release announcing the receipt of the supplemental ruling is filed as Exhibit 99.1 hereto. Such exhibit is incorporated by reference into this Item 8.01 and the foregoing description is qualified in its entirety by reference to such exhibit.
