**Item 1.01 Entry into a Material Definitive Agreement.**

On June 10, 2009, The Greenbrier Companies, Inc., an Oregon corporation (the *Company* ), entered into the WLR Credit Agreement (as defined below), the Warrant Agreement (as defined below) and the Investor Agreement (as defined below) pursuant to which, among other things, the Company obtained a \$75.0 million term loan and issued warrants to purchase shares of its common stock, as more fully described below (collectively, the *WLR Transactions* ).

***WLR Credit Agreement***

On June 10, 2009, the Company entered into a Credit Agreement (the *WLR Credit Agreement* ), among the Company as borrower, WLR Recovery Fund IV, L.P. ( *Recovery Fund* ) and WLR IV Parallel ESC, L.P. ( *Parallel Fund* ) and together with Recovery Fund, the *Holder* ) as holders, the other holders party thereto, and WL Ross & Co. LLC, as Administrative Agent for such holders.

The WLR Credit Agreement provides for a \$75.0 million secured term loan. The outstanding principal amount of loan under the WLR Credit Agreement may not exceed the borrowing base, which is derived from specified percentages of the value of eligible accounts receivable, eligible inventory and eligible property, plant and equipment of the Company's refurbishment and parts business domestic subsidiaries. The Company must provide additional collateral having a value equal to such shortfall in the borrowing base, or prepay the loan in such amount. The Company may prepay the loan under the WLR Credit Agreement in whole or in part at any time without premium or penalty. Amounts prepaid may not be re-borrowed.

The loan bears interest, at the Company's option, at a rate equal to a base rate determined in accordance with the WLR Credit Agreement or at the three-month London interbank offered rate ( *LIBOR* ), in each case plus 3.50%. Interest on the loan is due and payable quarterly in arrears if bearing interest at the base rate and at the end of the interest period if bearing interest at LIBOR. Principal, together with all accrued and unpaid interest, is due and payable on June 10, 2012.

The Company's obligations under the WLR Credit Agreement are secured by substantially all of the assets of each of the Company's existing and future domestic subsidiaries engaged in the refurbishment and parts business. The Company also pledged to the Administrative Agent amounts owing to the Company under the Amended and Restated Loan and Security Agreement, dated as of February 3, 2009, among the Company, Greenbrier-GIMSA, LLC and Gunderson GIMSA S. de R.L. de C.V (the *GIMSA Loan* ).

All of the Company's existing and future domestic subsidiaries are required to guaranty the obligations under the WLR Credit Agreement, subject to some limited exceptions.

The WLR Credit Agreement contains customary affirmative covenants, including covenants regarding reporting requirements, maintenance of insurance, maintenance of properties and compliance with applicable laws and regulations. Further, the WLR Credit Agreement contains customary negative covenants limiting the ability of the Company and its subsidiaries, among other things, to grant liens, make investments, incur debt, make certain restricted payments or sell, transfer or dispose of assets, subject to certain exceptions. The Company and its subsidiaries are also restricted from engaging in the rail services business other than through certain rail services business subsidiaries (subject to certain exceptions), and the Company is restricted from taking certain actions in relation to the GIMSA Loan. The loan does not contain financial ratio covenants.

Upon an event of default, the holders may declare all outstanding principal and accrued but unpaid interest under the WLR Credit Agreement immediately due and payable and exercise other rights and

remedies provided for under the WLR Credit Agreement. The events of default under the WLR Credit Agreement include payment defaults, cross defaults with certain other indebtedness, breaches of covenants or representations and warranties, change in control of the Company and bankruptcy events.

The foregoing description of the WLR Credit Agreement is not complete and is qualified in its entirety by reference to the text of the WLR Credit Agreement attached as Exhibit 10.1 to this Form 8-K and incorporated by reference herein.

***Warrant Agreement***

On June 10, 2009, the Company entered into a Warrant Agreement, dated as of June 10, 2009, with Recovery Fund, Parallel Fund and the other holders from time to time party thereto (the ***Warrant Agreement***) pursuant to which the Company issued to the Holders warrants (the ***Warrants***) to purchase an aggregate of 3,377,903 shares of the Company's common stock, no par value per share (***Common Stock***).

The initial exercise price of the Warrants is \$6.00 per share, and the Warrants expire on June 10, 2014. A Holder may pay the exercise price of the Warrants in cash or by cancellation of principal amount and/or accrued interest payable by the Company to such Holder under the WLR Credit Agreement, in each case in an aggregate amount equal to the aggregate exercise price of the Warrants being exercised, or by cashless exercise.

The exercise price and the number of shares of Common Stock issuable upon exercise of the Warrants are subject to adjustment for (i) common stock dividends, subdivisions or combinations; (ii) other dividends and distributions in excess of a \$0.32 per annum cash dividend; and (iii) reorganizations, reclassifications, consolidations, mergers or sale of the Company. The exercise price and the number of shares of Common Stock issuable upon exercise of the Warrants are also subject to adjustment in the event the Company issues shares of Common Stock or convertible securities, subject to certain exceptions, without consideration or for a consideration per share that is less than 95% of the volume weighted average trading price of the Common Stock on the last trading day preceding the earlier of the date of agreement on pricing of such shares and the public announcement of the proposed issuance of such shares.

If events occurring after the date of the Warrant Agreement would result in an adjustment causing the Warrants to become exercisable in the aggregate for a number of shares of Common Stock that would exceed the number of shares that the Company may issue upon exercise of the Warrants under the rules and regulations of the applicable stock exchange, then from and after such time, upon exercise of any Warrant, the Company may elect to settle the Warrant in cash.

The Company shall not be obligated to issue any shares of Common Stock upon exercise of the Warrants to the extent that, the issuance of such shares of Common Stock would result in the WLR Group (or, if the applicable holder is not a member of the WLR Group, such holder or any of its affiliates) becoming an **Acquiring Person** as that term is defined in and calculated in accordance with the Stockholder Rights Agreement (as defined below), unless and until such excess shares are subject to the voting agreement as described under **Investor Rights and Restrictions Agreement** below. WLR Group is defined in the Third Amendment to the Stockholders Rights Agreement, a copy of which has been filed with this Current Report on Form 8-K.

The foregoing description of the Warrant Agreement is not complete and is qualified in its entirety by reference to the text of the Warrant Agreement attached as Exhibit 4.2 to this Form 8-K and incorporated by reference herein.

***Investor Rights and Restrictions Agreement***

On June 10, 2009, the Company entered into the Investor Rights and Restrictions Agreement, dated as of June 10, 2009, among the Company, the Investors, WL Ross & Co. LLC ( ***WLRCo.*** ), and the other holders from time to time party thereto (the ***Investor Agreement*** ).

***Board Rights***

Pursuant to the Investor Agreement, the Company agreed to cause two designees of Recovery Fund (a ***WLR Designee*** ) to be appointed to the Company's Board of Directors (the ***Board*** ), which designees are Wilbur L. Ross, Jr. and Wendy L. Teramoto. In addition, the Company agreed to re-nominate one of such individuals, as designated by Recovery Fund, to the Company's Board (the ***WLR Designee*** ) following the end of such director's term. If no WLR Designee is serving on the Company's Board, Recovery Fund is entitled to board observer rights. Recovery Fund's board rights terminate upon the earliest to occur of June 10, 2014 and certain other events specified in the Investor Agreement.

***Standstill; Voting***

The Investor Agreement provides that, subject to certain exceptions, no member of the WLR Group may (i) acquire debt securities or beneficial ownership of voting stock, (ii) solicit proxies or advise other persons with respect to the voting of the Company's Common Stock, (iii) enter into a voting agreement or other similar arrangement except as contemplated by the Investor Agreement, (iv) participate in a group with respect to any Company voting stock or convertible securities, (v) seek to effect change of control of the Company or other transaction with respect to the Company or its subsidiaries, (vi) authorize any representative to be named on a ballot for director (other than the Company's slate), (vii) otherwise seek to control the Company or its management, (viii) call a special meeting of shareholders of the Company or (ix) otherwise take any action that would compel the Company to make a public announcement, make any public announcement or advise, induce or knowingly substantially assist an person in connection with any of the foregoing.

During the standstill period (as defined in the Investor Agreement), the members of the WLR Group are required to vote the shares of Company stock held by them in elections for directors (i) in the manner recommended by the Board with respect to a percentage of shares equal to the percentage of the shares of the other holders who voted as recommended by the Board and (ii) at the discretion of the WLR Group with respect to the remaining shares. To the extent that the WLR Group beneficially owns shares in excess of 19.9% of the outstanding shares of the Company's Common Stock, such excess shares shall be voted in the same proportion as the shares of the other holders of the Company's Common Stock.

***Securities Offerings***

Subject to certain exceptions, including accretive acquisitions approved by the Board, the Company shall not issue Common Stock or securities convertible into, or exercisable or exchangeable for, Common Stock, with a price (or, if applicable, conversion or exercise price), less than \$6.00 per share without the prior consent, not to be unreasonably withheld, of the Holders of a majority of the shares of Common Stock underlying the Warrants.

If permitted by applicable law and the rules and regulations of the applicable stock exchange, if the Company conducts a primary, public offering of Common Stock (other than an offering in which it reasonably believes that the price per share to the public will in be in excess of \$6.00), the members of the

WLR Group will be allowed to participate in proportion to their ownership of Common Stock (calculated on an as if exercised basis). If such participation is prohibited by applicable law or the rules and regulations of the applicable stock exchange, the Company will, to the extent permissible, make arrangements for a private placement of a number of shares to which WLR would have been entitled to purchase in such offering or, if less, the maximum number of shares permitted under applicable law, rules and regulations.

If at any time the Company grants or issues rights to purchase Common Stock pro rata to holders of Common Stock at a per share price of less than \$6.00, members of the WLR Group and certain transferees thereof that hold Warrants are entitled to receive such rights as if they had exercised such Warrants. To the extent any such person exercises its rights to receive such purchase rights, it shall not be entitled to the applicable adjustment under the Warrant Agreement.

The foregoing rights terminate upon the earlier to occur of (i) in the case of consent rights and rights to participate in Company offerings, December 10, 2010 and in the case of rights to participate in rights offerings, June 10, 2014 (ii) the date on which Warrants have been exercised such that at least 50% of the aggregate number of shares underlying the Warrants as of the date of the Investor Agreement shall have been issued, and (ii) the date on which members of the WLR Group beneficially own less than 50% of the aggregate number of shares underlying the Warrants as the date of the Investor Agreement.

To pursue potentially attractive investment opportunities ( *Investment Opportunities* ) in the railcar and marine barge manufacturing business and the railcar leasing, management services and aftermarket (e.g., refurbishments, parts and repairs) businesses in the United States, Canada and Mexico (the *Business* ), WLRCo. and the Company have agreed to designate at least one of its senior executives or directors to serve on an ad hoc committee (the *Investment Committee* ) that is charged with reviewing Investment Opportunities, considering whether the Company, alone or in conjunction with affiliate(s) of WLRCo., should pursue such Investment Opportunities, and if appropriate, mutually recommending such Investment Opportunities and possible financing therefor to the Company. Neither the Company, WLRCo. nor their respective affiliates have any obligation to pursue any particular Investment Opportunity or provide debt or equity financing therefor, whether or not such Investment Opportunity is recommended by the Investment Committee or the Company's Board.

WLRCo. and the Company have also agreed that during the period ending on the earliest of June 10, 2014 or upon certain defined events, including a change in control of the Company and certain other events that would result in the WLR Designees leaving the Company's Board, they will, and will cause their respective controlled affiliates to, disclose to the other all Investment Opportunities made available to it or such affiliate which would involve an investment of more than \$10.0 million of debt or equity capital in the Business, and to discuss in good faith whether and how to jointly pursue such Investment Opportunities, it being acknowledged that neither party nor any of its respective affiliates has any obligation under the Investor Agreement (i) to provide, seek or accept (from the other or otherwise) debt or equity financing or otherwise pursue any such opportunity or (ii) to take any action in respect of any possible Investment Opportunity if and to the extent that it determines in good faith, subject to certain limitations, that so doing would constitute a breach of defined obligations of such person.

The Holders may not make more than one registration request in any 180-day period and are subject to market cut-back provisions. The registration rights provisions also include other provisions related to registration procedures, expenses, indemnification and contribution and market stand-off.
