Item 1.01. Entry into a Material Definitive Agreement.

On January 15, 2010, Sonic Automotive, Inc. (Sonic) entered into an amended and restated syndicated credit agreement dated January 15, 2010 with Bank of America, N.A., as administrative agent and Bank of America, N.A., DCFS USA LLC, BMW Financial Services NA, LLC, Toyota Motor Credit Corporation, JPMorgan Chase Bank, N.A., Wachovia Bank, National Association, Comerica Bank and World Omni Financial Corp., as Lenders and Wells Fargo Bank National Association, as LC issuer (the Revolving Facility). The Revolving Facility matures on August 15, 2012.

The Revolving Facility has a borrowing limit of \$150 million, which may be expanded up to \$215 million in total credit availability upon satisfaction of certain conditions. The Revolving Facility is available for acquisitions, capital expenditures, working capital and general corporate purposes. The amount available for borrowing under the Revolving Facility is reduced on a dollar-for-dollar basis by the aggregate face amount of any outstanding letters of credit under the Revolving Facility and is subject to compliance with a borrowing base. The borrowing base is calculated based on the value of eligible accounts, eligible inventory, eligible equipment and 5,000,000 shares of common stock of Speedway Motorsports, Inc. (SMI) pledged as collateral by one of our affiliates, Sonic Financial Corporation (SFC). The amounts outstanding under the Revolving Facility will bear interest at (i) a specified percentage above LIBOR, ranging from 2.50% per annum to 4.00% per annum (but, in any case, not less than 3.50% per annum through the end of the first quarter of 2011) according to a performance-based pricing grid determined by Sonic s Consolidated Total Debt to EBITDA Ratio as of the last day of the immediately preceding fiscal quarter (the Performance Grid) or (ii) a specified percentage above the Base Rate (as defined in the Revolving Facility), ranging from 1.50% per annum to 3.00% per annum (but, in any case, not less than 2.50% per annum through the end of the first quarter of 2011) according to the Performance Grid. In addition, there is a quarterly commitment fee payable by Sonic on the unused portion of the Revolving Facility ranging from 0.375% per annum to 0.625% per annum (but, in any case, not less than 0.50% through the end of the first quarter of 2011) according to the Performance Grid.

In connection with the Revolving Facility, Sonic, its subsidiaries or its affiliate, as applicable, entered into various collateral documents. These documents include an amended and restated security agreement, an amended and restated escrow and security agreement and amended and restated securities pledge agreements (the Collateral Documents) with Bank of America, N.A., as administrative agent. Under the Collateral Documents, outstanding obligations under the Revolving Facility are secured by a pledge of substantially all of Sonic s assets and the assets of substantially all of Sonic s domestic subsidiaries, and by the pledge of 5,000,000 shares of common stock of SMI by SFC. The Collateral Documents also provide for the pledge of the franchise agreements and stock or equity interests of Sonic s dealership franchise subsidiaries, except for those dealership franchise subsidiaries where the applicable manufacturer prohibits such a pledge, in which cases the stock or equity interests of the dealership franchise subsidiary is subject to an escrow arrangement with the administrative agent. Substantially all of Sonic s domestic subsidiaries also guarantee Sonic s obligations under the Revolving Facility under the terms of an amended and restated guaranty agreement with Bank of America, N.A., as administrative agent, entered into in connection with the Revolving Facility.

The Revolving Facility contains certain negative covenants, including covenants which could restrict or prohibit indebtedness, liens, the payment of dividends, capital expenditures and material dispositions and acquisitions of assets as well as other customary covenants and default provisions. Financial covenants include required specified ratios (as each is defined in the Revolving Facility) of:

	Consolidated Liquidity Ratio	Covenant Consolidated Fixed Charge Coverage Ratio	Consolidated Total Senior Secured Debt to EBITDA Ratio
Through March 30, 2011	≥1.00	≥1.10	≤2.25
March 31, 2011 through and including March 30, 2012	≥1.05	≥1.15	≤2.25
March 31, 2012 and thereafter	≥1.10	≥1.20	≤2.25

The Revolving Facility contains events of default, including cross-defaults to other material indebtedness, change of control events and events of default customary for syndicated commercial credit facilities. Upon the occurrence of an event of default, Sonic could be required to immediately repay all outstanding amounts under the Revolving Facility. On January 15, 2010, Sonic and certain of its subsidiaries also entered into a syndicated floorplan credit facility (the Floorplan Facility) with Bank of America, N.A., as administrative agent, and Bank of America, N.A., JPMorgan Chase Bank, N.A., Wachovia Bank, National Association and Comerica Bank, as lenders. The Floorplan Facility is comprised of a new vehicle revolving floorplan facility in an amount up to \$321 million (the New Vehicle Floorplan Facility) and a used vehicle revolving floorplan facility in an amount up to \$50 million, subject to compliance with a borrowing base (the Used Vehicle Floorplan Facility). Sonic may, under certain conditions, request an increase in the Floorplan Facility by up to \$125 million, which shall be allocated between the New Vehicle Floorplan Facility and the Used Vehicle Floorplan Facility as Sonic requests, with no more than 15% of the aggregate commitments allocated to the commitments under the Used Vehicle Floorplan Facility.

The New Vehicle Floorplan Facility provides availability to finance new vehicle inventory pursuant to borrowing requests or new vehicle drafts presented by specific vehicle manufacturers or distributors. The Used Vehicle Floorplan Facility provides availability to finance the acquisition of used vehicle inventory, other working capital and capital expenditures and for other lawful purposes. The Floorplan Facility matures on August 15, 2012.

The amounts outstanding under the New Vehicle Floorplan Facility will bear interest at (i) a specified percentage above LIBOR, ranging from 1.50% per annum to 2.25% per annum (but, in any case, not less than 2.00% per annum through the end of the first quarter of 2011), according to a performance-based pricing grid determined by Sonic's Consolidated Total Debt to EBITDA Ratio as of the last day of the immediately preceding fiscal quarter (the Floorplan Performance Grid), or (ii) a specified percentage above the Base Rate, ranging from 0.50% per annum to 1.25% per annum (but in any case, not less than 1.00% per annum through the end of the first quarter of 2011), according to the Floorplan Performance Grid. In addition, there is a quarterly commitment fee payable by Sonic on the unused portion of the New Vehicle Floorplan Facility ranging from 0.20% per annum to 0.30% per annum (but in any case, not less than 0.25% per annum through the end of the first quarter of 2011) according to the Floorplan Performance Grid.

The amounts outstanding under the Used Vehicle Floorplan Facility will bear interest at (i) a specified percentage above LIBOR, ranging from 1.75% per annum to 2.50% per annum (but, in any case, not less than 2.25% per annum through the end of the first quarter of 2011), according to the Floorplan Performance Grid or (ii) a specified percentage above the Base Rate, ranging from 0.75% per annum to 1.50% per annum (but, in any case, not less than 1.25% per annum through the end of the first quarter of 2011), according to the Floorplan Performance Grid. In addition, there is a quarterly commitment fee payable by Sonic on the unused portion of the Used Vehicle Floorplan Facility ranging from 0.25% per annum to 0.30% per annum (but, in any case, not less than 0.30% per annum through the end of the first quarter of 2011) according to the Floorplan Performance Grid.

Under the terms of the amended and restated security agreement entered into in connection with the Revolving Facility and guaranty agreements entered into by Sonic and certain of its subsidiaries in connection with the Floorplan Facility, outstanding obligations under the Floorplan Facility are guaranteed by Sonic and certain of its subsidiaries and are secured by a pledge of substantially all of Sonic's assets and the assets of certain of Sonic's domestic subsidiaries.

The Floorplan Facility contains certain negative covenants, including covenants which could restrict or prohibit indebtedness, liens, the payment of dividends, capital expenditures and material dispositions and acquisitions of assets as well as other customary covenants and default provisions. Financial covenants include required specified ratios (as each is defined in the Floorplan Facility) of:

	Consolidated Liquidity Ratio	Covenant Consolidated Fixed Charge Coverage Ratio	Consolidated Total Senior Secured Debt to EBITDA Ratio
Through March 30, 2011	≥1.00	≥1.10	≤2.25
March 31, 2011 through and including March 30, 2012	≥1.05	≥1.15	≤2.25
March 31, 2012 and thereafter	≥1.10	≥1.20	≤2.25

The Floorplan Facility contains events of default, including cross-defaults to other material indebtedness, change of control events and events of default customary for syndicated commercial credit facilities. Upon the occurrence of an event of default, Sonic could be required to immediately repay all outstanding amounts under the Floorplan Facility. In addition to existing bilateral floor plan credit arrangements with DCFS USA LLC, Ford Motor Credit Company LLC, GMAC, Inc. (formally known as General Motors Acceptance Corporation), and BMW Financial Services NA, Inc., on or before January 15, 2010, Sonic also entered into bilateral floor plan credit arrangements with Toyota Motor Credit Corporation and World Omni Financial Corp. Collectively, these bilateral floor plan credit facilities provide financing for new and used vehicle inventory purchased from the respective manufacturer affiliates of these captive finance companies (and, in some cases, also provide financing for new and used vehicle inventory purchased from non-affiliated manufacturers). Each of these separate floor plan facilities bear interest at variable rates based on prime rate or LIBOR. Sonic's obligations under each of these bilateral floor plan arrangements are guaranteed by Sonic and are secured by liens on substantially all of the assets of the respective Sonic subsidiaries that receive financing under these arrangements.

Lenders under the Revolving Facility are also parties to the Floorplan Facility and/or various floor plan arrangements with Sonic and its subsidiaries. Sonic and its affiliates also have commercial banking, investment banking, mortgage financing, retail lending and other lending relationships with certain of the lenders under the Revolving Facility, Floorplan Facility and the separate floor plan credit arrangements, and/or affiliates of such lenders. For some of these lending arrangements for the benefit of certain Sonic affiliates, the particular lending arrangement is secured by Sonic common stock held by the particular affiliate. Sonic has also entered into derivative transactions with certain of the lenders under the Revolving Facility and Floorplan Facility or their affiliates, including interest rate swaps and warrant and hedge transactions.
