Item 1. Security and Issuer

This statement on Schedule 13D (Schedule 13D) is being filed by Valero Energy Corporation (Valero Energy) and certain of its subsidiaries, Diamond Shamrock Refining and Marketing Company, Sigmor Corporation, The Shamrock Pipe Line Corporation, Diamond Shamrock Refining Company, L.P., Valero Refining New Orleans, L.L.C., Valero Refining Company California, Valero Refining Texas, L.P., Valero GP Holdings, LLC (f/k/a UDS Logistics, LLC), and Riverwalk Holdings, LLC (collectively, the Subsidiaries and together with Valero Energy, the Reporting Persons). This statement relates to the common units representing limited partner interests (the Common Units) of Valero L.P., a Delaware limited partnership (the Partnership), which has its principal executive offices at One Valero Way, San Antonio, Texas 78249.

Item 2. Identity and Background

(a) - (b) The information required to be filed in response to paragraphs (a) and (b) of Item 2 with respect to the Reporting Persons is set forth on Schedule I.

(c) The information required to be filed in response to paragraph (c) of Item 2 with respect to the Reporting Persons is as follows:

1. Valero Energy is principally engaged in the refining and retailing of refined products and convenience store merchandise. The executive officers and directors of Valero Energy are listed on Appendix A hereto.

4,424,322 Common Units, representing a 46.1% ownership interest in the Partnership, were initially beneficially owned by Ultramar Diamond Shamrock Corporation, a Delaware corporation (UDS), through its subsidiaries holding the Common Units. Pursuant to that certain Agreement of Plan of Merger dated as of May 6, 2001 by and between UDS and Valero Energy (the Merger Agreement), UDS was merged with and into Valero Energy on December 31, 2001 (the Merger), with Valero Energy remaining as the surviving corporation and ultimate parent company of the subsidiaries holding the Common Units. As a result of the Merger, Valero Energy beneficially owned the 4,424,322 Common Units through UDS Logistics, LLC, its indirect wholly owned subsidiary.

On March 18, 2003, the Partnership redeemed 3,809,750 of the Common Units beneficially owned by Valero Energy pursuant to the Common Unit Redemption Agreement dated as of March 12, 2003, among UDS Logistics, LLC and the Partnership (the Redemption Agreement). The remaining 614,572 Common Units beneficially owned by Valero Energy represented 5.29% of the total issued and outstanding Common Units. UDS Logistics, LLC changed its name to Valero GP Holdings, LLC on January 15, 2006.

On August 11, 2003, the Partnership consummated a public offering of 1,236,250 newly issued Common Units. As a result, the 614,572 Common Units beneficially owned by the Reporting Persons represented 4.57% of then outstanding Common Units of the Partnership.

On January 25, 2006, Valero GP Holdings, LLC contributed the remaining 614,572 Common Units to Riverwalk Holdings, LLC as well as 9,599,322 subordinated units. On May 8, 2006, due to the automatic conversion (in accordance with the terms of the Partnership's Third Amended and Restated Partnership Agreement) into Common Units of the 9,599,322 subordinated units held by Riverwalk Holdings, LLC, the ownership of the Reporting Persons increased to an aggregate of 10,213,894 Common Units, representing 21.8% of the total issued and outstanding Common Units.

In addition, Valero GP, LLC, an affiliate of Valero Energy, owns 11,597 Common Units as of May 5, 2006. Since the voting and dispositive rights with respect to all of these 11,597 Common Units have been relinquished, such number of Common Units are not included in the number of Common Units beneficially owned by the Reporting Persons.

2. Diamond Shamrock Refining and Marketing Company owns 51.540982% of the member interests of Valero GP Holdings, LLC and is principally engaged in the ownership and operation of retail stores.

3. Sigmor Corporation owns 29.497637% of the member interests of Valero GP Holdings, LLC and is principally engaged in the ownership and leasing of real estate.

4. The Shamrock Pipe Line Corporation owns 13.543772% of the member interests of Valero GP Holdings, LLC and is primarily engaged in the ownership and operation of pipelines.

5. Diamond Shamrock Refining Company, L.P. owns 5.414609% of the member interests of Valero GP Holdings, LLC and is primarily engaged in the ownership and operation of refinery assets.

6. Valero Refining New Orleans, L.L.C. owns 0.001000% of the member interests of Valero GP Holdings, LLC and is primarily engaged in the ownership and operation of refinery assets.

7. Valero Refining Company California owns 0.001000% of the member interests of Valero GP Holdings, LLC and is primarily engaged in the ownership and operation of refinery assets.

8. Valero Refining Texas, L.P. owns 0.001000% of the member interests of Valero GP Holdings, LLC and is primarily engaged in the ownership and operation of refinery assets.

9. Valero GP Holdings, LLC is an indirect wholly owned subsidiary of Valero Energy and holds ownership interests in the Partnership through its ownership interests in Valero GP, LLC and Riverwalk Holdings, LLC. The executive officers and directors of Valero GP Holdings, LLC are listed on Appendix B hereto.

10. Riverwalk Holdings, LLC is a wholly owned subsidiary of Valero GP Holdings, LLC and its sole purpose is to hold ownership interests in the Partnership and Riverwalk Logistics, L.P., the general partner of the Partnership. The executive officers and directors of Riverwalk Holdings are listed on Appendix C hereto.

(d) During the last five years, none of the Reporting Persons nor, to the knowledge of the Reporting Persons, any of the persons listed on Appendices A, B and C hereto, has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors).

(e) During the last five years, none of the reporting persons nor, to the knowledge of the Reporting Persons, any of the persons listed on Appendices A, B and C hereto, has been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction as a result of which any of such persons was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

(f) The information required to be filed in response to paragraph (f) of Item 2 with respect to the Reporting Persons is set forth on Schedule 1.

Item 3. Source and Amount of Funds or Other Consideration

The conversion of the 9,599,322 subordinated units representing limited partner interests in the Partnership (the Subordinated Units) held by Riverwalk Holdings, LLC into 9,599,322 Common Units occurred automatically for no additional consideration pursuant to and in accordance with the Partnership's Third Amended and Restated Agreement of Limited Partnership, as amended, upon satisfaction of certain financial tests.

4,424,322 Common Units, representing a 46.1% ownership interest in the Partnership, were initially beneficially owned by UDS, through its subsidiaries holding the Common Units. Pursuant to the Merger Agreement, UDS was merged with and into Valero Energy on December 31, 2001, with Valero Energy remaining as the surviving corporation and ultimate parent company of the subsidiaries holding the Common Units. As a result of the Merger, Valero Energy beneficially owned the 4,424,322 Common Units through UDS Logistics, LLC, its indirect wholly owned subsidiary.

On March 18, 2003, the Partnership redeemed 3,809,750 of the Common Units beneficially owned by Valero Energy pursuant to the Redemption Agreement. The remaining 614,572 Common Units beneficially owned by Valero Energy represented 5.29% of the total issued and outstanding Common Units. UDS Logistics, LLC changed its name to Valero GP Holdings, LLC on January 15, 2006.

On August 11, 2003, the Partnership consummated a public offering of 1,236,250 newly issued Common Units. As a result, the 614,572 Common Units beneficially owned by the Reporting Persons represented 4.57% of then outstanding Common Units of the Partnership.

On January 25, 2006, Valero GP Holdings, LLC contributed the remaining 614,572 Common Units to Riverwalk Holdings, LLC as well as 9,599,322 subordinated units.

Item 4. Purpose of Transaction

The Reporting Persons acquired the Common Units reported herein solely for the purpose of investment. The Reporting Persons may make additional purchases of Common Units either in the open market or in private transactions depending on the Partnership's business, prospects and financial condition, the market for the Common Units, general economic conditions, money and stock market conditions and other future developments.

Item 5. Interest in Securities of the Issuer

(a) There were 46,809,749 Common Units outstanding as of May 8, 2006, the record date for the conversion of the Subordinated Units. The Reporting Persons beneficially owned 10,213,894 Common Units, representing 21.8% of the total issued and outstanding Common Units.

There were 9,599,322 Common Units outstanding as of April 16, 2001, the date of the initial public offering. UDS was deemed to be the beneficial owners of 4,424,322 Common Units, which constituted approximately 46.1% of the total issued and outstanding Common Units as of April 24, 2001. Valero Energy acquired beneficial ownership of the 4,424,322 Common Units as a result of the Merger described in Item 1(c). Valero Energy also acquired, through UDS Logistics, LLC, 9,599,322 subordinated limited partner interests in the Partnership, which could be converted, generally not before March 31, 2006, into an equal number of Common Units upon satisfaction of the conditions described in the Registration Statement on Form S-1 (No. 333-43668 and No. 333-58588), incorporated herein by reference.

On March 18, 2003, the Partnership redeemed 3,809,750 of the Common Units beneficially owned by Valero Energy pursuant to the Redemption Agreement. The remaining 614,572 Common Units beneficially owned by Valero Energy represented 5.29% of the total issued and outstanding Common Units. UDS Logistics, LLC changed its name to Valero GP Holdings, LLC on January 15, 2006.

On August 11, 2003, the Partnership consummated a public offering of 1,236,250 newly issued Common Units. As a result, the 614,572 Common Units beneficially owned by the Reporting Persons represented 4.57% of then outstanding Common Units of the Partnership.

On January 25, 2006, Valero GP Holdings, LLC contributed the remaining 614,572 Common Units to Riverwalk Holdings, LLC as well as all of the 9,599,322 subordinated units.

In addition, Valero GP, LLC, an affiliate of Valero Energy, owns 11,597 Common Units as of May 5, 2006. Since the voting and dispositive rights with respect to all of these 11,597 Common Units have been relinquished, such number of Common Units are not included in the number of Common Units beneficially owned by the Reporting Persons.

(b) The number of Common Units as to which there is sole power to vote or to direct the vote, sole power to dispose or to direct the disposition, or shared power to dispose or direct the disposition for the Reporting Persons is set forth on the cover page of this Statement on Schedule 13D, and such information is incorporated herein by reference.

(c) There have been no reportable transactions with respect to the Common Units within the last 60 days by the Reporting Persons except for the acquisition of beneficial ownership of units being reported on this Schedule 13D.

(d) The Reporting Persons have the right to receive distributions from, and the proceeds from the sale of, the respective Common Units reported by such persons on the cover pages of this Statement on Schedule 13D.

(e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer

The 614,572 Common Units and the 9,599,322 Subordinated Units held by the Reporting Persons prior to the conversion reported herein were acquired in a private placement and are restricted securities. Certain transfer restrictions, voting rights of the Reporting Persons and registration rights granted by the Partnership and to which the Partnership is entitled are set forth in the Third Amended and Restated Agreement of Limited Partnership of the Partnership, a copy of the form of which is incorporated by reference to this Schedule 13D.
