PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS TO BE HELD
MAY 13, 2004

VOTING AND REVOCATION OF PROXY

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Famous Dave's of America, Inc. (periodically referred to herein as "Famous Dave's" and the "Company") to be used at the Annual Meeting of Shareholders of the Company to be held on Thursday, May 13, 2004, at 9:00 a.m. at the Famous Dave's Calhoun Blues Club, 3001 Hennepin Avenue, Calhoun Square, Minneapolis, Minnesota, for the purpose of considering and taking appropriate action with respect to the following:

1. To elect six directors;
2. To ratify the appointment of Grant Thornton, LLP as independent auditors of the Company for fiscal 2004; and
3. To transact any other business as may properly come before the meeting or any adjournments thereof.

The approximate date on which this Proxy Statement and the accompanying proxy were first sent or given to shareholders was April 12, 2004. Each shareholder who signs and returns a proxy in the form enclosed with this Proxy Statement may revoke the same at any time prior to its use by giving notice of such revocation to the Company in writing, in open meeting or by executing and delivering a new proxy to the Secretary of the Company. Unless so revoked, the shares represented by each proxy will be voted at the meeting and at any adjournments thereof. Presence at the meeting of a shareholder who has signed a proxy does not alone revoke that proxy. Only shareholders of record at the close of business on March 22, 2004 (the "Record Date") will be entitled to vote at the meeting or any adjournments thereof.

PROXIES AND VOTING

Only holders of record of the Company's Common Stock at the close of business on March 22, 2004, the Record Date for the Annual Meeting, are entitled to notice of and to vote at the Annual Meeting. On the Record Date, there were 12,303,182 shares of Common Stock outstanding. Each share of Common Stock entitles the holder thereof to one vote upon each matter to be presented at the Annual Meeting. A quorum, consisting of a majority of the outstanding shares of the Common Stock entitled to vote at the Annual Meeting, must be present in

Edgar Filing: FAMOUS DAVES OF AMERICA INC - Form DEF 14A

person or represented by proxy before action may be taken at the Annual Meeting.

Each proxy returned to the Company will be voted in accordance with the instructions indicated thereon. Adoption of each proposal requires the affirmative vote of the holders of a majority of the shares of the Company's common stock present in person or represented by proxy at the Annual Meeting.

All shares represented by proxies will be voted for the election of the nominees for the Board of Directors named in this Proxy Statement and for ratification of Grant Thornton, LLP's appointment as the Company's independent auditor unless a contrary choice is specified. If any nominee should withdraw or otherwise become unavailable for reasons not presently known, the proxies which would have otherwise been voted for such nominee will be voted for such substitute nominee as may be selected by the Board of Directors. A shareholder who abstains with respect to any proposal is considered to be present and entitled to vote on such proposal and is in effect casting a negative vote, but a shareholder (including a broker) who does not give authority to a proxy to vote, or withholds authority to vote, on any proposal, shall not be considered present and entitled to vote on such proposal.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" THE ELECTION OF ALL NOMINEES FOR THE BOARD OF DIRECTORS NAMED IN THIS PROXY STATEMENT AND "FOR" THE RATIFICATION OF GRANT THORNTON, LLP AS THE INDEPENDENT AUDITORS OF THE COMPANY FOR FISCAL 2004.

While the Board of Directors knows of no other matters to be presented at the Annual Meeting or any adjournment thereof, all proxies returned to the Company will be voted on any such matter in accordance with the judgment of the proxy holders.

STOCK PERFORMANCE GRAPH

The Securities and Exchange Commission requires that the Company include in this Proxy Statement a line-graph presentation comparing cumulative, five-year return to the Company's shareholders (based on appreciation of the market price of the Company's common stock) on an indexed basis with (i) a broad equity market index and (ii) an appropriate published industry or line-of-business index, or peer group index constructed by the Company. The following presentation compares the Company's common stock price for the period from January 3, 1999 through December 28, 2003, to the S&P 500 Stock Index and to the S&P Small Cap Restaurant Index.

The Company has elected to use the S&P Small Cap Restaurant Index in compiling its stock performance graph because it believes the S&P Small Cap Restaurant Index represents a comparison to competitors with similar market capitalization to the Company.

The presentation assumes that the value of an investment in each of the Company's common stock, the S&P 500 Stock Index and the S&P Small Cap Restaurant Index was \$100 on January 3, 1999, and that any dividends paid were reinvested in the same security.

RATIFICATION OF THE APPOINTMENT OF INDEPENDENT AUDITORS (PROPOSAL TWO)

The Board of Directors and management of the Company are committed to the quality, integrity and transparency of the Company's financial reports. Independent auditors play an important part in the Company's system of financial control. In accordance with the duties set forth in its written charter, the audit committee of the Company's Board of Directors has appointed Grant Thornton, LLP as the Company's independent auditors for the 2004 fiscal year. A representative of Grant Thornton, LLP is expected to attend this year's Annual Meeting and be available to respond to appropriate questions from shareholders, and will have the opportunity to make a statement if he or she desires to do so.

If the shareholders do not ratify the appointment of Grant Thornton, LLP, the audit committee may reconsider its selection, but is not required to do so. Notwithstanding the proposed ratification of the appointment of Grant Thornton, LLP by the shareholders, the audit committee, in its discretion, may direct the appointment of new independent auditors at any time during the year without notice to, or the consent of, the shareholders, if the audit committee determines that such a change would be in the best interests of the Company and its shareholders.

CHANGE IN INDEPENDENT AUDITORS

On September 26, 2002, the Company dismissed Virchow, Krause & Company, LLP, which had previously served as the Company's independent auditors.

The reports of the Company's principal auditors on the consolidated financial statements of the Company for the past two fiscal years contained no adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles.

The Company's audit committee and Board of Directors participated in and approved the decision to change independent auditors on September 26, 2002.

Edgar Filing: FAMOUS DAVES OF AMERICA INC - Form DEF 14A

In connection with its audit of the consolidated financial statements for the 2001 and 2000 fiscal years ending December 30, 2001 and December 31, 2000, respectively, and through September 26, 2002, there were no disagreements with Virchow, Krause & Company, LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Virchow, Krause & Company, LLP would have caused Virchow, Krause & Company, LLP to make reference to such disagreements in their report on the financial statements for such years.

During the 2001 and 2000 fiscal years and through September 26, 2002, there were no "reportable events" as that term is defined in Item 304(a)(1)(v) of Regulation S-K.

The Company requested that Virchow, Krause & Company, LLP furnish it with a letter addressed to the Securities and Exchange Commission stating whether or not it agreed with the above statements. A copy of such letter, dated September 27, 2002, was filed as Exhibit 16.1 to our Current Report on Form 8-K filed with the Securities Exchange Commission on September 27, 2002.

On September 26, 2002, the Company engaged Grant Thornton, LLP as its new independent auditors. The Company's audit committee and Board of Directors approved the engagement on September 26, 2002. In the two most recent fiscal years and any subsequent interim period prior to the date of the engagement, the Company had not consulted with Grant Thornton regarding either (i) the application of accounting principles to a specified transaction, either completed or proposed; or the type of audit opinion that might be rendered on the Company's financial statements, and neither a written report was provided to the Company nor oral advice was provided that Grant Thornton concluded was an important factor considered by the Company in reaching a decision as to the accounting, auditing or financial reporting issue; or (ii) any matter that was either the subject of a "disagreement," as that term is defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions to Item 304 of Regulation S-K, or a "reportable event," as that term is defined in Item 304(a)(1)(v) of Regulation S-K.

that are reasonably related to the performance of the audit or review of the Company's financial statements but not reported under the caption Audit Fees above.

- (2) Tax Fees consisted of fees for tax compliance, tax advice, and tax planning.
- (3) All Other Fees consisted of fees for permitted non-audit products and services provided including 401K Audit, Property Tax Reduction and Return Preparation, Press release review and 10Q review.

The audit committee of the Board of Directors has reviewed the services provided by Grant Thornton, LLP during fiscal year 2003 and the fees billed therefore and, after consideration, has determined that the receipt of these fees by Grant Thornton, LLP is compatible with the provision of independent audit services. The audit committee discussed these services and fees with Grant Thornton, LLP and Company management to determine that they are permitted under the rules and regulations concerning auditor independence promulgated by the U.S. Securities and Exchange Commission to implement the Sarbanes-Oxley Act of 2002, as well as the American Institute of Certified Public Accountants.

PRE-APPROVAL POLICY

Following adoption of the amended audit committee charter (a copy of which is attached as Appendix A to this proxy statement) all services performed by Grant Thornton, LLP have been pre-approved in accordance with the charter. The charter provides that all audit and non-audit accounting services that are permitted to be performed by the Company's independent accountant under applicable rules and regulations must be pre-approved by the audit committee or by designated members of the audit committee, other than with respect to de minimus exceptions permitted under the Sarbanes-Oxley Act of 2002.

Prior to or as soon as practicable following the beginning of each fiscal year, a description of the audit, audit-related, tax, and other services expected to be performed by the independent auditor in the following fiscal year is presented to the audit committee for approval. Following such approval, any requests for audit, audit-related, tax, and other services not presented and pre-approved must be submitted to the audit committee for specific pre-approval and cannot commence until such approval has been granted. Normally, pre-approval is provided at regularly scheduled meetings. However, the authority to grant specific pre-approval between meetings, as necessary, has been delegated to the Chairperson of the audit committee. The Chairperson must update the audit committee at the next regularly scheduled meeting of any services that were granted specific pre-approval. In addition, the audit committee has granted pre-approval for the Chief Executive Officer and the Chief Financial Officer to spend up to \$5,000 on a cumulative basis in additional permitted audit-related fees with Grant Thornton, LLP which authority and amount will be reviewed and approved annually.

OTHER MATTERS

BOARD OF DIRECTORS AND COMMITTEES

Board of Directors

The Company's Board of Directors is currently comprised of the six members, each of which is identified under Proposal one ("Election of Directors") above. The following directors, which constitute a majority of the Board, are "independent directors" as such term is defined in Section 4200(a)(15) of National Association of Securities Dealers' listing standards: F. Lane Cardwell,

Edgar Filing: FAMOUS DAVES OF AMERICA INC - Form DEF 14A

Jr., Mary L. Jeffries, Richard L. Monfort and Dean A. Riesen. The Board of Directors held four meetings during fiscal 2003 and took written action in lieu of a meeting eight times. The Company has a standing audit committee, compensation committee, corporate governance and nominating committee and strategic planning committee.

Audit Committee of the Board of Directors

The Company has established a three-member audit committee within the Board of Directors that currently consists of Chairperson Mary L. Jeffries and Messrs. Richard L. Monfort and Dean A. Riesen. The audit committee operates under a written charter adopted by the Board of Directors. A copy of the written charter, as amended to date, is attached as Appendix A to this proxy statement. As set forth in the charter, the primary responsibilities of the audit committee include: (i) serving as an independent and objective party to monitor the Company's financial reporting process and internal control system; (ii) reviewing and appraising the audit performed by the Company's independent auditors; and (iii) providing an open avenue of communication among the independent auditors, financial and senior management and the Board of Directors. The charter also requires that the audit committee review and pre-approve the performance of all audit and non-audit services to be performed by the Company's independent auditors, as well as tax work performed by the Company's tax firm, other than certain de minimus exceptions permitted by Section 202 of the Sarbanes-Oxley Act of 2002. The audit committee held ten meetings during fiscal 2003.

The Board of Directors has determined that at least one member of the audit committee, Mary L. Jeffries, is an "audit committee financial expert" as that term is defined in Item 401(h)(2) of Regulation S-K promulgated under the Securities Exchange Act of 1934, as amended. In addition, each member of the audit committee (including Ms. Jeffries) is an "independent director," as such term is defined in Section 4200(a)(15) of National Association of Securities Dealers' listing standards, and meets the criteria for independence set forth in Rule 10A-3(b)(1) under the Securities Exchange Act of 1934, as amended. The Board of Directors has also determined that each of the audit committee members is able to read and understand fundamental financial statements and that at least one member of the audit committee has past employment experience in finance or accounting.

COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS

The Company has established a two-member compensation committee within the Board of Directors that currently consists of Chairman Dean A. Riesen and K. Jeffrey Dahlberg. The compensation committee reviews the Company's remuneration policies and practices, makes recommendations to the full Board in connection with all compensation matters affecting the Company and administers the Company's incentive compensation plans. The compensation committee held two meetings during 2003 and did not take any written actions in lieu of any meetings.

CORPORATE GOVERNANCE AND NOMINATING COMMITTEE OF THE BOARD OF DIRECTORS

On February 18, 2004, the Company established a corporate governance and nominating committee within the Board of Directors that consists of Chairman Dean A. Riesen, Mary L. Jeffries and F. Lane Cardwell, Jr. each of who satisfies the independence requirements of The NASDAQ Stock Market rules. The primary role of the corporate governance and nominating committee is to consider and make recommendations to the full Board of Directors concerning the appropriate size, function and needs of the Board, including establishing criteria for Board membership and considering, recruiting and recommending candidates

Edgar Filing: FAMOUS DAVES OF AMERICA INC - Form DEF 14A

(including those recommended by shareholders) to fill new Board positions. The corporate governance and nominating committee also considers and advises the full Board on matters of corporate governance and monitors and recommends the functions of and membership on the various committees of the Board.

The corporate governance and nominating committee (or a subcommittee thereof) recruits and considers director candidates and presents qualified candidates to the full Board for consideration. Qualified candidates will be considered without regard to race, color, religion, sex, ancestry, national origin or disability.

The corporate governance and nominating committee will consider each candidate's general business and industry experience, his or her ability to act on behalf of shareholders, overall Board diversity, potential concerns regarding independence or conflicts of interest and other factors relevant in evaluating Board nominees. If the corporate governance and nominating committee approves a candidate for further review following an initial screening, the corporate governance and nominating committee will establish an interview process for the candidate. Generally, the candidate will meet with at least a majority of the members of the corporate governance and nominating committee, along with the Company's Chief Executive Officer. Contemporaneously with the interview process, the corporate governance and nominating committee will conduct a comprehensive conflicts-of-interest assessment of the candidate. The corporate governance and nominating committee will consider reports of the interviews and the conflicts-of-interest assessment to determine whether to recommend the candidate to the full Board of Directors. The corporate governance and nominating committee will also take into consideration the candidate's personal attributes, including, without limitation, personal integrity, loyalty to the Company and concern for its success and welfare, willingness to apply sound and independent business judgment, awareness of a director's vital part in the Company's good corporate citizenship and image, time available for meetings and consultation on Company matters and willingness to assume broad, fiduciary responsibility.

Recommendations for candidates to be considered for election to the Board at the Company's annual shareholder meeting may be submitted to the corporate governance and nominating committee by the Company's shareholders. In order to make such a recommendation, a shareholder must submit the recommendation in writing to the Chairman of the corporate governance and nominating committee, in care of the Company's Secretary at the Company's headquarters address, at least 120 days prior to the mailing date of the previous year's annual meeting proxy statement. To enable the Committee to evaluate the candidate's qualifications, shareholder recommendations must include the following information:

- The name and address of the nominating shareholder and of the director candidate;
- A representation that the nominating shareholder is a holder of record of the Company entitled to vote at the current year's annual meeting;
- A description of any arrangements or understandings between the nominating shareholder and the director candidate or candidates being recommended pursuant to which the nomination or nominations are to be made by the shareholder;
- A resume detailing the educational, professional and other information necessary to determine if the nominee is qualified to hold a Board position;
- Such other information regarding each nominee proposed by such shareholder as would have been required to be included in a proxy

Edgar Filing: FAMOUS DAVES OF AMERICA INC - Form DEF 14A

statement filed pursuant to the proxy rules of the Securities and Exchange Commission had each nominee been nominated by the Board of Directors; and

- The consent of each nominee to serve as a director of the Company if so elected.

STRATEGIC PLANNING COMMITTEE OF THE BOARD OF DIRECTORS

On February 18, 2004, the Company established a five member strategic planning committee within the Board of Directors that is currently comprised of Ms. Mary L. Jeffries and Messrs. F. Lane Cardwell, Jr. (Chairman), K. Jeffrey Dahlberg, David Goronkin and Dean A. Riesen. The primary role of the strategic planning committee is to consider the long-term strategic direction of the Company and make recommendations regarding the long-term strategic direction of the Company to the full Board of Directors.

13

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During fiscal 2003, directors serving on the compensation committee included K. Jeffrey Dahlberg and Dean A. Riesen (the current members of the compensation committee), as well as Thomas J. Brosig and James W. Cox, each a former member of the Company's Board of Directors who resigned during 2003. Mr. Dahlberg served as the Company's Vice Chairman from May 19, 2003 until December 10, 2003, at which time he was appointed to his current position as Chairman of the Board.

ABILITY OF SHAREHOLDERS TO COMMUNICATE WITH THE COMPANY'S BOARD OF DIRECTORS

The Company's Board of Directors has established several means for shareholders and others to communicate with the Company's Board of Directors. If the shareholder has a concern regarding the Company's financial statements, accounting practices or internal controls, the concern should be submitted in writing to the Chairperson of the Company's audit committee in care of the Company's Secretary at the Company's headquarter address. If the concern relates to the Company's governance practices, business ethics or corporate conduct, the concern should be submitted in writing to the Chairman of the Board in care of the Corporation's Secretary at the Company's headquarter address. If a shareholder is unsure as to which category the concern relates, the shareholder may communicate it to any one of the independent directors in care of the Company's Secretary at the Company's headquarter address. All shareholder communications will be sent to the applicable director(s).

REPORT OF THE AUDIT COMMITTEE

The audit committee has reviewed the Company's audited consolidated financial statements for the last fiscal year and discussed them with management.

The audit committee has discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Codification of Statement on Auditing Standards, AU Section 380), as amended, by the Auditing Standards Board of the American Institute of Certified Public Accountants.

The audit committee has received and reviewed the written disclosures and the letter from the independent auditors required by Independence Standard No. 1 (Independence Discussions with Audit Committees), as amended, promulgated by the Independence Standards Board, and has discussed with the auditors their independence.

Edgar Filing: FAMOUS DAVES OF AMERICA INC - Form DEF 14A

The audit committee, based on the review and discussions described above, has recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the last fiscal year for filing with the Securities and Exchange Commission.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

A two-member compensation committee within the Board of Directors generally makes decisions on compensation of the Company's executives. All decisions by the compensation committee relating to the compensation of the Company's executive officers are reviewed by the full Board of Directors. The current members of the compensation committee are Messrs. K. Jeffrey Dahlberg and Dean A. Riesen. Pursuant to rules designed to enhance disclosure of the Company's policies toward executive compensation, set forth below is a report prepared by the compensation committee addressing the compensation policies for the Company and its subsidiaries for the 2003 fiscal year as they affected the Company's executive officers.

The compensation committee's executive compensation policies are designed to provide competitive levels of compensation that integrate pay with the Company's annual objectives and long-term goals, reward above-average corporate performance, recognize individual initiative and achievements, and assist the

14

Company in attracting and retaining qualified executives. Executive compensation is set at levels that the compensation committee believes to be consistent with others in the Company's industry.

There are four elements in the Company's executive compensation program, all determined by individual and corporate performance.

- Base salary compensation
- Annual incentive compensation
- Stock options
- Deferred Stock Unit Plan

Total compensation opportunities are competitive with those offered by employers of comparable size, growth and profitability in the Company's industry.

Base salary compensation is determined by the potential impact the individual has on the Company, the skills and experiences required by the job, and the performance and potential of the incumbent in the job.

Annual incentive compensation for executives of the Company is based primarily on corporate operating earnings and revenue growth and the Company's positioning for future results, but also includes an overall assessment by the compensation committee of executive management's performance, as well as market conditions.

The 1995 Stock Option and Compensation Plan (the "Management Plan") permits the compensation committee to grant stock options to officers of the Company and to directors who are also employees of the Company. Awards of stock options under the Management Plan are designed to promote the identity of long-term

Edgar Filing: FAMOUS DAVES OF AMERICA INC - Form DEF 14A

interests between the Company's executives and its shareholders and assist in the retention of executives. Options become exercisable based upon criteria established by the Company. During 2003, the compensation committee issued an aggregate of 275,000 options pursuant to the Management Plan, which included 200,000 options granted in connection with the hiring of David Goronkin as President and Chief Executive Officer of the Company. The options granted to Mr. Goronkin are exercisable at \$4.10 per share, the fair market value of the Company's common stock on the date of the grant.

Based on the terms of his employment agreement with the Company, Mr. Goronkin received an annualized base salary of \$450,000 during fiscal 2003, which the compensation committee believes is competitive with executives in other industry-related companies. The Company granted Mr. Goronkin a bonus of \$93,750 in 2004 for his performance during fiscal 2003, which bonus is subject to forfeiture based on certain fiscal 2004 performance criteria. Mr. Goronkin elected to receive this bonus in the form of deferred stock units pursuant to the Company's 2004 Deferred Stock Unit Plan.

The compensation committee surveys employee stock option programs of companies with similar capitalization to the Company prior to recommending the grant of options to executives. While the value realizable from exercisable options is dependent upon the extent to which the Company's performance is reflected in the market price of the Company's common stock at any particular point in time, the decision as to whether such value will be realized in any particular year is determined by each individual executive and not by the compensation committee. Accordingly, when the compensation committee recommends that an

15

option be granted to an executive, that recommendation does not take into account any gains realized that year by that executive as a result of his or her individual decision to exercise an option granted in a previous year.

CERTAIN TRANSACTIONS

During 2003, the Company subleased three real estate units from S&D Land Holdings, Inc. ("S&D"), a corporation wholly owned by David W. Anderson, the

Edgar Filing: FAMOUS DAVES OF AMERICA INC - Form DEF 14A

Company's founding shareholder who served as Chairman of the Board and interim Chief Executive Officer until December 10, 2003. Total rent payments to S&D, during fiscal 2003, totaled \$112,880.

On May 30, 2003, S&D assigned its lease interest in one of these properties (Roseville, Minnesota) to the Company in exchange for \$243,707. On October 28, 2003, S&D assigned its lease interest in another one of these properties (Linden Hills, Minnesota) to a franchisee that had previously been subleasing the Linden Hills property from the Company. As a result of this transaction, the Company's sublease was terminated at that location. With respect to the third and final lease agreement (Highland Park, Minnesota), an unrelated third party purchased S&D's leasehold interest in the property on November 5, 2003. Following this purchase, the Company has not been a party to any transactions involving S&D.

On October 5, 2001, the Company granted Martin J. O'Dowd, the Company's former Chief Executive Officer, a two-year exclusive option to develop franchise units in North Carolina beginning in October 2004. This option generally precluded the Company's development of owned or franchised restaurants in North Carolina before the expiration of the option. Upon exercise, the option permitted Mr. O'Dowd to develop the franchise units in exchange for a 4% royalty fee, which fee was less than the aggregate amount the Company generally charged to an unaffiliated third party. In addition, the option waived certain franchise area development and franchise fees the Company customarily charges to an unaffiliated third party. Pursuant to an agreement governing Mr. O'Dowd's May 19, 2003 termination of employment, the Company agreed to allow Mr. O'Dowd to exercise the option at any time following May 19, 2003 in exchange for Mr. O'Dowd's agreeing to a minimum development schedule. In November 2003 and following Mr. O'Dowd's separation from the Company, Mr. O'Dowd relinquished his interests in the North Carolina market pursuant to a transaction in which he acquired the Company's three Atlanta area restaurants. In connection with acquiring these units, Mr. O'Dowd entered into franchise agreements with the Company related to the purchase and subsequent operation of these units and entered into an area development agreement governing the development of additional franchised restaurants in defined areas of Georgia.

Except as otherwise set forth above, management believes all of the above-described transactions were conducted on terms no less favorable to the Company than could be obtained from unrelated third parties.

COMPLIANCE WITH SECTION 16(a) OF THE EXCHANGE ACT

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's officers and directors, and persons who own more than ten percent of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership of such securities with the Securities and Exchange Commission and NASDAQ. Officers, directors and greater than ten percent shareholders are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file.

Information regarding David W. Anderson required to be filed on a Form 5 in December 2003, was instead filed on March 1, 2004; K. Jeffrey Dahlberg amended a Form 4 initially filed on July 8, 2003 to report a June 13, 2003 stock option grant; Mary L. Jeffries filed a Form 4 on September 5, 2003 reporting an August 29, 2003 stock option grant; Richard L. Monfort filed a Form 4 on September 25, 2003 reporting a June 13, 2003 stock option grant; Mr. Monfort also filed a Form 5 in May 2003 that reported stock options granted in May 2002; Dean A. Riesen filed a Form 4 on September 5, 2003 reporting a June 13, 2003 stock

option grant. Except as set forth above, based solely on review of the copies of

Edgar Filing: FAMOUS DAVES OF AMERICA INC - Form DEF 14A

such forms furnished to the Company, or written representations that no Forms 5 were required, the Company believes that its officers, directors and greater than ten percent beneficial owners complied with all applicable Section 16(a) filing requirements during the fiscal year ended December 28, 2003.

PROPOSALS OF SHAREHOLDERS

Any shareholder who desires to submit a proposal for action by the shareholders at the next annual meeting must submit such proposal in writing to Diana Garvis Purcel, Secretary, Famous Dave's of America, Inc., 8091 Wallace Road, Eden Prairie, Minnesota 55344 by December 13, 2004. Due to the complexity of the respective rights of the shareholders and the Company in this area, any shareholder desiring to propose such an action is advised to consult with his or her legal counsel with respect to such rights. The Company suggests that any such proposal be submitted by certified mail return receipt requested.

DISCRETIONARY PROXY VOTING AUTHORITY/ UNTIMELY STOCKHOLDER PROPOSALS

Rule 14a-4(c) promulgated under the Securities and Exchange Act of 1934 governs the Company's use of its discretionary proxy voting authority with respect to a shareholder proposal that the stockholder has not sought to include in the Company's proxy statement. The Rule provides that if a proponent of a proposal fails to notify the Company of the proposal at least 45 days before the date of mailing of the prior year's proxy statement, then the management proxies will be allowed to use their discretionary voting authority when the proposal is raised at the meeting, without any discussion of the matter in the proxy statement.

With respect to the Company's 2005 Annual Meeting of Shareholders, if the Company is not provided notice of a stockholder proposal, which the stockholder has not previously sought to include in the Company's proxy statement, by February 26, 2005, the management proxies will be allowed to use their discretionary authority as outlined above.

SOLICITATION

The Company will bear the cost of preparing, assembling and mailing the Proxy, Proxy Statement, Annual Report and other material which may be sent to the shareholders in connection with this solicitation. Brokerage houses and other custodians, nominees and fiduciaries may be requested to forward soliciting material to the beneficial owners of stock, in which case they will be reimbursed by the Company for their expenses in doing so. Proxies are being solicited personally, by telephone, by telegram or by special letter.

The Board of Directors does not intend to present to the meeting any other matter not referred to above and does not presently know of any matters that may be presented to the meeting by others. However, if other matters come before the meeting, it is the intent of the persons named in the enclosed proxy to vote the proxy in accordance with their best judgment.

FAMOUS DAVE'S OF AMERICA, INC. AUDIT COMMITTEE CHARTER (as adopted on December 10, 2003)

I. Purpose.

The primary function of the Audit Committee (the "Committee") is to assist the Board of Directors (the "Board") in fulfilling its oversight responsibilities by reviewing: the financial reports and other financial information provided by the Corporation to any governmental body or the public; the Corporation's systems of internal controls regarding finance, accounting, legal compliance and ethics that management and the Board have established; and the Corporation's auditing, accounting and financial reporting processes generally. Consistent with this function, the Committee should encourage continuous improvement of, and should foster adherence to, the corporation's policies, procedures and practices at all levels. The Committee's primary duties and responsibilities are to:

- Serve as an independent and objective party to monitor the Corporation's financial reporting process and internal control system.
- Review and appraise the audit performed by the Corporation's independent accountants, who report directly to the Committee.
- Provide an open avenue of communication among the independent accountants, financial and senior management and the Board.

The Committee will primarily fulfill these responsibilities by carrying out the activities enumerated in Section IV of this Charter.

II. Composition.

The Committee shall be comprised of three or more directors as determined by the Board, each of whom shall be independent directors (as defined by all applicable rules and regulations of the Securities and Exchange Commission (the "Commission"), Nasdaq and any other appropriate body), and free from any relationship that, in the opinion of the Board, would interfere with the exercise of his or her independent judgment as a member of the Committee. All members of the Committee shall have a working familiarity with basic finance and accounting practices, including being able to read and understand financial statements, and at least one member of the Committee shall have accounting or related financial management expertise. The Committee shall endeavor to have, as one of its members, an individual who qualifies as an "audit committee financial expert" in compliance with the criteria established by the Commission and other relevant regulations at the time the regulations require disclosure of the existence of an audit committee financial expert. The existence of such audit committee financial expert, including his or her name and whether or not he or she is independent, or the lack of an audit committee financial expert, shall be disclosed in the Corporation's periodic filings as required by the Commission.

Committee members may enhance their familiarity with finance and accounting by participating in educational programs conducted by the Corporation or an outside consultant.

The members of the Committee shall be elected by the Board at the annual organizational meeting of the Board and shall serve until the next annual organizational meeting of the Board or until their successors have been duly elected and qualified. Unless a Chair is elected by the full Board, the members of the Committee may designate a Chair by majority vote of the full Committee membership.

III. Meetings.

Edgar Filing: FAMOUS DAVES OF AMERICA INC - Form DEF 14A

The Committee shall meet at least four times annually, or more frequently as circumstances dictate. As part of its job to foster open communication, the Committee should meet at least annually with management

A-1

and the independent accountants in separate executive sessions to discuss any matters that the Committee or each of these groups believe should be discussed privately.

IV. Responsibilities and Duties.

To fulfill its responsibilities and duties, the Committee is expected to:

1. Provide an open avenue of communication between the Corporation, the independent accountants and the Board.
2. Review the Committee's charter at least annually and recommend to the Board any necessary or desirable amendments as conditions may dictate.
3. Maintain sole authority and responsibility for hiring and firing the independent accountants, and maintain direct responsibility for the appointment, compensation, and oversight of the independent accountants' work (including resolution of disagreements between management and the auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or related work. The independent accountants shall report directly to the Committee.
4. Confirm and assure the independence of the internal audit function (if any) and the independent accountant, including considering whether the independent accountant's performance of permissible non-audit services and the compensations received for such services is compatible with the independent accountant's independence.
5. Review and pre-approve the performance of all audit and non-audit accounting services to be performed by the independent accountant (other than with respect to de minimus exceptions permitted by the Sarbanes-Oxley Act of 2002), to the extent such services are permitted under applicable rules and regulation.
