ITEM 2. ACQUISITION OR DISPOSITION OF ASSETS.

On June 1, 2004, Martin Midstream Partners L.P. (MMLP) acquired a deep water marine terminal located near Beaumont, Texas and associated assets from Neches Industrial Park, Inc. (Neches) in a negotiated transaction for \$26.5 million (which includes an initial \$1.0 million payable under a related noncompetition agreement). The terminal is located on approximately 50 acres of land on the Neches River and includes two dock structures, nine storage tanks with a total capacity of approximately 480,000 barrels, four rail spurs with service provided by three major rail companies, a bulk warehouse and associated pipelines, pipe racks, compressors and related equipment. The terminal and the acquired assets were used by Neches in the business of handling and storage of ammonia, sulfuric acid, asphalt, fuel oil and fertilizer through fee based contracts. MMLP intends to continue to use the terminal and the acquired assets for such purposes. The acquisition was financed through MMLP s credit facility with the Royal Bank of Canada.
