Amended and Restated Credit Facility.

On October 29, 2004, Martin Midstream Partner L.P. (the Partnership) entered into a \$100 million amended and restated revolving credit facility (the Credit Facility) with Royal Bank of Canada and the other lenders named therein. The Credit Facility is comprised of (i) a \$30.0 million subfacility that will be used for ongoing working capital needs and general partnership purposes and (ii) a \$70.0 million subfacility that may be used to finance permitted acquisitions and capital expenditures. The Partnership's existing debt of \$69.0 million, as of October 29, 2004, has been refinanced under the Credit Facility, consisting of \$14.0 million outstanding under the working capital subfacility and \$55.0 million outstanding under the acquisition subfacility. Additionally, the Partnership has issued a \$2.5 million letter of credit under the working capital subfacility.

The Partnership's obligations under the Credit Facility are secured by substantially all of its assets, including, without limitation, inventory, accounts receivable, vessels, equipment and fixed assets. The Partnership may prepay all amounts outstanding under this facility at any time without penalty.

Indebtedness under the Credit Facility bears interest at either LIBOR plus an applicable margin or the base prime rate plus an applicable margin. The applicable margin for LIBOR loans will range from 1.75% to 2.75% and the applicable margin for base prime rate loans will range from 0.75% to 1.75%. The Partnership incurs a commitment fee on the unused portions of the Credit Facility.

In addition, the Credit Facility contains various covenants, which, among other things, limit the Partnership's ability to: (i) incur indebtedness; (ii) grant certain liens; (iii) merge or consolidate unless the Partnership is the survivor; (iv) sell all or substantially all of the Partnership's assets; (v) make acquisitions; (vi) make certain investments; (vii) make capital expenditures; (viii) make distributions other than from available cash; (ix) create obligations for some lease payments; (x) engage in transactions with affiliates; or (xi) engage in other types of business.

The Credit Facility also contains covenants, which, among other things, requires the Partnership to maintain specified ratios of: (i) minimum net worth (as defined therein) of \$65.0 million; (ii) EBITDA (as defined therein) to interest expense of not less than 3.0 to 1.0; (iii) total debt to EBITDA, pro forma for any asset acquisition, of not more than 3.5 to 1.0; (iv) current assets to current liabilities of not less than 1.1 to 1.0; and (v) an orderly liquidation value of pledged fixed assets to the aggregate outstanding principal amount of the Partnership's acquisition subfacility of not less than 1.5 to 1.0.

The amount the Partnership is able to borrow under the working capital subfacility is based on a borrowing base formula tied to 75% of eligible accounts receivable plus 60% of

eligible inventory. Without amending the Credit Facility, the Partnership can request an increase eligible borrowings, up to an additional \$50.0 million, which can be applied to either the working capital subfacility, the acquisition subfacility or both, provided that there are one or more existing or new lenders willing to provide to such additional amount.

Other than mandatory prepayments that would be triggered by certain asset dispositions or the issuance of subordinated indebtedness, the Credit Facility requires interest only payments on a quarterly basis until maturity. All outstanding principal and unpaid interest must be paid by October 29, 2008. The Credit Facility contains customary events of default, including, without limitation, payment defaults, cross-defaults to other material indebtedness, bankruptcy-related defaults, change of control defaults and litigation-related defaults.

A copy of the Credit Facility is attached hereto as Exhibit 10.1.

Item 2.02 Results of Operations and Financial Condition.

On November 2, 2004, the Partnership issued a press release reporting its financial results for the third quarter ended September 30, 2004. A copy of the press release is furnished as Exhibit 99.1 to this Current Report and will be published on the Partnership's website at www.martinmidstream.com. On November 3, 2004, at 3:00 p.m. Central Time, the Partnership will hold an investors' conference call to discuss the Partnership's financial results for the third quarter ended September 30, 2004. The supplemental financial data, including certain non-generally accepted accounting principle financial measures, that will be discussed during the investors' conference call is included in the above referenced press release.
