PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS OF PAYCHEX, INC.

TO BE HELD ON OCTOBER 12, 2005

This Proxy Statement is first being mailed to stockholders of Paychex, Inc. (Paychex or the Company) on or about August 31, 2005, in connection with the solicitation of proxies by the Board of Directors of the Company (the Board) to be voted at the 2005 Annual Meeting of Stockholders (the Annual Meeting). The Annual Meeting will be held on Wednesday, October 12, 2005 at 10:00 a.m. at the Rochester Riverside Convention Center, 123 East Main Street, Rochester, New York.

Stockholders Entitled to Vote; Outstanding Shares; Quorum

Paychex has one class of shares outstanding, designated common stock, \$0.01 par value per share. The Board has fixed the close of business on August 15, 2005, as the record date for determining the holders of common stock entitled to notice of, and to vote at, the Annual Meeting. As of the record date, 378,968,328 shares of common stock were issued and outstanding. A majority of the outstanding shares (189,484,165 shares) present at the Annual Meeting in person or by proxy will constitute a quorum. Stockholders will be entitled to one vote for each share of common stock held as of the record date.

How to Vote

Your vote is very important and we hope that you will attend the Annual Meeting. However, whether or not you plan to attend the Annual Meeting, please vote by proxy in accordance with the instructions on your proxy card, voting instruction form (from your bank or broker), or that you received through electronic mail. There are three convenient ways of submitting your vote:

Voting by Internet You can vote via the Internet by visiting the Web site noted on your proxy card. Internet voting is available 24 hours a day. We encourage you to vote via the Internet, as it is the most cost-effective way to vote.

Voting by telephone You can also vote your shares by telephone by calling the toll-free telephone number indicated on your proxy card and following the voice prompt instructions. Telephone voting is available 24 hours a day.

Voting by mail If you choose to vote by mail, simply mark your proxy card, date and sign it, and return it in the postage-paid envelope provided.

The deadline for Internet or telephone voting is 11:59 p.m. Eastern Time on Tuesday, October 11, 2005. If you vote by telephone or the Internet, you do not need to return your proxy card. Signing and returning your proxy card or submitting your proxy via the Internet or by telephone does not affect your right to vote in person if you attend the Annual Meeting and your shares are registered in your name. If your shares are held in the name of a bank, broker, or other holder of record, you must obtain a proxy, executed in your favor, from the holder of record to be able to vote in person at the Annual Meeting.

Revoking Your Proxy

You can revoke your proxy at any time prior to it being voted at the Annual Meeting by:

Providing written notice of revocation to the Secretary of the Company;

Submitting a later-dated proxy via the Internet, telephone, or mail; or

Voting in person at the Annual Meeting.

General Information on Voting

All votes properly cast and not revoked will be voted at the Annual Meeting in accordance with the stockholder s directions. Shares voted by proxy card received without choices specified will be voted **FOR** the

seven nominees for election to the Board of Directors of the Company, **FOR** the proposal to amend the 2002 Stock Incentive Plan and increase the shares available thereunder, and **AGAINST** the stockholder proposal.

Abstentions are counted for the purpose of establishing a quorum and will have the same effect as a vote against a proposal (other than the election of directors). Broker non-votes will be counted for the purpose of determining the presence or absence of a quorum, but will not be counted for the purpose of determining the number of shares entitled to vote on a specific proposal.

Vote Required

The table below shows the vote required to approve each of the proposals described in this Proxy Statement, assuming the presence of a quorum at the Annual Meeting.

Proposal Number	Proposal Description	Vote Required
Proposal One	Election of seven members of the Board of Directors	Plurality of the votes duly cast

Voting by Participants in the Paychex Employee Stock Ownership Plan Stock Fund

If a stockholder is a participant in the Paychex Employee Stock Ownership Plan Stock Fund (ESOP) of the Paychex, Inc. 401(k) Incentive Retirement Plan, the proxy card also will serve as a voting instruction for the Trustee of the ESOP, where all accounts are registered in the same name. If shares of common stock in the ESOP are not voted, those shares will be voted by the Trustee in the same proportions as the shares properly voted by other participants in the ESOP. Voting by ESOP participants will close at 11:59 p.m. Eastern Time on October 7, 2005. The Trustee will then vote shares of common stock in the ESOP not voted by the participants by the established deadline.

PROPOSAL 2 TO AMEND THE 2002 STOCK INCENTIVE PLAN AND INCREASE THE SHARES AVAILABLE UNDER THE 2002 STOCK INCENTIVE PLAN

Background

The Paychex Board of Directors has approved, subject to the approval of its stockholders, amendments to the Company's 2002 Stock Incentive Plan (the "Plan") to (1) amend the Plan to increase the types of awards that may be granted under the Plan, and (2) increase the aggregate number of shares of common stock available for issuance under the Plan by 20,000,000 to a total of 29,107,569 (the "Plan Amendments"). Currently, the Plan authorizes the granting of common stock-based awards in the form of incentive stock options and non-qualified stock options. The Plan, as amended and restated, will additionally authorize the granting of stock appreciation rights, stock awards, restricted stock, restricted stock units and performance awards.

The Plan Amendments are necessary to permit the Company to provide incentives and rewards to its employees and directors, to attract and retain such persons on a competitive basis and to associate the interests of such persons with those of the Company and its subsidiaries. The Plan Amendments allow greater flexibility to utilize other forms of common stock-based awards to meet the Plan's goals. This flexibility is increasingly important as the regulatory, tax and accounting treatment of common stock-based awards continues to evolve and such changes in treatment may impact the Company's ability to provide long-term incentives to employees and directors.

These important considerations should be taken into account when considering the Plan Amendments.

The Company is a services business, and has historically issued equity incentives as a key element to attract, motivate and retain its employees.

The Company's annual dilution from equity grants has been below 1% and is expected to approximate 1% after these amendments are effective.

As of May 31, 2005, options to purchase 6,032,275 shares have been granted under the Plan, with 3,867,293 remaining available to grant under the Plan.

If approved by the stockholders, the Plan Amendments will be effective as of the date of the Annual Meeting.

Required Vote

Assuming the presence of a quorum, the affirmative vote of at least a majority of the shares of common stock, present at the Annual Meeting, in person or by proxy, without regard to broker non-votes, is required to approve the Plan Amendments.

If this proposal is not approved by the Company's stockholders, the Company's flexibility may be limited which will impact the Company's ability to provide incentives and rewards to its employees and directors, to attract and retain such persons on a competitive basis and to associate the interests of such persons with those of the Company and its subsidiaries.

The Board of Directors recommends a vote FOR this Proposal 2. Unless otherwise directed, the persons named in the enclosed proxy will vote such proxies FOR this proposal.

Summary of the Plan

A summary of the Plan, as amended and restated, appears below. It does not purport to be complete and is qualified in its entirety by reference to the provisions of the Plan itself. The complete text of the amended and restated Plan is attached to this Proxy Statement as Appendix A.

Unless otherwise defined in this summary, capitalized terms used in this summary have the meanings given such terms in the amended and restated Plan.

Effective Date. The amendment and restatement of the Plan was adopted by the Board of Directors on July 7, 2005, and will become effective if approved by the stockholders of the Company at the Annual Meeting.

Administration. The amended and restated Plan will be administered by the Compensation and Governance Committee, or such other committee as may be designated by the Board of Directors to administer the Plan (the "Committee"). The Committee must be comprised of not less than such number of directors as shall be required to permit Awards to qualify under Rule 16b-3 under the Securities Exchange Act of 1934, as amended (the "Exchange

Table of Contents

Act), and each member of the Committee must be a Non-Employee Director within the meaning of Rule 16b-3 and an outside director within the meaning of Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code).

The Committee will have broad authority in its administration of the amended and restated Plan, including, but not limited to, the authority to interpret the Plan; to establish rules and regulations for the administration of the Plan; to select those eligible individuals to receive Awards; to determine the type, size, terms, conditions, limitations, and restrictions of Awards; and to take all other action it deems necessary or advisable to administer the amended and restated Plan. Notwithstanding the Committee's broad authority, the exercise price of any Option and the strike price of any Stock Appreciation Right granted pursuant to the amended and restated Plan may not be subsequently repriced without stockholder approval.

Eligibility. All officers, non-employee Directors, employees, consultants and advisors providing services to the Company or an Affiliate are eligible to participate in the amended and restated Plan. As of May 31, 2005, all sixteen executive officers, all seven non-employee Directors, and approximately 10,000 other officers and employees were eligible for participation in the Plan. The selection of those persons within a particular class who will receive Awards is entirely within the discretion of the Committee.

Shares Available. The amendment and restatement of the Plan would increase the number of Shares that may be issued thereunder by 20,000,000. However, of the total number of Shares available for Awards under the amended and restated Plan, no more than 7,500,000 Shares would be available for issuance pursuant to grants of Stock Awards, Restricted Stock or Restricted Stock Units.

Types of Awards. Awards under the amended and restated Plan may be in the form of Options, Stock Appreciation Rights, Stock Awards, Restricted Stock, Restricted Stock Units and Performance Awards, or any combination thereof.

Award Limits. Eligible individuals may not be granted any Award the value of which is based solely on an increase in the value of Shares after the date of grant of such Award for more than 1,500,000 Shares in the aggregate in any calendar year. In addition, the maximum amount payable pursuant to all Performance Awards to any Participant in the aggregate in any calendar year is \$6,000,000 in value, whether payable in cash, Shares or other property.

Stock Options. Options may be Incentive Stock Options or Non-Qualified Stock Options for federal income tax purposes. Options vest and become exercisable at such times and upon such terms and conditions as determined by the Committee; provided, however, (a) an Option may not be exercisable more than ten years after the date it is granted, and (b) the per-Share exercise price for any Option may not be less than 100 percent of the fair market value of a Share on the day that the Option is granted, except for Options granted in assumption or replacement of outstanding stock options in connection with specified corporate transactions.

Stock Appreciation Rights. A Stock Appreciation Right entitles the Participant upon exercise to receive a per-Share amount equal to the excess of the fair market value on the exercise date of one Share over the strike price. Stock Appreciation Rights vest and become exercisable at such times and upon such terms and conditions as determined by the Committee; provided, however, the per-Share strike price for any Stock Appreciation Right may not be less than 100 percent of the fair market value of a Share on the day that the Stock Appreciation Right is granted, except for Stock Appreciation Rights granted in assumption or replacement of outstanding stock appreciation right in connection with specified corporate transactions.

Stock Awards. A Stock Award is an outright grant of Shares to a Participant. Stock Awards may only be made to officers and directors, must be made in lieu of salary or cash bonus, and the number of Shares awarded must be reasonable.

Restricted Stock and Restricted Stock Units. Restricted Stock is a grant to a Participant of Shares that are subject to a vesting schedule; the holder of Restricted Stock is a stockholder of record with respect to the underlying Shares, and is entitled to vote such Shares and to receive any dividends paid on the Shares. A Restricted Stock Unit is a right that entitles the holder to receive Shares at some future date; the holder of a Restricted Stock Unit does not have the right to vote, and generally is not entitled to receive dividends on, the Shares underlying the Restricted Stock Unit until such Shares are actually issued. Restricted Stock and Restricted Stock Units must have a minimum

Table of Contents

vesting period of three years, except in the case of Restricted Stock and Restricted Stock Units that are conditioned on performance, which may have a minimum vesting period of one year.

Performance Awards. Performance Awards are structured to qualify as deductible performance-based compensation for purposes of Section 162(m) of the Code. Generally, only those employees who are covered employees within the meaning of Section 162(m) (generally, the CEO and the other four highest paid executive officers) will receive Performance Awards. A Performance Award is conditioned upon the achievement of one or more Performance Goals, as set forth in the Plan. Performance Goals may reflect the performance of the Company as a whole or that of a particular business unit, or a relative comparison to the performance of the Company's peer group. In addition, the Committee may designate Performance Goals to include or exclude the effect of certain items or events, including the interest on funds held for clients; changes in accounting principles or unusual items.

Adjustments Upon Certain Corporate Events. In the event that the Committee determines that any dividend or other distribution, recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase or exchange of Shares or other securities of the Company, issuance of warrants or other rights to purchase Shares or other securities of the Company or other similar corporate transaction or event affects the Shares, then the Committee may, in such manner as it may deem equitable, appropriately adjust (a) the number and type of Shares available under the amended and restated Plan; (b) the number and type of Shares subject to outstanding Awards; or (c) the per-Share exercise price, strike price or purchase price of any outstanding Award.

Amendment and Termination. The Board of Directors may amend, alter, suspend, discontinue or terminate the amended and restated Plan; provided, however, that the prior approval of the stockholders of the Company is required for any amendment to the amended and restated Plan that: (a) requires stockholder approval under the rules or regulations of the Securities and Exchange Commission (SEC), NASDAQ or other securities exchange that are applicable to the Company; (b) increases the number of Shares authorized under the Plan; (c) increases the limitations on Awards contained in the amended and restated Plan; (d) permits repricing of Options or Stock Appreciation Rights; (e) permits the grant of Options or Stock Appreciation Rights at a per-Share price less than 100 percent of the fair market value of a Share on the date of grant; or (f) would cause Section 162(m) to become unavailable with respect to Awards granted under the Plan.

New Plan Benefits

Because the benefits conveyed under the amended and restated Plan will be at the discretion of the Committee, it is not possible to determine what benefits Participants will receive under the amended and restated Plan. Further, since if approved these Plan amendments would authorize new types of Awards that were not previously available under the Plan, it is not possible to determine which, if any, of these new Awards might have been granted to any of the current Directors or officers during the past fiscal year, or if granted the amounts thereof, except that, on July 7, 2005, the Board of Directors made a conditional stock option grant under the amended and restated Plan to Jonathan J. Judge of 250,000 options to purchase common stock shares at an exercise price of \$33.68 per share (the closing price on the date of grant), which will vest over four years, with one-third vesting on July 7, 2007, one-third vesting on July 7, 2008, and one-third vesting on July 7, 2009. The grant was conditioned upon stockholder approval of the amended and restated Plan.

Table of Contents**Equity Compensation Plan Information**

The following table summarizes, as of May 31, 2005, the number of shares subject to currently outstanding options, their weighted average exercise price, and the number of shares available for future grants under the Plan, before taking into account the additional number of shares that would be authorized for issuance if this Proposal is approved:

Plan category (in thousands)	Number of securities to be issued upon exercise of outstanding options	Weighted-average exercise price of outstanding options	Number of securities remaining available for future issuance under equity compensation plans
Equity compensation plans approved by security holders	11,379	\$ 29.07	3,867
Equity compensation plans not approved by security holders ⁽¹⁾	550	\$ 30.68	
Total	11,929	\$ 29.15	3,867

⁽¹⁾ Jonathan J. Judge received 550,000 options to purchase common stock on October 1, 2004 under a non-qualified stock option agreement.

Securities Act Registration

The Company intends to register the additional Shares issuable and purchasable under the amended and restated Plan pursuant to a Registration Statement on Form S-8 as soon as practicable, subject to the stockholders' approval of the amended and restated Plan at the Annual Meeting.

Tax Status of Plan Awards

Introduction. The following discussion of the United States federal income tax consequences of Awards under the amended and restated Plan, as proposed, is based on present federal tax laws and regulations and does not purport to be a complete description of the federal income tax laws. Participants may also be subject to certain foreign, state and local taxes which are not described below.

Incentive Stock Options. Pursuant to the requirements of Section 422 of the Code, only employees are eligible to receive Incentive Stock Options. If an Option is an Incentive Stock Option, no income is realized by the employee upon grant or exercise of the Incentive Stock Option, and no deduction is available to the Company at such times. If the Shares purchased upon the exercise of an Incentive Stock Option are held by the employee for at least two years from the date of the grant of such Incentive Stock Option and for at least one year after exercise, any resulting gain is taxed at long-term capital gains rates. If the Shares purchased pursuant to an Incentive Stock Option are disposed of

before the expiration of that period, any gain on the disposition, up to the difference between the fair market value of the Shares at the time of exercise and the exercise price of the Incentive Stock Option, is taxed at ordinary rates as compensation paid to the employee, and the Company is entitled to a deduction for an equivalent amount. Any amount realized by the employee in excess of the fair market value of the Shares at the time of exercise is taxed at capital gains rates.

Non-Qualified Stock Options. If an Option is a Non-Qualified Stock Option, no income is realized by the Participant at the time of grant of the Non-Qualified Stock Option, and no deduction is available to the Company at such time. At the time of exercise, ordinary income is realized by the Participant in an amount equal to the difference between the exercise price and the fair market value of the Shares on the date of exercise, and the Company receives an income tax deduction for such amount. Upon disposition, any appreciation or depreciation of the Shares after the date of exercise will be treated as capital gain or loss depending on how long the Shares have been held.

Stock Appreciation Rights. No income is realized by a Participant at the time a Stock Appreciation Right is granted, and no deduction is available to the Company at such time. When a Stock Appreciation Right is exercised, ordinary income is realized in the amount of the fair market value at such time of the Shares received by the Participant, and the Company is entitled to a deduction of equivalent value.

Table of Contents

Stock Awards. Upon the grant of a Stock Award, a Participant realizes taxable income equal to the fair market value at such time of the Shares received by the Participant under such Award (less the purchase price therefor, if any), and, subject to the limitations of Section 162(m) of the Code, the Company is entitled to a corresponding tax deduction at that time.

Restricted Stock. Upon the grant of Restricted Stock, no income is realized by a Participant (unless the Participant timely makes an election under Section 83(b) of the Code), and the Company is not allowed a deduction at that time. When the Award vests and is no longer subject to a substantial risk of forfeiture for income tax purposes, the Participant realizes taxable ordinary income in an amount equal to the fair market value at the time of vesting of the Shares of Restricted Stock which have vested (less the purchase price therefor, if any), and, subject to the limitations of Section 162(m) of the Code, the Company is entitled to a corresponding deduction at such time. If a Participant makes a timely election under Section 83(b) of the Code, then the Participant recognizes taxable ordinary income in an amount equal to the fair market value at the time of grant of the Restricted Stock (less the purchase price therefor, if any), and, subject to the limitations of Section 162(m) of the Code, the Company is entitled to a corresponding deduction at such time.

Restricted Stock Units. Upon the grant of Restricted Stock Units, no income is realized by a Participant, and the Company is not allowed a deduction at that time. When the Award vests and is no longer subject to a substantial risk of forfeiture for income tax purposes, the Participant realizes taxable ordinary income in an amount equal to the fair market value at the time of vesting of the Shares received by the Participant under such Award (less the purchase price therefor, if any), and, subject to the limitations of Section 162(m) of the Code, the Company is entitled to a corresponding deduction at such time.

Performance Awards. A Participant receiving a Performance Award will not recognize income and the Company will not be allowed a tax deduction at the time the Award is granted. When the Participant receives payment of the Performance Award, the amount of cash and the fair market value of any Shares received will be ordinary income to the Participant and the Company is entitled to a corresponding deduction at such time.

CORPORATE GOVERNANCE

Board Meetings

The Board met six times during the fiscal year ended May 31, 2005 (fiscal 2005). To the extent practicable, Directors are expected to attend Board meetings and meetings of the Committees on which they serve. Each Director attended more than 75% of all meetings of the Board of Directors and of the Committees on which such Director served during fiscal 2005. Directors are encouraged to attend annual meetings of stockholders. Last year, seven Directors attended the Annual Meeting.

In fiscal 2005, non-employee Directors were paid \$25,000 annually plus \$2,500 for each Board meeting attended and \$1,000 for each Committee meeting attended. The Chairman of the Audit Committee, currently Mr. Flaschen, was paid an additional \$1,000 for each meeting chaired. Post October 1, 2004, the Chairman of the Board receives an annual salary of \$140,000 and has access to health benefits. The Chairman does not receive Director fees or Director options.

In July 2004, each non-employee director was awarded a stock option grant under the Company's 2002 Stock Incentive Plan for 10,000 shares of common stock at an exercise price of \$31.79 per share, which expire in July 2014, except for Ms. Betsy Atkins (now retired) and Mr. Clark, whose options expire on the one year anniversaries of their departures from the Board. The exercise price of the stock options granted is equal to the market price of the underlying stock on the date of grant. Ms. Atkins has 7,500 exercisable options to purchase common stock which expire on October 5, 2005. As of October 12, 2005, Mr. Clark will have 16,667 exercisable options to purchase common stock which expire on October 12, 2006.

The Board has determined that each of the Directors, other than Mr. Golisano and Mr. Judge, is independent within the meaning of applicable SEC and The NASDAQ Stock Market® director independence standards.

Executive Sessions

Regularly scheduled executive sessions of the independent members of the Board of Directors without members of management are held in conjunction with meetings of the Board. The Board has selected Mr. Tucci to preside at all executive sessions of the independent Directors.

Board Committees

The Board has the following four standing committees:

The *Executive Committee*, comprised of Mr. Golisano, Mr. Horsley, and Mr. Judge (Chairman), may exercise all the powers and authority of the Board of Directors except as limited by law. The Executive Committee held no meetings during fiscal 2005.

The *Audit Committee* is comprised of Mr. Clark, Mr. Flaschen (Chairman), and Mr. Inman. The Board has determined that all members of the Audit Committee meet the independence, experience, and other applicable NASDAQ listing requirements, and that Mr. Flaschen qualifies as an Audit Committee Financial Expert, as defined by applicable rules. This committee is primarily concerned with the integrity of the Company's financial statements, the Company's compliance with legal and regulatory requirements, the independence and qualifications of the independent auditor and the performance of the Company's internal audit function and independent auditor. The Audit Committee's responsibilities are more fully described in the Audit Committee Charter adopted by the Board, which is accessible at the Company's Web site, www.paychex.com. The Audit Committee held seven meetings during fiscal 2005.

The *Investment Committee* is comprised of Mr. Clark, Mr. Horsley, and Mr. Inman (Chairman). This committee assists the Board in reviewing the Company's investment policies, strategies and performance. The Investment Committee's responsibilities are more fully described in the Investment Committee Charter adopted by the Board, which is accessible at the Company's Web site, www.paychex.com. The Investment Committee held one meeting during fiscal 2005.

The *Governance and Compensation Committee* is comprised of Mr. Flaschen, Mr. Horsley, Mr. Inman and Mr. Tucci (Chairman). The Board has determined that all members of the Governance and Compensation Committee meet the NASDAQ independence criteria. The primary responsibilities of this committee are to evaluate and determine compensation for members of the Board, Chief Executive Officer, and senior executive officers, identify,

evaluate and recommend to the Board candidates for nomination for election to the Board, and provide oversight with respect to governance of the Board. The Governance and Compensation Committee's responsibilities are more fully described in the Governance and Compensation Committee Charter adopted by the Board. Such charter was amended in 2005 and is attached as Appendix B to this Proxy Statement. The Governance and Compensation Committee held three meetings during fiscal 2005.

Nomination Process

The Governance and Compensation Committee performs the function of a nominating committee. The Board has determined that it is necessary for the continued success of the Company to ensure that the Board is composed of individuals having a variety of complementary experience, education, training, and relationships relevant to the then-current needs of the Board and the Company. The Nomination Policy included in the Governance and Compensation Committee Charter is intended to achieve this result.

In evaluating candidates for nomination to the Board, the Nomination Policy requires Governance and Compensation Committee members to consider the contribution that a candidate for nomination would be expected to make to the Board and the Company, based upon the current composition and needs of the Board, and the candidate's demonstrated business judgment, leadership abilities, integrity, prior experience, education, training, relationships, and other factors that the Board determines relevant. In identifying candidates for nomination to fill vacancies created by the expiration of the term of any incumbent Director, the Nomination Policy requires Governance and Compensation Committee members to determine whether such incumbent Director is willing to stand for re-election and, if so, to take into consideration the value to the Board and to the Company of continuity and familiarity with the Company's business. The Board has previously used a third party search firm to identify Director candidates and the charter authorizes the Governance and Compensation Committee to continue this practice.

The Nomination Policy requires the Governance and Compensation Committee to consider candidates for nomination to the Board recommended by any reasonable source, including stockholders. Stockholders who wish to do so may recommend candidates for nomination by identifying such candidates and providing relevant biographical information in written communications to the chairperson of the Governance and Compensation Committee in accordance with the policy described below in the Section entitled "Communications with the Board of Directors."

Communications with the Board of Directors

The Board established procedures to enable stockholders to communicate in writing with the Board and with chairpersons of standing committees of the Board. Such written communications should be clearly marked

Stockholder Board Communication, and be mailed to Paychex, Inc. at 911 Panorama Trail South, Rochester, New York, 14625-2396, Attention: Corporate Secretary. In the case of communications intended for committee chairpersons, the specific committee must be identified. Any such communications that do not identify a standing committee will be forwarded to the Board. The Company Secretary will promptly forward such communications to the Board or to the appropriate standing committee of the Board, as the case may be.

Governance and Compensation Committee Interlocks and Insider Participation

None of the members of the Governance and Compensation Committee were at any time during fiscal 2005, or at any other time, an officer or employee of the Company. During fiscal 2005, no member of the Committee or Board of Directors was an executive officer of another entity on whose compensation committee or board of directors an executive officer of Paychex served.

CODE OF ETHICS

The Company has adopted a Code of Ethics that applies to all of its Directors, officers, and employees. The Code of Ethics is available for review on the Company's Web site at www.paychex.com at the Investor Relations section under Corporate Governance. The Company intends to disclose any amendment to, or waiver from, a provision of its Code of Ethics that relates to any element of the Code of Ethics definition enumerated in Item 406 of SEC Regulation S-K by posting such information on its Web site at the address specified above.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the Board of Directors oversees the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the fiscal year 2005 Annual Report on Form 10-K with management including a discussion of the quality and acceptability of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Company's independent registered public accounting firm, Ernst & Young LLP, is responsible for expressing an opinion on the conformity of the audited financial statements with the standards of the Public Company Accounting Oversight Board (United States). The Audit Committee reviewed with the independent registered public accountants their judgments as to the quality and acceptability of the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee under Generally Accepted Auditing Standards. The Committee discussed with the independent registered public accountants the matters required to be discussed by Statement on Auditing Standards No. 61, as amended by Statement on Auditing Standard No. 90 (Communications With Audit Committees). The Audit Committee has received the written disclosures and the letter from the independent public accountants required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and discussed with the independent registered public accountants the accountants' independence from management and the Company. The Audit Committee has also considered whether the independent public accountants' provision of other non-audit services to the Company is compatible with the accountants' independence. The Audit Committee held seven meetings during fiscal 2005.

The Audit Committee discussed with the Company's internal auditors and independent registered public accountants the overall scope and plans for their respective audits. The Audit Committee meets with the internal auditors and independent registered public accountants, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

During the course of the fiscal year 2005, management completed the documentation, testing and evaluation of the Company's system of internal control over financial reporting in response to the requirements set forth in Section 404 of the Sarbanes-Oxley Act of 2002. The Audit Committee was kept informed of the progress of the evaluation and provided oversight and advice to management during the process. In connection with this oversight, the Audit Committee received periodic updates provided by management, the internal auditors and independent registered public accountants at each regularly scheduled Audit Committee meeting. At the conclusion of the process, management provided the Audit Committee with, and the Audit Committee reviewed, a report on the effectiveness of the Company's internal control over financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended and the Board of Directors approved that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended May 31, 2005 for filing with the Securities and Exchange Commission. The Audit Committee will recommend to the Board of Directors, which will approve, the selection of the Company's independent public accountants.

REPORT OF THE GOVERNANCE AND COMPENSATION COMMITTEE

The Governance and Compensation Committee of the Board of Directors is responsible for making recommendations with respect to executive officers' salaries and grants of stock options to the Company's employees. The Governance and Compensation Committee's recommendations are presented to the Board for discussion and decision.

The compensation for executive officers is designed to be competitive with companies of similar size and performance, reward exceptional individual performance, tie compensation to overall Company objectives, and align the interest of executive officers with the interests of the stockholders. The components of the compensation program are base salary, annual incentive bonus, and stock option awards under the Company's 2002 Stock Incentive Plan.

Base Salary and Annual Incentive Plan (Bonus)

Annual compensation is composed primarily of base salary and an annual incentive bonus. The salaries of the executive officers are determined based on their performance and comparisons with base salaries paid to executive officers having similar responsibilities in comparable companies. The Governance and Compensation Committee and the Board have instituted an Officer Incentive Program for fiscal year 2005, which provides for the executive officers, other than the Chief Executive Officer, the opportunity for annual cash bonuses of up to 50% of base salary based primarily on the Company's annual revenue and operating income growth. The purpose of this bonus plan is to make a significant component of the executive officers' annual compensation tied directly to overall Company financial performance.

Stock Incentive Plan

The Company's 2002 Stock Incentive Plan is designed to align executive officers' compensation with long-term performance of the Company's stock. Stock options are granted to executive officers in amounts based upon their individual performance. Stock options are granted at fair market value as of the date of the grant, and have a term of up to ten years. These options vest one-third each year commencing two years after the date of the grant. Stock options provide incentive for the executive officers to create stockholder value over the long term.

Compensation of Chief Executive Officer

The Governance and Compensation Committee meets annually without the Chief Executive Officer to evaluate his performance and recommends to the Board the compensation to be paid to him. In performing that function, the Governance and Compensation Committee reviews the range and components of compensation paid to CEOs of other public companies. In particular, the Governance and Compensation Committee looks to those public companies whose size and performance are similar to those of Paychex, Inc.

Mr. Golisano's compensation during fiscal 2005 for his services as President and Chief Executive Officer was \$276,923, which on an annualized basis reflected an increase from fiscal 2004 of 4%. His compensation was based in part on the Governance and Compensation Committee's evaluation of the Company's performance. Mr. Golisano was not paid a bonus in fiscal 2005, compared with a bonus of approximately 39% of his base salary for fiscal 2004. Mr. Golisano's fiscal 2004 bonus was determined based on the Company's Officer Incentive Plan described above.

On October 1, 2004, Mr. Golisano resigned from the positions of President and Chief Executive Officer. At that time, Jonathan J. Judge joined the Company in those positions and his base salary was set at \$800,000 annually. Mr. Judge's compensation is reflective in part by the Governance and Compensation Committee's evaluation of the Company's performance in revenue, profitability, return on stockholders' equity, and other areas. Mr. Judge earned a bonus of approximately 113% of his prorated base salary for fiscal 2005. Mr. Judge's bonus for fiscal 2005 was determined pursuant to his employment agreement under which he was entitled to an annual bonus of up to 100% of his base salary with a payout range from 20% to 100% depending on achievement of the Company objectives described in his employment agreement plus any bonus awards recommended by the Compensation Committee and approved by the Board of Directors for over-achievement of operating objectives. In fiscal 2005, Paychex achieved its fifteenth straight year of record revenues and net income. The Company's total revenues increased 12% and net income increased 22% in fiscal 2005 over the prior year's figures, while return on stockholders' equity was 28%.

Table of Contents

Mr. Judge's employment agreement provides for a three-year term. Pursuant to the employment agreement, Mr. Judge received an initial grant of an option to purchase 650,000 shares of the Company's common stock and is eligible to receive additional options to acquire shares of the Company's common stock in the future, based upon his performance, the recommendations of the Governance and Compensation Committee, and option pool availability. Mr. Judge is also eligible to participate in the Company's healthcare plans, life insurance and disability plans, insurance, 401(k) plan, Deferred Compensation Plan and indemnification and other standard benefits available to the Company's senior executive officers.

Mr. Judge's employment agreement provides that in the event that the Company terminates Mr. Judge's employment other than for cause (as defined in the employment agreement), or if Mr. Judge terminates his employment for good reason (as defined in the employment agreement) the Company must pay him one year's annual salary, plus a cash bonus, and any options included in his initial option grant that have not been previously vested shall vest and become exercisable immediately.

Pursuant to his employment agreement, Mr. Judge also received reimbursement of expenses incurred for relocation to Rochester, New York in accordance with the Company's relocation policy. Such reimbursed expenses amounted to \$15,500 for fiscal 2005. In addition, Mr. Judge was reimbursed \$12,500 for legal services he incurred in connection with the negotiation of his employment agreement.

Compensation of Other Executive Officers

The Governance and Compensation Committee sets compensation for executive officers other than the CEO after the CEO provides the Governance and Compensation Committee with his evaluation of the performance of each executive officer and his recommendation with respect to base salary, bonus, and stock options. Governance and Compensation Committee members discuss his recommendations in light of their own experiences and familiarity with levels and components of compensation for persons with similar responsibilities in other public companies. The goal of the Governance and Compensation Committee is to compensate fairly for the job done, to reward extraordinary performance or promise, and to encourage long-term identification with stockholder interests through the award of stock options under the Company's 2002 Stock Incentive Plan. Company performance is also considered.

Impact of Section 162(m) of the Internal Revenue Code

Section 162(m) of the Internal Revenue Code generally limits the tax deductibility of annual compensation paid to certain executive officers to \$1 million, unless specified requirements are met. The Governance and Compensation Committee has carefully considered the impact of this provision. At this time, it is the Governance and Compensation Committee's intention to continue to compensate all executive officers based on overall performance. The Governance and Compensation Committee expects that most compensation paid to executive officers will qualify as a tax-deductible expense. For fiscal 2005, the Governance and Compensation Committee authorized compensation in excess of \$1 million for Mr. Judge. The Governance and Compensation Committee may in the future authorize compensation that is not deductible. The 2002 Stock Incentive Plan is designed to provide incentive compensation that will not count against the \$1 million limitation.

STOCKHOLDER PROPOSAL

Stockholder Proposal

The AFSCME Employees Pension Plan, 1625 L Street, N.W., Washington, D. C. 20036, has notified us that it intends to present the following proposal at this year's annual meeting:

Resolved that the stockholders of Paychex, Inc. (Paychex or the Company) amend Article II, section 9 of the bylaws to add the following sentence immediately before the last sentence in that section:

Directors shall be elected by a majority of the shares present in person or represented by proxy, provided a quorum is present at the meeting.

Supporting Statement

Currently, Paychex uses a plurality voting standard for director elections, which means that the nominee who receives the most votes will be elected. Nearly all corporate director elections, including the last 10 at Paychex, are uncontested; in other words, there is only one candidate for each open seat. (Harvard Law School Professor Lucian Bebchuk has estimated that there were only about 80 contested elections at public companies from 1996 to 2002.) In uncontested situations, a plurality voting standard ensures that a nominee will be elected even if holders of a majority of shares voting exercise their right to withhold support from the nominee on the proxy card. Indeed, under plurality voting, a nominee could be elected by a single share.

Section 216 of the Delaware General Corporation law allows a corporation to deviate from the plurality voting default standard by establishing a different standard in its charter or bylaws. This proposal would do that by amending Paychex's bylaws to require directors to be elected by a majority of shares voting at a meeting.

We believe that a majority vote standard for director election would foster a more robust system of board accountability. Under the case law of Delaware, where Paychex is incorporated, the power of stockholders over director election is supposed to be a safety valve that justifies giving the Board substantial discretion to manage the corporation's business and affairs. Requiring a nominee to garner majority support among stockholders thus giving stockholders withhold votes real meaning would help restore this safety valve.

We believe Paychex shareholders would benefit from increased accountability, where in 2004, holders of approximately 36% of shares voted withheld support from a director. A growing number of shareholders appear to agree with our concerns. The Council of Institutional Investors recently adopted a new policy in favor of majority voting in director elections. At 2005 annual meetings, majority election proposals are receiving strong investor support, with one receiving a majority of votes at Marathon Oil.

We urge stockholders to vote FOR this proposal.

Required Vote

Assuming the presence of a quorum, the affirmative vote of at least a majority of the shares of common stock present at the Annual Meeting, in person or by proxy, without regard to broker non-votes, is required to approve this stockholder proposal.

Our Board of Directors recommends a vote AGAINST this proposal. Unless otherwise directed, the persons named in the enclosed proxy will vote the proxy AGAINST this proposal.

The Board of Directors' Statement in Opposition to the Proposal:

The Board of Directors believes that the AFSCME proposal is not in the best interests of the stockholders or the Company, and recommends a vote against the proposal. Paychex directors are elected by a plurality vote standard, meaning that those nominees for election to the Board that receive the greatest number of votes are elected. Paychex has a history of electing, by plurality, strong, independent Boards. In the past several years, the average affirmative vote for the directors has been greater than 85% of the shares voted. Plurality voting for director elections is standard under Delaware (and other states) corporate law and is used by many of the largest corporations in the United States, including corporations that have been recognized as leaders in corporate governance. The rules governing plurality voting are well understood and a plurality voting system does not prevent stockholders from challenging and defeating board nominees.

Table of Contents

While the concept of majority voting for the election of directors may initially appear straightforward and democratic, the Board believes that the AFSCME proposal is incomplete in that it does not address what would occur in the event a candidate does not receive a majority vote, and would likely result in unintended consequences that do not benefit stockholders. For instance, in the event that an incumbent director in an uncontested election failed to receive a majority vote for re-election, that director, although not elected by the stockholders, would nonetheless remain on the Board indefinitely as a holdover until a successor was elected by majority vote at a subsequent stockholder meeting or until resignation. In the event that a non-incumbent director in an uncontested election failed to receive a majority vote for election, the result would be a vacancy on the Board that would be filled by the directors, not stockholders. The Board believes that neither of these results is beneficial to stockholders, improves accountability or is an improvement over the current system of plurality voting. These concerns are exacerbated in the case of a contested election where there are two or more candidates for a single director position and there is an increased likelihood that no candidate will receive a majority or greater vote.

In addition to being incomplete, the Board believes that the AFSCME proposal is premature. Majority voting for the election of directors has become a popular issue in recent years and has been receiving increasing press coverage and scholarly debate. The American Bar Association Section of Business Law Committee on Corporate Laws has undertaken an analysis of legal issues relating to voting for directors, including a majority vote requirement, and has published a Discussion Paper dated June 22, 2005. The purpose of the Discussion Paper is to elicit input and suggestions of alternative courses of action. There is also a Working Group of ten major publicly traded companies and certain stockholder groups which has been formed to study issues related to majority voting for the election of directors. The Working Group is expected to release recommendations next year. It is anticipated that the result of this work will be the development and refinement of best practices related to voting for the election of directors and alternative proposals for modifying the current system of plurality voting that address the problems and unanticipated consequences associated with the AFSCME proposal.

Company management and the Board intend to follow and evaluate the progress of these and other groups and to carefully consider whether changes to the current system are appropriate and in the best interests of the stockholders and the company. In the meantime, the Board believes that the AFSCME proposal (i) fails to achieve its stated objectives, (ii) is incomplete, (iii) will lead to unintended and undesirable consequences, and (iv) is not in the best interests of the stockholders and the Company. For these reasons, the Board recommends that you vote against the AFSCME proposal.

procedure, called householding, allows the Company to reduce printing and mailing expenses of delivering duplicate disclosure materials to stockholders who may have more than one stock account or who share an address with another Paychex stockholder. Only one Annual Report and Proxy Statement is being delivered to multiple stockholders who share an address and who have affirmatively elected to participate in householding unless the Company has subsequently received contrary instructions from one or more of such stockholders. Stockholders who participate in householding will continue to receive separate proxy cards.

If you are a registered stockholder (owning your stock directly and not through a bank or broker) who shares an address with another stockholder of record, you may be eligible for householding for future mailings. If you wish to affirmatively consent to participate in householding, please indicate **Yes** in the householding election on your proxy card. If you wish to continue to receive separate annual reports and proxy statements for each account in your household, you must withhold your consent to householding by indicating **No** in the householding election on your proxy card. If you do not respond, your consent will be implied, and householding of future mailings will start sixty days after the mailing of this Proxy Statement. Affirmative or implied consent will be perpetual unless you withhold it or revoke it.

You may revoke your consent at any time by calling toll-free (800) 542-1061 or by writing to ADP-Investor Communication Services, 51 Mercedes Way, Edgewood, New York, 11717, Attention: Householding Department. If you revoke your consent, you will be removed from the householding program within thirty days of receipt of your revocation, and each stockholder at your address will receive individual copies of our disclosure documents.

The Company hereby undertakes to deliver upon oral or written request a separate copy of its Proxy Statement and Annual Report to a security holder at a shared address to which a single copy was delivered. If such stockholder wishes to receive a separate copy of such documents, please contact Terri Allen, Investor Relations, either by calling toll-free (800) 828-4411 or by writing to Paychex, Inc., 911 Panorama Trail South, Rochester, New York 14625-2396, Attention: Investor Relations.

If you own Paychex stock beneficially through a bank or broker, you may already be subject to householding if you meet the criteria. If you wish to receive a separate Annual Report and Proxy Statement in future mailings, you should contact your bank or broker.

Electronic Access to Proxy Materials and Annual Report

The Notice of Annual Meeting of Stockholders, Proxy Statement, and 2005 Annual Report are also available on the Company's Web site at www.paychex.com. Instead of receiving paper copies of the Annual Report and Proxy Statement in the mail, stockholders can elect to receive an e-mail message, which will provide a link to these documents on the Internet. Opting to receive your proxy materials online saves the Company the cost of producing and mailing bulky documents. To give your consent to receive future documents via electronic delivery, please vote your proxy via the Internet and follow the instructions to register for electronic delivery.

Table of Contents**5. Shares Available for Awards.**

(a) Shares Available. Subject to adjustment as provided in Section 5(c), the aggregate number of Shares that may be issued under all Awards under the Plan shall be the sum of (i) 27,500,000, plus (ii) any Shares available under the Company's 1998 Stock Incentive Plan as of August 1, 2002, plus (iii) any Shares that become available under the Company's 1998 Stock Incentive Plan after August 1, 2002 upon the expiration, termination, forfeiture or cancellation of options issued thereunder. Shares to be issued under the Plan may be either authorized but unissued Shares, or Shares that have been reacquired by the Company and designated as treasury shares. If an Award terminates or is forfeited or cancelled without the issuance of any Shares, then the number of Shares counted against the aggregate number of Shares available under the Plan with respect to such Award, to the extent of any such termination, forfeiture, cancellation or other event, shall again be available for granting Awards under the Plan. If the Shares underlying an Award of Restricted Stock are forfeited or otherwise reacquired by the Company prior to vesting, whether or not dividends have been paid on such Shares, then the number of Shares counted against the aggregate number of Shares available under the Plan with respect to such Award of Restricted Stock, to the extent of any such forfeiture or reacquisition by the Company, shall again be available for granting Awards under the Plan. In the case of a Stock Appreciation Right, the number of shares available for issuance under the Plan shall be reduced by the number of Shares underlying the Stock Appreciation Right, and not just the Shares actually issued upon the exercise of the Stock Appreciation Right.

(b) Accounting for Awards. For purposes of this Section 5, if an Award entitles the holder thereof to receive or purchase Shares, the number of Shares covered by such Award or to which such Award relates shall be counted on the date of grant of such Award against the aggregate number of Shares available for granting Awards under the Plan.

(c) Adjustments. In the event that the Committee shall determine that any dividend or other distribution (whether in the form of cash, Shares, other securities or other property), recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase or exchange of Shares or other securities of the Company, issuance of warrants or other rights to purchase Shares or other securities of the Company or other similar corporate transaction or event affects the Shares such that an adjustment is determined by the Committee to be appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan, then the Committee shall, in such manner as it may deem equitable, adjust any or all of (i) the number and type of Shares (or other securities or other property) that thereafter may be made the subject of Awards; (ii) the number and type of Shares (or other securities or other property) subject to outstanding Awards; and (iii) the purchase or exercise price with respect to any Award.

(d) Award Limitations.

i. *Section 162(m) Limitation for Certain Types of Awards*. No Eligible Person may be granted Options, Stock Appreciation Rights or any other Award or Awards the value of which is based solely on an increase in the value of the Shares after the date of grant of such Award or Awards, for more than 1,500,000 Shares (subject to adjustment as provided in Section 5(c)) in the aggregate in any calendar year. The foregoing annual limitation specifically includes the grant of any Award or Awards representing qualified performance-based compensation within the meaning of Section 162(m).

ii. *Section 162(m) Limitation for Performance Awards*. The maximum amount payable pursuant to all Performance Awards to any Participant in the aggregate in any calendar year shall be \$6,000,000 in value, whether payable in cash, Shares or other property. This limitation does not apply to any Award subject to the limitation contained in Section 5(d)i.

iii. *Plan Limitation on Restricted Stock, Restricted Stock Units and Stock Awards*. No more than 7,500,000 Shares, subject to adjustment as provided in Section 5(c), shall be available under the Plan for issuance pursuant to grants of Restricted Stock, Restricted Stock Units and Stock Awards; provided, however, that if any Awards of Restricted Stock Units terminate or are forfeited or cancelled without the issuance of any Shares or if the Shares underlying an Award of Restricted Stock are forfeited or otherwise reacquired by the Company prior to vesting, whether or not dividends have been paid on such Shares, then the Shares subject to such termination, forfeiture, cancellation or reacquisition by the Company shall again be available for grants of Restricted Stock, Restricted Stock Units and Stock Awards for purposes of this limitation on grants of such Awards. Grants of Stock

Table of Contents

Awards other than Awards of Restricted Stock shall only be made to officers and directors of the Company and its Affiliates, shall only be made in lieu of salary or cash bonus, and the number of Shares awarded shall be reasonable.

iv. *Limitation on Incentive Stock Options.* The maximum number of Shares that may be delivered under Incentive Stock Option grants shall be 27,500,000, subject to adjustment as provided in Section 5(c). In addition, the aggregate Fair Market Value (determined as of the date of grant) of the Shares with respect to which Incentive Stock Options are exercisable for the first time by any individual during any calendar year (under the Plan and all other incentive stock plans of the Company) shall not exceed \$100,000. To the extent that the aggregate Fair Market Value (determined as of the date of grant) of the Shares with respect to which Incentive Stock Options are exercisable for the first time by any individual during any calendar year (under the Plan and all other incentive stock plans of the Company) exceeds \$100,000, such Incentive Stock Options shall be treated as Non-Qualified Stock Options; this provision shall be applied by taking Options into account in the order in which they were granted.

6. Eligibility.

Any Eligible Person shall be eligible to be designated a Participant. In determining which Eligible Persons shall receive an Award and the terms of any Award, the Committee may take into account the nature of the services rendered by the respective Eligible Persons, their present and potential contributions to the success of the Company or such other factors as the Committee, in its discretion, shall deem relevant. Notwithstanding the foregoing, an Incentive Stock Option may only be granted to full-time or part-time employees (which term as used herein includes, without limitation, officers and Directors who are also employees), and an Incentive Stock Option shall not be granted to an employee of an Affiliate unless such Affiliate is also a subsidiary corporation of the Company within the meaning of Section 424(f) of the Code.

7. Awards.

(a) *Options.* The Committee is hereby authorized to grant Options to Eligible Persons with the following terms and conditions and with such additional terms and conditions not inconsistent with the provisions of the Plan as the Committee shall determine:

i. *Exercise Price.* The purchase price per Share purchasable under an Option shall be determined by the Committee and shall not be less than 100 percent of the Fair Market Value of a Share on the date of grant of such Option; provided, however, that the Committee may designate a per share exercise price below Fair Market Value on the date of grant if the Option is granted in substitution for a stock option previously granted by an entity that is acquired by or merged with the Company or an Affiliate so long as the substituted Option preserves the aggregate intrinsic value and the ratio of the exercise price to the Fair Market Value of the stock option that it replaces.

ii. *Option Term.* The term of each Option shall be fixed by the Committee but shall not be longer than ten years from the date of grant.

iii. *Time and Method of Exercise.* The Committee shall determine the time or times at which an Option may be exercised in whole or in part and the method or methods by which, and the form or forms in which, payment of the exercise price with respect thereto may be made or deemed to have been made.

iv. *Incentive Stock Option Requirements.* Each Option intended to qualify as Incentive Stock Option shall comply with the requirements applicable to incentive stock options under Section 422 of the Code.

(b) *Stock Appreciation Rights.* The Committee is hereby authorized to grant Stock Appreciation Rights to Eligible Persons subject to the terms of the Plan and any applicable Award Agreement. A Stock Appreciation Right granted under the Plan shall confer on the holder thereof a right to receive upon exercise thereof the excess of (i) the Fair Market Value of one Share on the date of exercise (or, if the Committee shall so determine, at any time during a specified period before or after the date of exercise) over (ii) the strike price of the Stock Appreciation Right as specified by the Committee, which price shall not be less than 100 percent of the Fair Market Value of one Share on the date of grant of the Stock Appreciation Right; provided, however, that the Committee may designate a per share strike price below Fair Market Value on the date of grant if the Stock Appreciation Right

is granted in substitution for a stock appreciation right previously granted by an entity that is acquired by or merged with the Company or an Affiliate so long as the substituted Stock Appreciation Right preserves the aggregate intrinsic value and the ratio of the strike price to the Fair Market Value of the stock appreciation right that it replaces. Subject to the terms of the Plan and any applicable Award Agreement, the strike price, term, methods of exercise, dates of exercise, methods of settlement and any other terms and conditions of any Stock Appreciation Right shall be as determined by the Committee. The Committee may impose such conditions or restrictions on the exercise of any Stock Appreciation Right as it may deem appropriate.

(c) Stock Awards. The Committee is hereby authorized to grant to Eligible Persons Shares without restrictions thereon, as deemed by the Committee to be consistent with the purpose of the Plan. Subject to the terms of the Plan and any applicable Award Agreement, such Stock Awards may have such terms and conditions as the Committee shall determine.

(d) Restricted Stock and Restricted Stock Units. The Committee is hereby authorized to grant Awards of Restricted Stock and Restricted Stock Units to Eligible Persons with the following terms and conditions and with such additional terms and conditions not inconsistent with the provisions of the Plan as the Committee shall determine:

i. *Restrictions*. Restricted Stock and Restricted Stock Units shall be subject to such restrictions as the Committee may impose (including, without limitation, any limitation on the right to vote the Shares underlying an Award of Restricted Stock or the right to receive any dividend or other right or property with respect to such Shares), which restrictions may lapse separately or in combination at such time or times, in such installments or otherwise, as the Committee may deem appropriate. The minimum vesting period of such Awards shall be three years from the date of grant, unless the Award is conditioned on performance of the Company or an Affiliate or on personal performance (other than continued service with the Company or an Affiliate), in which case the Award may vest over a period of at least one year from the date of grant. Notwithstanding the foregoing, the Committee may permit acceleration of vesting of such Awards in the event of the Participant's death, disability or retirement or a change in control of the Company.

ii. *Issuance and Delivery of Shares*. The Shares underlying any Award of Restricted Stock granted under the Plan shall be issued at the time such Awards are granted and may be evidenced in such manner as the Committee may deem appropriate, including book-entry registration or issuance of a stock certificate or certificates, which certificate or certificates shall be held by the Company. Such certificate or certificates shall be registered in the name of the Participant and shall bear an appropriate legend referring to the restrictions applicable to such Restricted Stock. A stock certificate or certificates, without restrictive legend, representing the Shares underlying an Award of Restricted Stock that is no longer subject to restrictions shall be delivered to the Participant promptly after the applicable restrictions lapse or are waived. In the case of Restricted Stock Units, no Shares shall be issued at the time such Awards are granted. Upon the lapse or waiver of restrictions and the restricted period relating to Restricted Stock Units evidencing the right to receive Shares, a stock certificate or certificates, without restrictive legend, representing the underlying Shares shall be issued and delivered to the holder of the Restricted Stock Units.

iii. *Forfeiture*. Except as otherwise determined by the Committee, upon a Participant's termination of employment or resignation or removal as a Director (in either case, as determined under criteria established by the Committee), all Restricted Stock and all Restricted Stock Units held by the Participant at such time and still subject to restrictions shall be forfeited and reacquired by the Company; provided, however, that the Committee may, when it finds that a waiver would be in the best interest of the Company, waive in whole or in part any or all remaining restrictions with respect to Restricted Stock or Restricted Stock Units.

(e) Performance Awards. The Committee is hereby authorized to grant to Eligible Persons Performance Awards which are intended to be qualified performance-based compensation within the meaning of Section 162(m). A Performance Award granted under the Plan may be payable in cash or in Shares (including, without limitation, Restricted Stock), as determined by the Committee. Performance Awards shall, to the extent required by Section 162(m), be conditioned solely on the achievement of one or more objective Performance Goals, and such Performance Goals shall be established by the Committee within the time period prescribed by, and shall otherwise comply with the requirements of, Section 162(m). Subject to the terms of the Plan and any applicable Award Agreement, the Performance Goals to be achieved during any performance period, the length of any performance

period, the amount of any Performance Award granted, the amount of any payment or transfer to be

made pursuant to any Performance Award and any other terms and conditions of any Performance Award shall be determined by the Committee. The Committee shall also certify in writing that such Performance Goals have been met prior to payment of the Performance Awards to the extent required by Section 162(m).

(f) General.

i. *Consideration for Awards*. Awards may be granted for no cash consideration or for any cash or other consideration as may be determined by the Committee or required by applicable law.

ii. *Awards May Be Granted Separately or Together*. Awards may, in the discretion of the Committee, be granted either alone or in addition to, in tandem with or in substitution for any other Award or any award granted under any other plan of the Company or any Affiliate. Awards granted in addition to or in tandem with other Awards or in addition to or in tandem with awards granted under any other plan of the Company or any Affiliate may be granted either at the same time as or at a different time from the grant of such other Awards or awards.

iii. *Forms of Payment under Awards*. Subject to the terms of the Plan and of any applicable Award Agreement, payments to be made to the Company or an Affiliate upon the grant, exercise or payment of an Award may be made in such form or forms as the Committee shall determine, including, without limitation, in cash, by authorizing a third party to sell Shares (or a sufficient portion thereof) acquired upon exercise of an Award and to remit to the Company a sufficient portion of the proceeds to pay for all the Shares acquired through such exercise and any tax withholding obligations resulting from such exercise, or by a combination thereof.

iv. *Term of Awards*. The term of each Option and Stock Appreciation Right, and the period during which the restrictions applicable to each Award of Restricted Stock and Restricted Stock Units, shall be for a period not longer than ten years from the date of grant.

v. *Committee Rules*. The Committee shall have the authority to promulgate rules and regulations to determine the treatment of a Participant's Awards under the Plan in the event of such Participant's death, disability, termination or breach of Section 9(f), and in the event of a change of control of the Company. In addition, notwithstanding the rules and regulations promulgated by the Committee and in effect from time to time and the terms of any Award Agreement, the Committee shall have the right to extend the period for exercise of any Option or Stock Appreciation Right, provided such extension does not exceed the term of such Option or Stock Appreciation Right.

vi. *Deferral*. The Committee may, in its discretion, (i) permit selected Participants to elect to defer payments of some or all types of Awards in accordance with procedures established by the Committee or (ii) provide for the deferral of an Award in an Award Agreement or otherwise.

vii. *Dividends and Interest*. Dividends or dividend equivalent rights may be extended to and made part of any Award denominated in Shares or units of Shares, subject to such terms, conditions and restrictions as the Committee may establish. The Committee may also establish rules and procedures for the crediting of interest on deferred cash payments and dividend equivalents for deferred payments denominated in Shares or units of Shares.

viii. *Limits on Transfer of Awards*. Except as otherwise provided by the Committee, the terms of this Plan or the terms of an Award Agreement, (A) no Award and no right under any such Award shall be transferable by a Participant other than by will, by the laws of descent and distribution, or pursuant to a domestic relations order, and (B) no Award or right under any such Award may be pledged, alienated, attached or otherwise encumbered, and any purported pledge, alienation, attachment or encumbrance thereof shall be void and unenforceable against the Company or any Affiliate. Notwithstanding the foregoing, but subject to Section 7(f)ix, the Shares underlying any Award may be transferred at any time after such Shares are issued and no longer restricted.

ix. *Limits on Transfer of Shares*. All Shares or other securities delivered under the Plan pursuant to any Award or the exercise thereof shall be subject to such restrictions as the Committee may deem advisable under the Plan, applicable federal or state securities laws and regulatory requirements, and the Committee may cause appropriate entries to be made or legends to be placed on the certificates for such Shares or other securities to reflect such restrictions. If the Shares or other securities are traded on a securities exchange, the

Table of Contents

Company shall not be required to deliver any Shares or other securities covered by an Award unless and until such Shares or other securities have been admitted for trading on such securities exchange.

x. *Income Tax Withholding.* In order to comply with all applicable federal, state, local or foreign income tax laws or regulations, the Company may take such action as it deems appropriate to ensure that all applicable federal, state, local or foreign payroll, withholding, income or other taxes, which are the sole and absolute responsibility of a Participant, are withheld or collected from such Participant. In order to assist a Participant in paying all or a portion of the applicable taxes to be withheld or collected upon exercise or receipt of (or the lapse of restrictions relating to) an Award, the Committee, in its discretion and subject to such additional terms and conditions as it may adopt, may permit the Participant to satisfy such tax obligation by (A) electing to have the Company withhold a portion of the Shares otherwise to be delivered upon exercise or receipt of (or the lapse of restrictions relating to) such Award with a Fair Market Value equal to the amount of such taxes or (B) delivering to the Company Shares other than Shares issuable upon exercise or receipt of (or the lapse of restrictions relating to) such Award with a Fair Market Value equal to the amount of such taxes. The election, if any, must be made on or before the date that the amount of tax to be withheld is determined.

xi. *Company Redemption Right.* Unless the applicable Award Agreement provides otherwise, every Option and Stock Appreciation Right may be redeemed by the Company in connection with the merger, consolidation, separation (including a spin off or other distribution of stock or property), reorganization (whether or not such reorganization comes within the meaning of such term in Section 368(a) of the Code) or partial or complete liquidation of the Company. The redemption price for any Option redeemed by the Company shall be the Fair Market Value of the Shares underlying such Option, less the exercise price of such Option, and the redemption price for any Stock Appreciation Right redeemed by the Company shall be the Fair Market Value of the Shares underlying such Stock Appreciation Right, less the strike price of such Stock Appreciation Right. The redemption price, less any amount of federal or state taxes attributable to the redemption that the Company deems it necessary or advisable to pay or withhold, shall be paid in cash. Notwithstanding the foregoing, if any Option or Stock Appreciation Right constitutes nonqualified deferred compensation for purposes of Section 409A, and if the Company's redemption right under this Section 7(f)xi would cause such Option or Stock Appreciation Right to be subject to excise tax under Section 409A, then the Company's redemption right under this Section 7(f)xi with respect to such Option or Stock Appreciation Right shall be limited to those triggering events that constitute a change in ownership, a change in effective control or a change in the ownership of a substantial portion of the assets of the Company for purposes of Section 409A.

8. Amendment and Termination; Corrections.

(a) Amendments to the Plan. The Board of Directors of the Company may amend, alter, suspend, discontinue or terminate the Plan, provided, however, that, notwithstanding any other provision of the Plan or any Award Agreement, prior approval of the stockholders of the Company shall be required for any amendment to the Plan that: (i) requires stockholder approval under the rules or regulations of the Securities and Exchange Commission, NASDAQ or other securities exchange that are applicable to the Company; (ii) increases the number of Shares authorized under the Plan, as specified in Section 5(a); (iii) increases the limitations contained in Section 5(d); (iv) permits repricing of Options or Stock Appreciation Rights, which is prohibited by Section 4(a); (v) permits the award of Options or Stock Appreciation Rights at a price less than 100 percent of the Fair Market Value of a Share on the date of grant of such Option or Stock Appreciation Right, contrary to the provisions of Sections 7(a)i and 7(b); or (vi) would cause Section 162(m) to become unavailable with respect Awards granted under the Plan.

(b) Amendments to Awards. Subject to the provisions of the Plan, the Committee may waive any conditions of or rights of the Company under any outstanding Award, prospectively or retroactively. Except as otherwise provided in the Plan, the Committee may amend, alter, suspend, discontinue or terminate any outstanding Award, prospectively or retroactively, but no such action may adversely affect the rights of the holder of such Award without the consent of the Participant or holder or beneficiary thereof. Notwithstanding the foregoing, if any Award constitutes nonqualified deferred compensation for purposes of Section 409A, and if the Company's rights under this Section 8(b) would cause such Award to be subject to excise tax under Section 409A, then the Company's rights under this Section 8(b) with respect to such Awards shall be limited to the taking of only those actions that do not cause such Award to be subject

to excise tax under Section 409A.

(c) Correction of Defects, Omissions and Inconsistencies. The Committee may correct any defect, supply any omission or reconcile any inconsistency in the Plan or in any Award or Award Agreement in the manner and to the extent it shall deem desirable to implement or maintain the effectiveness of the Plan.

9. General Provisions.

(a) No Rights to Awards. No Eligible Person, Participant or other person shall have any claim to be granted any Award under the Plan, and there is no obligation for uniformity of treatment of Eligible Persons, Participants or holders or beneficiaries of Awards under the Plan. The terms and conditions of Awards need not be the same with respect to any Participant or with respect to different Participants.

(b) Award Agreements. No Participant shall have rights under an Award granted to such Participant unless and until an Award Agreement shall have been duly executed on behalf of the Company and, if requested by the Company, signed by the Participant.

(c) No Rights of Stockholders. Except with respect to Restricted Stock and Stock Awards, neither a Participant nor the Participant's legal representative shall be, or have any of the rights and privileges of, a stockholder of the Company with respect to any Shares issuable upon the exercise or payment of any Award, in whole or in part, unless and until the Shares have been issued.

(d) No Limit on Other Compensation Plans or Arrangements. Nothing contained in the Plan shall prevent the Company or any Affiliate from adopting or continuing in effect other or additional compensation plans or arrangements, and such plans or arrangements may be either generally applicable or applicable only in specific cases.

(e) No Right to Employment or Directorship. The grant of an Award shall not be construed as giving a Participant the right to be retained as an employee of the Company or any Affiliate, or a Director to be retained as a Director, nor will it affect in any way the right of the Company or an Affiliate to terminate a Participant's employment or service as a Director at any time, with or without cause. In addition, the Company or an Affiliate may at any time dismiss a Participant from employment or service as a Director, free from any liability or any claim under the Plan or any Award, unless otherwise expressly provided in the Plan or in any Award Agreement.

(f) Non-Competition; Confidentiality. A Participant will not, without the written consent of the Company, either during his or her employment by the Company or thereafter, disclose to anyone or make use of any confidential information which he or she has acquired during his or her employment relating to any of the business of the Company, except as such disclosure or use may be required in connection with his or her work as an employee of Company. During a Participant's employment by Company, and for a period of two years after the termination of such employment, he or she will not, either as principal, agent, consultant, employee, stockholder or otherwise, engage in any work or other activity in direct competition with the Company in the field or fields in which he or she has worked for the Company. The non-competition agreement in this Section 9(f) applies only to the extent that its application shall be permitted by applicable law and reasonably necessary for the protection of the Company. For purposes of this Section 9(f), a Participant shall not be deemed a stockholder if the Participant's record and beneficial ownership amount to not more than one percent of the outstanding capital stock of any company subject to the periodic and other reporting requirements of the Exchange Act.

(g) No Guarantee of Tax Consequences. No person connected with the Plan in any capacity, including, but not limited to, the Company and its Affiliates and their directors, officers, agents and employees, makes any representation, commitment, or guarantee that any tax treatment, including, but not limited to, federal, state and local income, estate and gift tax treatment, will be applicable with respect to the tax treatment of any Award, or that such tax treatment will apply to or be available to a Participant on account of participation in the Plan.

(h) Indemnification. The Company shall indemnify and hold harmless each member of the Board or the Committee and other persons connected with the Plan in any capacity, including, but not limited to, the employees and directors of the Company and its Affiliates performing services on behalf of the Committee, against any liability, cost or expense arising as a result of any claim asserted by any person or entity under the laws of any state or of the United States with respect to any action or failure to act of such individuals taken in connection with

Table of Contents

this Plan, except claims or liabilities arising on account of the willful misconduct or bad faith of such Board member, Committee member or individual.

(i) Governing Law. The validity and construction of the Plan and all determinations made and actions taken pursuant hereto, as well as any Agreement made under it, to the extent that federal laws do not control, will be governed by the laws of the State of New York, without giving effect to the principles of conflicts of laws.

(j) Severability. If any provision of the Plan or any Award is, becomes or is deemed to be invalid, illegal or unenforceable in any jurisdiction, or would disqualify the Plan or any Award under any law deemed applicable by the Committee, then such provision shall be construed or deemed amended to conform to applicable laws, or if it cannot be so construed or deemed amended without, in the determination of the Committee, materially altering the purpose or intent of the Plan or the Award, such provision shall be stricken as to such jurisdiction or Award, and the remainder of the Plan or any such Award shall remain in full force and effect.

(k) Unfunded Plan. Insofar as it provides for Awards of cash, Shares or rights thereto, this Plan shall be unfunded. Although bookkeeping accounts may be established with respect to Participants who are entitled to cash, Shares or rights thereto under this Plan, any such accounts shall be used merely as a bookkeeping convenience. The Company shall not be required to segregate any assets that may at any time be represented by cash, Shares or rights thereto, nor shall this Plan be construed as providing for such segregation, nor shall the Company, the Board or the Committee be deemed to be a trustee of any cash, Shares or rights thereto to be granted under this Plan. Any liability or obligation of the Company to any Participant with respect to a grant of cash, Shares or rights thereto under this Plan shall be based solely upon any contractual obligations that may be created by this Plan and any Award Agreement, and no such liability or obligation of the Company shall be deemed to be secured by any pledge or other encumbrance on any property of the Company. None of the Company, the Board or the Committee shall be required to give any security or bond for the performance of any obligation that may be created by this Plan.

(l) Code Section 409A Compliance. The Company intends that any Awards under the Plan satisfy the requirements of Section 409A to avoid the imposition of excise taxes thereunder. If any provision of the Plan or an Award Agreement would result in the imposition of an excise tax under Section 409A, that provision will be reformed to avoid imposition of the excise tax and no action taken to comply with Section 409A shall be deemed to impair a benefit under the Plan or an Award Agreement.

(m) References. Unless otherwise indicated, all references to Sections contained herein are references to Sections of this Plan.

(n) Headings. Headings are given to the Sections and subsections of the Plan solely as a convenience to facilitate reference. Such headings shall not be deemed in any way material or relevant to the construction or interpretation of the Plan or any provision thereof.
